

Kensington Valley Hockey Association
Pee Wee AA Hockey Club

THANK YOU for trying out for the Kensington Valley Pee Wee AA 2007-2008 Fall Travel Hockey Team!

Unfortunately, we are faced with the tough decision of picking only a handful of players. The coaching staff has made every effort to make the tryouts a fair and enjoyable experience for every child and parent. We understand that not making a team is a disappointing time in our lives. It is also a time to hold your head high and to be proud of your accomplishments. Every child worked very hard and displayed great admiration for this outstanding sport!

Though you have not been selected for this Fall team, we encourage you to try again in the Spring. We want to remain friends and would like to see how your upcoming season progresses. If you see one of the coaches, other players or parents, let them know how you are doing. We honestly do care for all of these fine kids!

Please continue to practice and play to the best of your abilities. Work on the things that will make you a better hockey player. The coaches had some difficult decisions this tryout and it is your job to put them to the test in the Spring!

We appreciate all of the parents who have helped us out and have become our friends, thank you very much!

Best of Luck,

Tom Miller
Head Coach

Tryout Rejection Letter Basketball:

The Complete Guide to Coaching Girls' Basketball Sylvia Hatchell, Jeff Thomas, 2006-07-13 Coach Hatchell's book is a must read for every girls basketball coach. She is fantastic in every phase of the game and I love watching her teams play. Roy Williams head men's basketball coach, University of North Carolina and Associated Press Coach of the Year 2006. What does it take to turn a good coach into a great one? You need to be a teacher, a motivator, a guru of X's and O's. Coach Sylvia Hatchell shows you how she manages all these roles and gives you her winning advice to creating a team of champions. Head coach of the University of North Carolina's women's team, Coach Hatchell combines the Tar Heels' longstanding tradition of basketball greatness with her personal dedication to guiding young women as she teaches you how to communicate effectively to get peak performances from 11 to 18 year old girls. Teach all the fundamentals of the game and run a productive high energy practice. Develop a formidable offense and tenacious defense. Master 75 of her favorite drills ranging in difficulty from beginner to advanced.

Needless Verle D. Dresback, 2012-06 Is baseball unavoidably a game of failures? The author calls upon a lifetime of experience to answer that question in three parts. One: Failures by hitters on an average team exceed four thousand per season. That number can be reduced by at least 50 percent drastically reducing the frequency of batting slumps. Two: Failures by starting pitchers can be eliminated. Three: The two biggest on field problems for managers today are when to pull the starting pitcher and finding a way to get the players to play the game the proper way and those problems can also be eliminated. If you think these claims are not realistic, be prepared to change your mind. As much as Verle D. Dresback loved baseball through his high school years, it did not love him. However, he was good enough in other sports to receive scholarship offers to play basketball and football at Montana State, the Butte School of Mines, and Carol College in Billings, Montana. These three scholarship letters only offered books and tuition. However, he received a fourth letter from the draft board. He chose the Air Force where he served his country from 1954 to 1974. During the last half of his USAF career, he taught advanced airborne electronic maintenance in the mornings and coached youngsters in baseball, football, and basketball in the afternoons.

About the Author: What Verle D. Dresback did during his next twenty year career makes him uniquely qualified to give advice. When he retired from Ingalls Ship Building in 1994, he was a senior engineer in the reliability section of the engineering department. His credentials include identifying failures and creating solutions. <http://sbpra.com>

The Making of a Student-athlete Raymond J. Lauenstein, 2005 *Get in the Game* Kevin Atlas, 2020-02-25 Be inspired by the story of Kevin Atlas, formerly Laue, whose faith and perseverance helped him become an NCAA Division I basketball player despite being born with only one arm. Even before entering the world, Kevin Atlas was a fighter. He should have died in childbirth as the umbilical cord was wrapped around his neck twice, but he survived because his left arm was in the middle of it, allowing blood to flow to his brain. But since circulation was cut off in that arm, he was born with his left arm ending just below his elbow. GET IN THE GAME is Kevin's story of transformation. Moving from anger

to joy From embarrassment to confidence From the sidelines and wishing his life was different to getting in the game and showing who he is Kevin s arduous journey to earning a scholarship to Manhattan College in New York City and becoming the first NCAA Division I basketball player missing a limb has given him keen insights to help anyone who feels trapped and defeated by less than perfect circumstances whether physical mental or environmental Kevin doesn t encourage readers to simply accept and live with their challenges hurts and losses He spurs them on to believe any weakness can in reality become the one thing that propels them to achieve their greatest potential As Kevin has learned throughout his life you can t win if you don t get in the game "Then Bowa Said to Schmidt. . ."
