## **Shadows Over The White House The Mafia And The President:**

*Shadows Over the White House* Thomas A. Reppetto, 2015 The shocking story of the Mob's influence in American politics since the 1944 presidential election that endures to this day      **The Mafia's President** Don Fulsom, 2017-11-14 The first ever full account of Nixon's extensive ties to the American Mafia from a veteran White House reporter Unbeknownst to most people even now the election of 1968 placed the patron saint of the Mafia in the White House In other words Richard Nixon would go on to not only lead a criminal presidency he would be totally indebted to our nation's top mobsters By 1969 thanks in large part to his long time campaign manager and political advisor Murray Chotiner a lawyer who specialized in representing mobsters Nixon had participated in secret criminal dealings for more than 20 years with sketchy figures such as Mickey Cohen Mob financial guru Meyer Lansky Teamsters union chief Jimmy Hoffa and New Orleans Mafia boss Carlos Marcello And with Chotiner as one of his key behind the scenes advisors in the White House Nixon's ties to the Mafia didn't end there The Mafia's President reveals a mind blowing litany of favors Nixon exchanged with these sinister characters over decades ranging from springing Jimmy Hoffa from prison to banning the federal government from using the terms Mafia and La Cosa Nostra Drawing on newly released government tapes documents and other fresh information The Mafia's President by Don Fulsom offers a carefully reported deeply researched account of Richard Nixon's secret connections to America's top crime lords      **Out from the Shadow** Maurice A. Butler, 2012-09 This is a story about a man who came from humble beginnings and ended up at the crest of power in Washington and Moscow The story takes us into the depths of a racially segregated South to the desperate streets of New York City where criminals and crime fighters fought for control and to an America reeling from the assassination of its political leaders It is the story of the growth of America It is the story of a man who kept scaling seemingly insurmountable walls as he fought for justice This is the story of Charles LeRoy Gittens      [The Case for Biblical Antichrist, Global Government, and the Man Chosen to Save America](#) Luis Munoz, 2024-11-04 The godfather of the global mafia Rockefeller indicated that he and other globalists are relying on the right major crisis and the nations will accept the New World Order Moreover the renowned globalist and Obama's advisor Strobe Talbott said In the next century 21st nations as we know it will be obsolete all states will recognize a single global authority National sovereignty wasn't such a great idea after all And James Paul Warburg said We shall have World Government whether or not we like it The only question is whether World Government will be achieved by consent or conquest Who are America's true enemies How are they operating inside America How are they plotting to destroy America's democracy and sovereignty Robert F Kennedy Jr on April 1 2024 told CNN I can make the argument that President Biden is a much worse threat to democracy than Trump Again Robert on April 2 2024 told Fox News President Biden has done something no other president has done which is to order media particularly social media Facebook Instagram to censor his political opponent President Biden is a much worse threat to democracy and the reason for that is President Biden is the first candidate in history the first president in history that has

used the federal agencies to censor political speech to censor his opponent And he added that Biden is a genuine threat to our democracy Keep in mind that Robert K is a liberal Democrat Former president Barack Obama and his wife Michael are using their Netflix Predictive Programming movie Leave the World Behind to reveal how he and the global gang intend to put the US government under a global dictatorship Their plot includes A simple three stage maneuver that could topple a country s government from within That country s government is no other but the US government which will be the real target for a coup d etat and civil war The first maneuver to destroy America is Isolation By that they mean disabling the sectors of communication and transportation making the target as deaf dumb and paralyzed as possible The second maneuver consists of creating a synchronized chaos to terrorize the American people with covert attacks and misinformation overwhelming their defense capabilities and leaving their weapon system vulnerable to extremists and their own military Without a clear enemy or motive people would start turning on each other If done successfully the third stage would happen on its own The Obama Netflix civil war movie describes the globalists plot to create the right major crisis that they have envisioned to establish a global government The plot seems to include widespread use of state terrorism to attack America from within with tens of thousands of radical Muslim terrorists that are already in America The goal is to topple the US government declare martial law change the Constitution and put the country under a global tyranny I am using this book to show that Obama and Biden have been working in league with the evil global mafia to cement America s transition from democracy to dictatorship Also this book shows the globalists plot for world government and the man with the call and vision to lead it Barack H Obama the biblical Antichrist and awaited Mahdi of Islam Therefore Americans have a critical choice to make choose Obama s radicalized democrat gang and you will destroy America s democracy and sovereignty Choose Donald Trump and you will empower the man called to defeat the enemies of humanity and tyranny Trump is the man destined to vindicate God s name and restore America to its rightful place before God takes His people in the rapture [Borgata: Clash of Titans](#) Louis Ferrante,2025-01-07 This epic three volume history of the mafia continues with Borgata Clash of Titans covering 1960 to 1985 as the mob comes into conflict with the American political elite and confronts internal wars that will shake the organization to its foundations The first serious external threat to the mafia s existence in America comes from U S Attorney General Robert F Kennedy who repeatedly expresses his desire to eradicate organized crime in America Kennedy unleashes the full force of the U S Justice Department including a slumbering FBI that Kennedy will drag into the fray to the apparent dismay of long time FBI Director J Edgar Hoover The mafia s unforgiving response is executed by Louisiana don Carlos Marcello along with Florida don Santo Trafficante who together take aim at the attorney general s brother the president of the United States With the president dead and the attorney general out of office things return to normal for the mob but internal problems begin to appear within a number of borgatas shaking the mafia to its core Mobster Joe Valachi becomes the first ever public informant when he testifies before a senate sub committee while Brooklyn mobsters Larry Albert and

Crazy Joe Gallo launch an insurrection against the founder and leader of their borgata Joe Profaci While the Gallo Profaci civil war is winding down don Joe Bonanno challenges the mafia s ruling body the Commission in a situation that decides if the Commission s central authority can overpower the autonomy of each individual boss As he did in the first volume of this epic history Louis Ferrante continues to debunk myths while adding new insights into other mafia mysteries such as the feud between mafia capo Anthony Tony Pro Provenzano and union leader Jimmy Hoffa revealing the most plausible scenario of why Hoffa died how he was killed and what happened to his body *The Bay of Pigs* Howard Jones,2008 Jones provides an account of President Eisenhower s disastrous attempt to overthrow Fidel Castro He examines the train of missteps and self deceptions that led to the invasion of the Bay of Pigs by U S trained exiles *In Sputnik's Shadow* Zuoyue Wang,2009 In Sputnik s Shadow traces the rise and fall of the President s Science Advisory Committee from its ascendance under Eisenhower to its demise during the Nixon years Zuoyue Wang examines key turning points during the twentieth century including the beginning of the Cold War the debates over nuclear weapons the Sputnik crisis in 1957 the struggle over the Vietnam War and the eventual end of the Cold War showing how the involvement of scientists in executive policymaking evolved over time and brings new insights to the intellectual social and cultural histories of the era *The Documentary History of the John F. Kennedy Presidency: The 1960 presidential debates* ,2005 *The Shadow Society* Walter Ritke,2007-02 Obsessed with world peace the President neglects to control the chaos at home A vision tells him the Essence of the Creator can unify different beliefs His wife claims the disparities between people can t be resolved Her concern deepens after the assassination attempt When he has a severe breakdown the Vice President orders martial law to control the anarchy and promotes a shadow society so the country can survive in peaceful isolation amid the nuclear devastation and chaos in the world She thinks the society is possible if Compy a dangerously powerful new computer brain is given the President s vision of the Essence so it understands people He returns to office and decides that Compy has no affect on nations that refuse to accept the Essence and it would use up needed resources He orders work on the shadow society be stopped until his Vice President s fears are realized **Conspiracy in Camelot** Jerome A. Kroth,2003 This complete and up to date synopsis of the assassination of JFK the actors witnesses and investigators weighs the different theories and looks at the drama as both a detective story and a defining moment in American mass psychology *The Venture Alchemists* Rob Lalka,2024-05-14 Gold Medalist 2025 Axiom Business Book Awards Business Ethics Future Trends category Shortlist 2024 Best in Business Book Awards Society for Advancing Business Editing and Writing We once idolized tech entrepreneurs for creating innovations that seemed like modern miracles Yet our faith has been shattered We now blame them for spreading lies breaking laws and causing chaos Yesterday s Silicon Valley darlings have become today s Big Tech villains Which is it Are they superheroes or scoundrels Or is it more complicated some blend of both In *The Venture Alchemists* Rob Lalka demystifies how tech entrepreneurs built empires that made trillions Meta started as a cruel Halloween prank Alphabet

began as a master's thesis that warned against corporate deception and Palantir came from a campus controversy over hateful speech. These largely forgotten origin stories show how ordinary fears and youthful ambitions shaped their ventures, making each tech tale relatable both wonderfully and tragically human. Readers learn about the adversities tech entrepreneurs overcame, the troubling tradeoffs they made, and the tremendous power they now wield. Using leaked documents and previously unpublished archival material, Lalka takes readers inside Big Tech's worst exploitations and abuses alongside many good intentions and moral compromises. But this story remains unfinished, and *The Venture Alchemists* ultimately offers hope from the people who decades ago warned about the risks of the emerging Internet. Their insights illuminate a path toward more responsible innovations so that technologies aren't dangerous weapons but valuable tools that ensure progress, improve society, and enhance our daily lives.

**The Documentary History of the John F. Kennedy Presidency: The 1960 election and the religion question** Lewis L. Gould, 2005 **Congressional Record** United States Congress, 1979. The *Congressional Record* is the official record of the proceedings and debates of the United States Congress. It is published daily when Congress is in session. The *Congressional Record* began publication in 1873. Debates for sessions prior to 1873 are recorded in *The Debates and Proceedings in the Congress of the United States* 1789-1824, the *Register of Debates in Congress* 1824-1837, and the *Congressional Globe* 1833-1873. *Intelligence in an Insecure World* Peter Gill, Mark Phythian, 2006-08-29. What exactly is intelligence? Who seeks to develop it and how? What happens to the intelligence that is produced? This book explores these and other key questions while examining the limits of intelligence, intelligence failures, and the relationship between intelligence and processes of public and private governance. The book closes with a consideration of the need for democratic control of intelligence to prevent potential abuse by unaccountable state or corporate agencies.

**A Farewell to Justice** Joan Mellen, 2013-09-01. Working with thousands of previously unreleased documents and drawing on more than one thousand interviews with many witnesses speaking out for the first time, Joan Mellen revisits the investigation of New Orleans district attorney Jim Garrison, the only public official to have indicted in 1969 a suspect in President John F. Kennedy's murder. Garrison began by exposing the contradictions in the Warren Report, which concluded that Lee Harvey Oswald was an unstable pro-Castro Marxist who acted alone in killing Kennedy. *A Farewell to Justice* reveals that Oswald, no Marxist, was in fact working with both the FBI and the CIA, as well as with US Customs, and that the attempts to sabotage Garrison's investigation reached the highest levels of the US government. Garrison's suspects included CIA-sponsored soldiers of fortune enlisted in assassination attempts against Fidel Castro, an anti-Castro Cuban asset, and a young runner for the conspirators interviewed here for the first time by the author. Building upon Garrison's effort, Mellen uncovers decisive new evidence and clearly establishes the intelligence agencies' roles in both a president's assassination and its cover-up. In this revised edition to be published in time for the fiftieth anniversary of the president's assassination, the author reveals new sources and recently uncovered documents confirming in greater detail just

how involved the CIA was in the events of November 22 1963 More than one hundred new pages add critical evidence and information into one of the most significant events in human history

**Killing Made Men** Kyle Mccaskill, 2025-06-13 Two Iconic Crime Lords Two Identical Heart Attacks One Explosive Theory Their deaths were recorded as natural The timing was anything but As Lucky Luciano finalized his tell all biopic at Naples Airport in 1962 Italian police prepared to arrest him for running a global heroin empire He collapsed of heart failure minutes later Six years later Harlem s feared kingpin Bumpy Johnson facing life in prison for a nationwide narcotics operation dropped dead eating lunch in New York His cause of death The same convenient diagnosis congestive heart failure Now We ask questions about a chilling pattern Could it be The CIA s secret alliance with organized crime during the Cold War Toxin programs designed to induce undetectable heart attacks A systematic silencing of witnesses who knew too much The Naples Convenience uncover Luciano s shadow role in CIA Mafia plots and the medical contradictions surrounding his death Harlem s Last Supper follow Bumpy Johnson s battle against federal prosecutors and the forensic anomalies ignored after his collapse Why did the world s most powerful intelligence agency target these men What secrets died with them And how did identical heart attacks deliver perfect justice for the state Killing Made Men weaves forensic evidence witness testimony and geopolitical analysis into a gripping investigation that asks Were two of history s greatest crime bosses eliminated by the very government that hunted them Perfect for readers of Killers of the Flower Moon Chaos by Tom O Neill The Devil s Chessboard

[The Documentary History of the John F. Kennedy Presidency](#) Lewis L. Gould, 2005

**The Documentary History of the John F. Kennedy Presidency: JFK and the Evaluation of the American Space Program**, 2005

**The Secret Fidel Castro** Servando Gonzalez, 2001 The Secret Fidel Castro is neither a history of the Cuban revolution nor a biography of Fidel Castro The book was written following what intelligence services call a CPP short for Comprehensive Personality Profile similar to the ones intelligence services keep on foreign leaders It focuses on different aspects of Castro s actions and personality which for some reasons have been either ignored misunderstood or misrepresented The main thesis of this book is that there are many different Castros The most widely known is the symbolic public one as it has been portrayed in official Cuban propaganda Castro friendly biographies and mainstream American media But there are also many secret Castros highly different from the public one The Secret Fidel Castro focuses on little known aspects of Castro s personality important in the better understanding of the man and his actions what really makes him tick

**The Quiet Companion** Peter Chatelain, 2009-04-17 President elect Kennedy spends November 18 1960 alone at his parents home on Palm Beach He meets Enid an attractive painter by the water The chance encounter triggers his puzzling decision to return to Florida immediately after Thanksgiving leaving his heavily pregnant wife Jacqueline behind Enid becomes the President s best kept secret and unbeknown to him much more than that This presidency is strewn with dark mysteries from the demise of Marilyn Monroe to that of JFK himself passing by the sidelining of lover Judith Exner the forced repatriation of german model Ellen Rometsch the wrath of Sinatra the motives of Mafia

bosses Giancana and Trafficante the ominous warning to Press Secretary Salinger and the political survival of Edgar Hoover Because Enid is not whom she seems So who is this intelligent redhead with gazelle eyes who loves and dreams in the shadow of a president Is she acting for others If she is genuinely enamoured with JFK she doesn't save him from the gun And why does Mary Meyer JFK's lifelong friend meet the same fate thereafter Masterly crafted around historical accounts The Quiet Companion captures the reader in a fascinating web of intrigue until the last breathtaking page
