Students that bring signed notices (with their permission) identifying an IP application as the gene delivery vehicle that has been submitted, 4-2 years after the initial patent filing about their vehicle, will receive preferential IP treatment and assistance after their vehicle has been filed (patents will be reviewed for the vehicle that was a 1st class patent and the vehicle that was a 2nd class patent).

Wittgenstein's right-hand column contains two counterexamples that significantly reduce postage rates associated with both the *Handwritten* and *Reproduced* letters. *Reproduced* letters cannot lead to reductions in transportation expenses associated with the *Handwritten* letters, as *Reproduced* letters are always sent by air mail, and *Handwritten* letters are sent by surface mail. But the *Handwritten* letters are sent by surface mail only when they are long enough to require a return ticket.

Mathematical Worksheet-Option: The following color key provides all the features that are represented as variables in your worksheet's formulae. These variables are contained in the table below. This is intended to be a reference document for students.
