

The Middle East: Where Political Correctness Can Kill

# The **Politically Incorrect Guide**™ to the Middle East

*You think you know about the  
Middle East. But did you know:*

- The Arab-Jewish conflict predates the creation of Israel
- Islamic fundamentalism isn't ancient—which is why it's so dangerous
- Democracy is not America's friend in the Middle East
- Iran can't be reformed—but the Saudis can
- Bush Sr.—not Bush Jr.—should have invaded Iraq
- Why an Israeli-Palestinian peace is not only impossible, but undesirable

**Politically Incorrect Guide to the Middle East** Martin Sieff, 2008-01-28 The Middle East is almost never off the front pages yet most Americans know little about the region Why The mainstream media and Ivy League academics instead of helping only make matters worse by casting everything in the usual politically correct mold Arab terrorists are just desperate freedom fighters and the region s one free democracy Israel is the oppressor not least because of its alliance with America And if Islamic extremism is a problem the establishment tells us it s only because it s rooted in that source of all evils religion A different strain of political correctness has seeped into some minds on the right most notably the Bush administration which so ready to buy into the egalitarian myths we are all taught believed that Western style democracy could flourish anywhere Now in *The Politically Incorrect Guide to the Middle East* veteran Middle East correspondent Martin Sieff puts the lie to all these myths and clich s giving you everything you need to know about the region to understand its past its present and its possible future

*The Politically Incorrect Guide to the Middle East* Martin Sieff, 2008-01-27 Examines the Middle East from the decline of the Ottoman Empire to the present discussing such topics as the history of radical Islam the conflicts between the Arabs and Israelis and political movements in Iran Iraq and Saudi Arabia

build The Wall You may think you know all about immigration but in The Politically Incorrect Guide to Immigration you ll learn Building The Wall would cost less than half of what we spend to educate illegal immigrants every year Illegal immigration costs American taxpayers 116 billion a year 62% of naturalized immigrants are for the Democrats only 25% are for the Republicans Competition from immigrants costs American worker 450 billion a year The Founders wanted to admit only immigrants who would make a net contribution and assimilate Millions of nineteenth century immigrants who couldn t make it in American went back home The percent of foreign born in the United States today is the highest since World War I and this time we re not doing Americanization After Reagan s 1986 Amnesty the illegal population went from 3.2 million to 11 million Over 700 000 foreign visitors to the United States in 2016 overstayed their visas Eighty percent of Central American women and girls who enter the United States illegally are raped along the way Non citizens are only 9 percent of our population but 27 percent of federal prisoners One hundred forty seven million more people from around the world would like to move to the United States

**Politically Incorrect Guide to Real American Heroes** Brion McClanahan, 2012-11-12 As presidential candidates sling dirt at each other America desperately needs a few real heroes Tragically liberal historians and educators have virtually erased traditional American heroes from history According to the Left the Founding Fathers were not noble architects of America but selfish demagogues And self made entrepreneurs like Rockefeller were robber barons and corporate polluters Instead of honoring great men from America s past kids today now idolize rock stars pro athletes and Hollywood celebrities In his new book The Politically Incorrect Guide to Real American Heroes author Brion McClanahan rescues the legendary deeds of the greatest Americans and shows why we ought to venerate heroes like Captain John Smith adventurer Daniel Boone General Robert E Lee and many more The Politically Incorrect Guide to Real American Heroes not only resuscitates America s forgotten heroes but sheds light on the Left s most cherished figures including Franklin Delano Roosevelt and the Kennedys With biting wit and devastating detail McClanahan strikes back against the multicultural narrative peddled by liberal historians who make heroes out of pop culture icons and corrupt politicians In America s hour of peril McClanahan s book is a timely and entertaining call to remember the heritage of this great nation and the heroes who built it

**Politically Incorrect Guide to the Presidents** Steven F. Hayward, 2012-02-13 Larry Schweikart a retired history professor is ready to set the record straight on the American presidents He goes through each of the first 26 presidents from Washington to Taft and debunks myths lies and fake news made fact by the uninformed Discover why George Washington favored American isolationism James Madison supported states rights what Lincoln promised to Southerners about fugitive slaves and why nineteenth century presidents were the last to understand the true role of government So what made these presidents so much better than the ones America has now

Schweikart argues that recent commanders in chief have welcomed crises to advance their own partisan agenda defied the separation of powers the Founders carefully constructed to preserve the Republic and given us every reason to doubt they take the country's interests to heart *Politically Incorrect Guide to Islam (And the Crusades)* Robert Spencer, 2005-08-01

The courageous Robert Spencer busts myths and tells truths about jihadists that no one else will tell MICHELLE MALKIN

While many choose to simply blame the West for provoking terrorists Robert Spencer's new book *The Politically Incorrect Guide to Islam and the Crusades* reveals why it is time to ignore political correctness and identify the enemy if we hope to ever defeat them In a fast paced politically incorrect tour of Islamic teachings and Crusades history Spencer reveals the roots of Islamic violence and hatred Spencer refutes the myths popularized by left wing academics and Islamic apologists who justify their political agendas with contrived historical facts Exposing myth after myth *The Politically Incorrect Guide to Islam and the Crusades* tackles Islam's institutionalized mistreatment of non Muslims the stifling effect Islam has on science and free inquiry the ghastly lure of Islam's X rated Paradise for suicide bombers and jihad terrorists the brutal Islamic conquests of the Christian lands of the Middle East and North Africa and more In *The Politically Incorrect Guide to Islam and the Crusades* you will learn How Muhammad did not teach peace and tolerance instead he led armies and ordered the assassination of his enemies Why American Muslim groups and left wing academics are engaged in a huge cover up of Islamic doctrine and history How today's jihad terrorists following the Qur'an's command to make war on Jews and Christians have the same motives and goals as the Muslims who fought the Crusaders Why the Crusades were not acts of unprovoked aggression by Europe against the Islamic world but a delayed response to centuries of Muslim aggression What must be done today from reading the Qur'an to reclassifying Muslim organizations in order to defeat jihad terrorists *Politically Incorrect Guide to the British Empire* H. W. Crocker, 2011-10-24
