Studies consistently show that quality leadership development programs pay off for companies in the form of shareholder returns market share growth and sales However many companies have inadequate leadership development programs This book challenges traditional views of leadership development with a perspective that focuses on recognizing leadership as a source of competitive advantage If you're a manager or an HR leader The Leadership Gap offers the practical effective strategies you need to close the leadership gap in your organizations unleashing leadership potential for better business results and a sustainable competitive advantage **British Books in Print** , 1985 **Coaching for Leadership** Marshall

Goldsmith, Laurence S. Lyons, Sarah McArthur, 2012-05-01 THE THIRD EDITION of the classic book *Coaching for Leadership* is written for today's coaches who are challenged with the task of combining concepts from various disciplines in order to help their clients especially high potential leaders learn and succeed. In this sense coaches have to become discriminating eclectics developing a keen sense of judgment to select which ideas are best woven into their coaching method and which concepts are best to ignore. *Coaching for Leadership* is intended to be a cherished companion in that learning journey presented by the world's greatest coaches including Marshall Goldsmith, Paul Hersey, Beverly Kaye, Dave Ulrich and many more. This comprehensive resource offers a wealth of material for established and novice coaches including proven coaching techniques, key principles and important learning points. The book offers a concise overview of the foundations of coaching and reveals what it takes to coach for engagement and retention. Why mentoring is circular. How to build a team without wasting time. What it means to be a purposeful leader. How to write like a leader. The right stuff of leadership. What is needed to lead across national boundaries. How to coach high potential women. Why coaching is empowerment. How to influence decision makers. Why you should double your value. The ten suggestions for successful peer coaching. The coaching tools for the leadership journey. How to coach executives for succession. *Coaching for Leadership* is a proven resource that offers best practices, sample scenarios, case studies and practical tools.

The Knowledge Management Yearbook 2000-2001 John A. Woods, James Cortada, 2013-05-13 The *Knowledge Management Yearbook* is the most current and comprehensive resource available for knowledge management professionals. No other source of information so thoroughly surveys the state of the knowledge management discipline and industry and how they impact businesses and other organizations. Featuring both definitive articles and cutting edge knowledge management techniques and research contributed by authorities. The *Knowledge Management Yearbook* covers the nature of knowledge and its management, knowledge based strategies, knowledge management and organizational learning and knowledge tools, techniques and processes. The reference section includes a set of up to date directories detailing on line knowledge management resources, KM publications and organizations and notable KM Quotes. The glossary of KM terms is increasingly perceived by the industry as a benchmark by which this evolving discipline is defined. The *Knowledge Management Yearbook* is an indispensable volume for any professional helping to shape his or her organization's knowledge strategy.

Dreamcrafting Paul Levesque, Art McNeil, 2003-02-16 Many people set out to achieve a dream starting a business or learning to play the piano or publishing a book but they don't succeed and the dream fizzles away. In many cases these people have lots of skills and expertise such as deep knowledge of the business or career they are interested in so why don't they succeed? Paul Levesque and Art McNeil have discovered that making a dream come true requires cultivating skills of a higher order macroskills that inevitably spell the difference between success and failure. No

matter what the specifics of a person's dreams are These are the skills Dreamcrafting outlines in detail Monographic Series Library of Congress,1980 Linkage Inc.'s Best Practices in Succession Planning Linkage Inc.,2007-07-16 Plan For Your Organization's Success Linkage's Best Practices for Succession Planning provides the ultimate guide for planning developing implementing and sustaining succession planning in any organization This must have book provides step by step instructions practical advice templates and tools from some of the world's best companies and Linkage a global organization development company that specializes in leadership development Linkage Inc's Best Practices for Succession Planning is the comprehensive resource that includes information needed to Ensure that succession management is owned by business leaders rather than just HR Assess potential for future roles not just track record of performance Manage succession data on individuals and talent pools Balance talent development and acquisition in achieving future objectives Develop the processes tools and organizational capabilities necessary to effectively implement and sustain the system Integrate succession planning systems with other businesses and HR systems in the organization to achieve efficiency consistency and impact
