These weren't wealth privilege or even genius. What all of these exceptional men and women shared was that they had chosen to make a big bet, take bold risks, learn from their failures, reach beyond their bubbles, and let urgency conquer fear. Throughout *Be Fearless*, Jean vividly illustrates these principles through storytelling from her own transformational life experiences to Jane Goodall's remarkable breakthroughs in understanding and protecting chimpanzees, to celebrity chef Jos Andr's decision to be a first responder and take his kitchen to the sites of devastating hurricanes to feed the hungry, to Madame C. J. Walker's vision to build a hair care empire that would employ thousands across the country and more. She shares new insights to stories you might think you know like Airbnb's tale of starting from scratch to transform the hospitality industry, to John F. Kennedy's history-making moonshot and gems from changemakers you've never heard of. *Be Fearless* features a compelling foreword from Jane Goodall saying there is no time in history when it has been more important to *Be Fearless*, and a new afterword with stories of people inspired to take action after reading the book.
