*Romanced by the Rival: A Never Say Never Football Romance (Book 5)* Carina Rose, Carina Rose will make you swoon in her new fake relationship opposites attract romance between a pro football player and his rival's little sister Romance is dead Believe me I'm not exaggerating My ex-fiancé cheated on me After him I went out with a guy who was so stuck on himself I was surprised he didn't walk around with a mirror in his hand And my last date Well that one was a doozy That man expected me to pay for dinner on my birthday That was it The final straw I'm over relationships and that's exactly what I told an extremely handsome bartender that same night Because why wouldn't I stroll into a pub to drown my sorrows and confess everything to a sexy stranger Except apparently I told him about more than my awful date a whole lot more For some unfathomable reason I felt

the need to tell him I haven't had sex in months So pardon me while I crawl under a rock I bet you're thinking things couldn't get worse right I'd say hold my beer but that's too on the nose That mouthwatering drink slinger was in fact not a bartender but none other than my brother's on-field rival Dax Sinclair a professional football player for the DC Rockets And then that sexy as sin built like a Greek god stud of a man inexplicably announced to thousands of people on camera that we were engaged Engaged Me Cami Donovan engaged to Dax Sinclair What was I supposed to do I smiled nodded and figured we'd call off the fake engagement once the dust settled Then he kissed me and before I knew it we were in an official fake relationship The man promised me romance and boy does he deliver But just as in our arrangement things aren't always what they seem Now I have to decide do I stick with the home team or root for the rival

**Spinning Wheels** Frank Buxton, 2015-03-14 This story opens in the early nineteen sixties at a fictional isolated Catholic Convent somewhere in North Wales As the story gently unfolds the main characters honestly start to consider the foundations and tribal marking of organised religion especially of their own Devout Christians will find this book to be a very challenging read Calmly they each discard their belief that Christ was the only Son of God Christ's message however love Thy neighbour as Thyself is happily acknowledged as the only way of ensuring the continuing survival of the Human Race Weaving around this main theme are several honest if rather robust love stories At appropriate points the debilitating effect of loneliness is sympathetically portrayed and arguments against committing suicide are also presented Kirkus reviews An engaging tale The story is strong and the erotica is nicely balanced by the humanity of the characters
