[illegible]

During the past several years, the Department of Justice has been actively engaged in a series of efforts to improve the quality of the federal judiciary. These efforts have been focused on the areas of judicial selection, judicial administration, and judicial education. The Department has also been working to improve the public's understanding of the federal judiciary and to increase the public's confidence in the federal judiciary. These efforts have been successful in many respects, and the Department is committed to continuing these efforts in the future.
