The Squirrel that Dreamt of Madness @craigstone_,2016-04-22 What do you do when the voice in your head is telling you to walk out of your job and follow your dreams What would happen if you listened to the voice in your head What if you walked out of your job left your home and a few hours later found yourself jobless and homeless sitting on a park bench with a pad and a pen and a desperate hope that the book you are going to write in the park will eventually change your life That's what Craig Stone professional nobody did This is the story he made up to keep his sanity while living alone in Gladstone Park North London as he came to terms with the consequences of making bold decisions He sat under a tree writing about what it was like to be living under a tree Craig was determined to write a book that would get him out of the park a book so original it would be published and change the course of his life The Squirrel that Dreamt of Madness is his story An imaginative mix of fantasy and his own experiences this funny and sometimes poignant tale will appeal to those looking for an original and edgy take on autobiographical writing One of our favourite guests of the year and we seriously say that to very few people The BBC Comedy Caf The Turnaround Ray Burton,2003-11-14 Young naive and suddenly responsible for a multimillion dollar empire a distraught Florence Riggins had no time to dissolve into tears By day the beautiful entrepreneur labored to exhaustion to keep everything in control but each night left her restless and longing for a reprieve But she could not say what was in her heart Not even to her loving husband As a result the once warm affectionate and caring Florence became hard and manipulative shunning all those around her It would take a traumatic dangerous situation to spark the fires that would melt her icy reserve and help to unearth her deeply buried pain A story that transcends genres The Turnaround Wild a ride and a half Klye Mitchell Southern Writers Association Fascinating touching gripping Sharon Stevens Critic's Best Review A satisfying successor to If I Ruled the World and A Day in the Life Latoya Collins Lady Readers International Book Club
