**Overcoming Language Barriers** Amanda J. Jones, Ed.D., 2013-05-10 Black English dialect has long been rooted in the socio historical experience of many African Americans When discussing the most appropriate means of promoting the success of those who speak Black English educators essentially focus on African American learners because the dialect is most commonly associated with this ethnic group While some may emphasize the importance of recognizing and respecting dialect differences others place emphasis on the stigma often associated with Black English usage in mainstream society Regardless of how one characterizes Black English it is a dialect on which many African American students rely during their daily interactions with mainstream speakers in society Overcoming Language Barriers lays the foundation for readers who are genuinely concerned about understanding fundamental Black English concepts and promoting the success of those who speak the dialect In this practical resource book Dr Jones thinks outside the box by including pertinent topics such as brain based learning in addition to focusing on dialect differences She shares insightful data from her English language arts research study as well as practical strategies to be utilized in mainstream classrooms The study highlights examples of Black English features and feedback from English language arts teachers across the United States regarding their perceptions of Black English usage in their classrooms This publication is ideal for both beginning and veteran educators and researchers seeking to effect meaningful change for linguistically different students

**Global Action on School Library Guidelines** Barbara A. Schultz-Jones, Dianne Oberg, 2015-06-16 This book celebrates the new IFLA School Library Guidelines and shows how the Guidelines can be used in improving school library services Each chapter describes innovative initiatives for developing implementing and promoting school library guidelines The book provides inspiration and guidance for the creation of national school library standards and for the development and use of standards and guidelines to change school library practice to define the teaching role of school librarians to guide the initial preparation of school librarians and to advocate for school library services Contributors to the book come from around the world Australia Canada Ethiopia France Malaysia Norway Poland Portugal Spain Sweden and the United States Their work illustrates the shared commitment of school librarians around the world to teaching and learning for all as envisioned in the IFLA UNESCO School Library Manifesto
