Robert L Millet Books:

Selected Writings of Robert L. Millet Robert L. Millet, 2000 **Mormonism: A Guide for the Perplexed** Robert L. Millet, Shon D. Hopkin, 2015-11-19 Mormonism A Guide for the Perplexed explains central facets of the Mormon faith and way of life for those wishing to gain a clearer understanding of this rapidly growing world religion As The Church of Jesus Christ of Latter day Saints continues to grow in the United States and especially in other countries with a total membership of over 15 million more than 50% of which is outside the US and as theologians and church leaders wrestle with whether Mormonism is in fact a valid expression of modern Christianity this distinctive religious tradition has become increasingly an object of interest and inquiry This book is the ideal companion to the study of this perplexing and often misunderstood religion Covering historical aspects this guide takes a careful look at the whole of Mormonism its tenets and practices as well as providing an insight into a Mormon life **Jesus Christ** Robert L. Millet, 1999 An amalgamation and revision of By grace we are saved and Life in Christ by Robert L Millet Second Witness: Analytical and Contextual Commentary on the Book of Mormon Brant A. Gardner, 2007-09-01 Stop looking for the Book of Mormon in Mesoamerica and start looking for Mesoamerica in the Book of Mormon Second Witness a new six volume series from Greg Kofford Books takes a detailed verse by verse look at the Book of Mormon It marshals the best of modern scholarship and new insights into a consistent picture of the Book of Mormon as a historical document Taking a faithful but scholarly approach to the text and reading it through the insights of linguistics anthropology and ethnohistory the commentary approaches the text from a variety of perspectives how it was created how it relates to history and culture and what religious insights it provides The commentary accepts the best modern scholarship which focuses on a particular region of Mesoamerica as the most plausible location for the Book of Mormon s setting For the first time that location its peoples cultures and historical trends are used as the backdrop for reading the text The historical background is not presented as proof but rather as an explanatory context The commentary does not forget Mormon s purpose in writing It discusses the doctrinal and theological aspects of the text and highlights the way in which Mormon created it to meet his goal of convincing the Jew and Gentile that Jesus is the Christ the Eternal God

Remember, Remember Robert L. Millet, 2023-10-30 **Second-Class Saints** Matthew L. Harris, 2024 On June 9 1978 Church of Jesus Christ of Latter day Saints LDS president Spencer W Kimball announced a revelation lifting the church s 126 year old ban barring Black people from the priesthood and Mormon temples It was the most significant change in LDS doctrine since the end of polygamy almost 100 years earlier Drawing on never before seen private papers of LDS apostles and church presidents including Spencer W Kimball Matthew L Harris probes the plot twists and turns the near misses and paths not taken of this incredible story *My Kingdom Come* Decker, To a Mormon happiness may be Family Home Evening and families may be forever but becoming an actual god is the ultimate goal of every member of the church Mormons believe the reason for coming to earth from the planet near the great star Kolob is to gain bodies for our spirit beings and to be

tested To become gods they need to be Mormons to go through the temple to learn the signs and tokens for entry to the celestial glory and to be obedient unto death to the holy prophet Everything else is tied to and wraps around this one goal Today Mormon Mitt Romney is a major candidate for the White House A man who would be god An entire chapter is devoted to the Mormon Plan for America and the rise of Mitt Romney It is a warning and a must read for every Christian **Sacred Books of the World** Ambrose J. Becchio,2002 Preface Hinduism The Vedas The Upanishads The Bhagavad Buddhism The Pali Cannon Confucianism Lun yu The Analects Taoism Tao te Ching Judaism The Torah Nev im Ketuvim Talmud Christianity The New Testament Gospels Acts of the Apostles and the Epistles Islam Qur an Hadith Zoroastrianism Gathas Yashts Vendidad Jainism Tattvartha Sutra Moksha Sutra Sikhism Guru Granth Sahib Adi Granth Shinto Kojiki Rokkokushi Shoku Nikhaigi Jinno Shotoki Latter Day Saints The Book of Mormon Index *The Anatomy of Book of Mormon Theology, Volume One* Joseph M. Spencer,2021-11-16 Few scholars of the Book of Mormon have read this volume of scripture as closely and rigorously as Joseph M Spencer And of those none have devoted as much time and effort as he to a theological reading of that sacred text that is as Spencer writes how it might shape responsible thinking about questions pertaining to the life of religious commitment p 1 173 The Anatomy of Book of Mormon Theology divides into two volumes exploring and thinking about these pertinent questions Each concerns a different part of the defense of the claim that theology is and ought to be particularly important for Book of Mormon studies In this first volume Spencer gathers early essays in which he gestures toward theological interpretation without knowing how to defend it essays about why theology is important to Book of Mormon scholarship and how to ensure that it does not overstep its boundaries and essays that do theological work on the Book of Mormon in relatively obvious ways or with relatively traditional topics The last category of essays divides into two subcategories essays specifically on the central theological question of Jesus Christ s atonement as the Book of Mormon understands it and essays on a variety of traditional theological topics again as the Book of Mormon understands them [A Different Jesus?](#) Robert L. Millet,2005-04-14 Drawing on both Christian and Latter day Saint documents Robert Millet clearly explains the many beliefs that Mormons hold in common with traditional Christians and also highlights differences where they exist **The Foundations of Scriptural Understanding** Dann W Hone,2024-10-07 Scriptural Reference and Exploration Series Volume 1 Foundations of Scriptural Understanding serves as a beginning for scriptural studies introduced in succeeding volumes focusing on the foundations and principles for understanding biblical literature A description of man s relationships with the universe covenants their composition and purpose with attendant ordinances are considered as a prelude to the dispensation of the Mosaic Law followed by the names signs tokens seasons festivals and feasts that are predictive of the promised Messiah This volume also delves into a fuller description of the Messiah and his missions as described through Israelite patriarchal blessings Throughout the writings are references to the ancient tabernacles sanctuaries and temple worship Drawing from the best available resources these words of instruction will help the readers

better understand the culture settings and customs of those who wrote the scriptures It is written for the lay reader as well as for scholars who desire an additional resource **Light and Truth** Christian Göcke,2025-02-18 Who am I Where do I come from And where am I going Eventually most people will deal with these questions What is the meaning and purpose of mortal life Who is God and has He always existed We humans observe the universe on a starry summer night and are amazed at how everything moves in such a perfect order We look at the plant world in its infinite beauty and ask about evolution or creation Is it all just a coincidence or is there a plan behind it We marvel at the diversity of the animals and feel deep affection for them Deep in our hearts we recognize in all these things a perfect and creative Creator We cannot explain it we can only marvel and enjoy this beautiful world But still we long for answers In this book we will try to give any It builds a bridge between physics and religion and describes the course of creation as well as the meaning and purpose of life Eventually we arrive at a loving Heavenly Father and His plan of happiness Knowing Brother Joseph Again Davis Bitton,2011-07-01 We live in an age of relativism What is beautiful for one is not for another what is good and moral for one is not for another and what is true for one is not for another Such an attitude widespread in the world condemns those who testify of truth I shudder at the thought that my presentation here will lead to such soft relativism I do not think that everything is up for grabs with each person s opinion being equally valid Just as Jesus was either Savior and Redeemer of the world or he was not so Joseph Smith was either a true authorized prophet of God or he was not In recounting his visions either he spoke the truth or he did not Yet the fact remains that different people saw him in different ways Even his followers emphasized different facets at different times All human beings are complex and resist the reductionism that would dismiss them with a single adjective or noun People like Joseph Smith are rich and complex Different people saw him differently or focused on a different facet of his personality at different time Inescapably what they observed or found out about him was refracted through the lens of their own experience Some of the different flickering not always compatible views are the subject of this book Davis Bitton Davis Bitton s life was cut short before he could finish revisions on this collection of insightful essays about Joseph Smith a prophet whom he also considers a hero in both classical terms and the context of nineteenth century America Knowing Brother Joseph Again explores images of Joseph Smith from both the devotion of believers and the hostility and skepticism of opponents *Book of Mormon Study Guide, Pt. 1* Randal S. Chase,2010-12-01 1 Nephi through Mosiah This volume is the first of three on the Book of Mormon It covers 1st Nephi through the Book of Mosiah This includes the journey of Lehi and his family across the Arabian Peninsula to Bountiful It follows them on to the promised land where the Nephites and Lamanites separated It contains the marvelous prophecies of Lehi Nephi and Jacob We then read remarks from the book s editor in the words of Mormon and follow the Nephites until their establishment in the land of Zarahemla under King Mosiah In all it covers 508 years of Nephite history up until about 92 BC when the book of Alma began The cover features a beautiful photograph of the Land Bountiful taken by Scot Facer Proctor “This Is My

Doctrine”: The Development of Mormon Theology Charles R. Harrell, 2011-08-05 The principal doctrines defining Mormonism today often bear little resemblance to those it started out with in the early 1830s This book shows that these doctrines did not originate in a vacuum but were rather prompted and informed by the religious culture from which Mormonism arose Early Mormons like their early Christian and even earlier Israelite predecessors brought with them their own varied culturally conditioned theological presuppositions a process of convergence and only later acquired a more distinctive theological outlook a process of differentiation In this first of its kind comprehensive treatment of the development of Mormon theology Charles Harrell traces the history of Latter day Saint doctrines from the times of the Old Testament to the present He describes how Mormonism has carried on the tradition of the biblical authors early Christians and later Protestants in reinterpreting scripture to accommodate new theological ideas while attempting to uphold the integrity and authority of the scriptures In the process he probes three questions How did Mormon doctrines develop What are the scriptural underpinnings of these doctrines And what do critical scholars make of these same scriptures In this enlightening study Harrell systematically peels back the doctrinal accretions of time to provide a fresh new look at Mormon theology This Is My Doctrine will provide those already versed in Mormonism s theological tradition with a new and richer perspective of Mormon theology Those unacquainted with Mormonism will gain an appreciation for how Mormon theology fits into the larger Jewish and Christian theological traditions **The Words of God: 8 Crucial Bible Themes Supported by the**
