Ordinary Level Shona Novel In Syllabus 2015:

Now That the Dust Has Settled Athanasio Dzadagu, 2015-03-26 In this book I try to explore why one section of the Catholic Community connected with the late Archbishop Chakaipa was overtaken by great remorse when he died while another went into jubilation This leads me into the examination of what kind of person Archbishop Chakaipa was I do this in the context of his family background and his priestly and Episcopal ministries He was of the Unendoro clan with a history tracing back to Karanga roots In his Seminary years he wrote five Shona novels which became very influential in developing Shona literacy He earned enduring respect across the entire Zimbabwean nation for this achievement Within Church circles Archbishop Chakaipas name is synonymous with the policy of self reliance which was his signal achievement in the Archdiocese of Harare He was determined to see the development of indigenous Zimbabwean writers frustrated that the world of ideas in Zimbabwe was dominated by Eurogenic of European origin missionaries In his view such Eurogenic intellectual domination undermined Zimbabwean and African independence In the book I argue that while Archbishop Chakaipa was a hero indeed one deserving of canonisation as a Catholic saint true respect for him should also acknowledge his negative qualities *O-Level Shona Grammar* K.
