

The Politically Incorrect Guide™ to the **CIVIL WAR**

A part of the bestselling P.I.G. series

You think you know about the Civil War, but did you know:

- ✦ That secession was legal?
- ✦ That the Emancipation Proclamation did not free a single slave
- ✦ That the South had the moral high ground in the war (and the editorial support of the Vatican's own newspaper)
- ✦ That Robert E. Lee and Jefferson Davis thought slavery would fade away naturally
- ✦ That if the South had won, we might be able to enjoy holidays in the sunny Southern state of Cuba?

H.W. Crocker, III Bestselling Author of *Robert E. Lee on Leadership*

Politicall Incorrect Guide To:

Politically Incorrect Guide to Hunting Frank Minitier, 2007-08-21 Why the Left's anti hunting propaganda is dead wrong Nothing is more hated and more misunderstood by the trendy Left than hunting But now intrepid hunter and pro hunting activist Frank Minitier sets the record straight In *The Politically Incorrect Guide*™ to Hunting he details the concrete benefits that hunting provides to all of us even how it helps the environment Speaking with wildlife biologists hunters farmers anti hunters and victims of animal attacks Minitier explains how banning hunting negatively affects wildlife populations and conservation Minitier's fearless politically incorrect take on hunting lays out the facts that liberal enviro nuts don't want you to know

The Politically Incorrect Guide to Socialism Kevin Williamson, 2011-01-10 Argues that the same impulse for control that governed the Soviet Union is present in the American health care and educational systems and that socialism can never work because of human nature

Politically Incorrect Guide to Science Tom Bethell, 2005-11-25 If the globe is warming is mankind responsible or is the sun Such a statement does not appear out of place in Bethell's entertaining account of how modern science is politically motivated and in desperate need of oversight Bethell writes in a compulsively readable style and although he provides legitimate insight into the potential benefits of nuclear power and hormesis some readers will be turned off when he attempts to disprove global warming and especially evolution Throughout the book Bethell makes questionable claims about subjects as varied as AIDS careful U S studies had already shown that at least a thousand sexual contacts are needed to achieve heterosexual transmission of the virus and extinction It is not possible definitely to attribute any given extinction to human activity and backs up his arguments with references to the music magazine SPIN and thriller writer Michael Crichton Ironically Bethell ends up proving his own premise by producing a highly politicized account of how liberal intellectuals and unchecked government agencies have created a white coated priesthood whose lust for grant money has driven them to produce fearsome but in Bethell's view false tales of ozone destruction and AIDS pandemics In the end this book is unlikely to sway readers who aren't already in Bethell's ideological camp as any points worthy of discussion get lost in the glut of unsourced claims that populate this latest installment of *The Politically Incorrect Guide* series

Politically Incorrect Guide to the Presidents Steven F. Hayward, 2012-02-13 Larry Schweikart a retired history professor is ready to set the record straight on the American presidents He goes through each of the first 26 presidents from Washington to Taft and debunks myths lies and fake news made fact by the uninformed Discover why George Washington favored American isolationism James Madison supported states rights what Lincoln promised to Southerners about fugitive slaves and why nineteenth century presidents were the last to understand the true role of government So what made these presidents so much better than the ones America has now Schweikart argues that recent commanders in chief have welcomed crises to advance their own partisan agenda defied the separation of powers the Founders carefully constructed to preserve the Republic and given us every reason to doubt they take the country's interests to heart

Politically Incorrect Guide to the British Empire H. W. Crocker, 2011-10-24 The British Empire the biggest empire in history once ruled a quarter of the globe It was built by an incredible array of swashbuckling soldiers and sailors pirates and adventurers who finally get their due in H W Crocker III s panoramic and provocative view of four hundred years of history that will delight and amuse educate and entertain Strap on your pith helmet for a rollicking ride through some of history s most colorful events Bet your teacher never told you The Founding Fathers didn t rebel against British imperialism they looked forward to the transfer of the great seat of Empire to America The original Norman English invasion of Ireland was approved by the pope Sir Charles Napier commander in chief of the British Army in India abolished the Hindu custom of widow burning Field Marshal Sir Gerald Templer s hearts and minds counter insurgency strategy was instrumental in defeating the Communists in Malaya The breakup of the British Empire led Winston Churchill to conclude that he had achieved nothing in his life

Politically Incorrect Guide to Real American Heroes Brion McClanahan, 2012-11-12 As presidential candidates sling dirt at each other America desperately needs a few real heroes Tragically liberal historians and educators have virtually erased traditional American heroes from history According to the Left the Founding Fathers were not noble architects of America but selfish demagogues And self made entrepreneurs like Rockefeller were robber barons and corporate polluters Instead of honoring great men from America s past kids today now idolize rock stars pro athletes and Hollywood celebrities In his new book The Politically Incorrect Guide to Real American Heroes author Brion McClanahan rescues the legendary deeds of the greatest Americans and shows why we ought to venerate heroes like Captain John Smith adventurer Daniel Boone General Robert E Lee and many more The Politically Incorrect Guide to Real American Heroes not only resuscitates America s forgotten heroes but sheds light on the Left s most cherished figures including Franklin Delano Roosevelt and the Kennedys With biting wit and devastating detail McClanahan strikes back against the multicultural narrative peddled by liberal historians who make heroes out of pop culture icons and corrupt politicians In America s hour of peril McClanahan s book is a timely and entertaining call to remember the heritage of this great nation and the heroes who built it

Politically Incorrect Guide to Western Civilization Anthony Esolen, 2008-05-27 Everything you should know but PC professors won t teach about Western heritage Western civilization is the envy of the globe It has given to the world universally accepted understandings of human rights rooted in Judeo Christian principles created standards for art music and literature that have never been equaled and originated political and social systems that have spread all across the planet Political correctness now obscures these and other truths about Western civilization Leftists and Islamic jihadists find common cause in assailing Western colonialism imperialism and racism as its defining characteristics Guilt ridden Western leaders and public figures speak of their cultural patrimony in disparaging terms they would never dare to use about a non Western culture And in universities multicultural minded professors flatter students into believing they have nothing really to learn from Sophocles or Shakespeare But now Professor Anthony Esolen one of the team teachers of Providence College s

esteemed Development of Western Civilization Core Curriculum has risen to the West's defense. The Politically Incorrect Guide to Western Civilization takes on the prevailing liberal assumptions that make Western civilization the universal whipping boy for today's global problems and introduces you to the significant events, individuals, nations, ideas, and artistic achievements that make Western civilization the greatest the world has ever known. Today, defending the West has become an urgent imperative: if we don't value what we have and what we have inherited, we will surely lose it. The Politically Incorrect Guide to Western Civilization is an essential sourcebook for that defense.

Politically Incorrect Guide to the Founding Fathers Brion McClanahan, 2009-06-30. The truth revealed and PC myths shattered about the Founding Fathers. Tom Brokaw labeled the World War II generation the Greatest Generation, but he was wrong. That honor belongs to the Founders, the men who pledged their lives, fortunes, and sacred honor for the cause of liberty and independence and who established the United States. This was a generation without equal, and it deserves to be rescued from the politically correct textbooks, teachers, and professors who want to dismiss the Founders as a cadre of dead white sexist slave holding males. Now a clear sighted conservative historian, Dr. Brion McClanahan does just that. In The Politically Incorrect Guide to the Founding Fathers, he profiles Washington, Adams, Jefferson, Madison, Franklin, and other important Founders, traces the key issues of the day, and shows how they dealt with them, and in the process details the Founders' deep faith, commitment to the cause of independence, impeccable character, and visionary political ideals. Even better, The Politically Incorrect Guide to the Founding Fathers proves that the Founders had a better understanding of the problems we face today than do our own members of Congress. McClanahan shows that if you want real and relevant insights into the issues of banking, war, powers, executive authority, freedom of the press, freedom of speech, freedom of religion, states' rights, gun control, judicial activism, trade, and taxes, you'd be better served reading the Founders than you would be watching congressional debates on C-SPAN or reading the New York Times. The Politically Incorrect Guide to the Founding Fathers is a vital guide to restoring a sane, sober Constitutional sense of responsibility to today's public debates.

Politically Incorrect Guide to the Constitution Kevin Gutzman, 2007-06-11. The Constitution of the United States created a representative republic marked by federalism and the separation of powers. Yet numerous federal judges, led by the Supreme Court, have used the Constitution as a blank check to substitute their own views on hot button issues such as abortion, capital punishment, and same-sex marriage for perfectly constitutional laws enacted by We the People through our elected representatives. Now The Politically Incorrect Guide to the Constitution shows that there is very little relationship between the Constitution as ratified by the thirteen original states more than two centuries ago and the constitutional law imposed upon us since then. Instead of the system of state level decision makers and elected officials, the Constitution was intended to create judges, but they have given us a highly centralized system in which bureaucrats and appointed, not elected, officials make most of the important policies. In The Politically Incorrect Guide to the Constitution, Professor Kevin Gutzman explains how the Constitution was understood by the founders.

who wrote it and the people who ratified it Follows the Supreme Court as it uses the fig leaf of the Constitution to cover its naked usurpation of the rights and powers the Constitution explicitly reserves to the states and to the people Slid from the Constitution s republican federal government with its very limited powers to an unrepublican judgeocracy with limitless powers How the Fourteenth Amendment has been twisted to use the Bill of Rights as a check on state power instead of on federal power as originally intended The radical inconsistency between constitutional law and the rule of law Contends that the judges who receive the most attention in history books are celebrated for acting against the Constitution rather than for it As Professor Gutzman shows constitutional law is supposed to apply the Constitution s plain meaning to prevent judges presidents and congresses from overstepping their authority If we want to return to the founding fathers vision of the Republic if we want the Constitution enforced in the way it was explained to the people at the time of its ratification then we have to overcome the received wisdom about what constitutional law is The Politically Incorrect Guide to the Constitution is an important step in that direction

Politically Incorrect Guide to Immigration John Zmirak, Al Perrotta, 2018-05-21

America s immigration crisis is out of control Unregulated immigration has led to an increase in crime a loss of working class jobs an inflated welfare state and an elevated amount of terror threats on our home territory The clash of differing emotions facts and opinions reveal that this issue is not simply a nationwide disagreement it is an American crisis In The Politically Incorrect Guide to Immigration authors John Zmirak and Al Perrotta debunk the Left s most deceptive myths on this complex policy issue and reveal the huge implications that lie ahead for our nation s future Zmirak and Perrotta set the record straight on the history of American immigration uncover the principles with which our forefathers migrated to America affirm the respect with which migrants should treat our country if they wish to live here and assert real solutions to the immigration crisis America faces The Politically Incorrect Guide to Immigration equips readers with real life statistics and information and is packed with targeted arguments to help convince even the staunchest advocates for open borders that America needs to build The Wall You may think you know all about immigration but in The Politically Incorrect Guide to Immigration you ll learn Building The Wall would cost less than half of what we spend to educate illegal immigrants every year Illegal immigration costs American taxpayers 116 billion a year 62% of naturalized immigrants are for the Democrats only 25% are for the Republicans Competition from immigrants costs American worker 450 billion a year The Founders wanted to admit only immigrants who would make a net contribution and assimilate Millions of nineteenth century immigrants who couldn t make it in American went back home The percent of foreign born in the United States today is the highest since World War I and this time we re not doing Americanization After Reagan s 1986 Amnesty the illegal population went from 3.2 million to 11 million Over 700 000 foreign visitors to the United States in 2016 overstayed their visas Eighty percent of Central American women and girls who enter the United States illegally are raped along the way Non citizens are only 9 percent of our population but 27 percent of federal prisoners One hundred forty seven million more people from around the world would

like to move to the United States [Politically Incorrect Guide to Catholicism](#) John Zmirak,2016-09-26 A book to challenge the status quo spark a debate and get people talking about the issues and questions we face as a country **Politically Incorrect Guide to American History** Thomas E.
