No Longer Alone Through the Valley Josephine Ng, 2015-09-11 What do you do when faced with persistent physical hurdles You may do your best to follow medical instructions and take your prescribed medications expecting to get better But what do you do when medication can only do so much Life is made of unequal struggles and author Josephine Ng certainly had her share In *No Longer Alone through the Valley* she describes more than forty years of health problems With few resources and opportunities her options were scarce and her ideals often collided with unfulfilled expectations She lost motivation abandoned her dreams and became frustrated with recurring obstacles But finally she found solace acceptance and identity in the Bible Men and women of the Bible grapple with failures and future goals Ng found encouragement in their stories and their strength and she shows how you can too Although Ng continues to wrestle with challenges and adjustments to life's unpredictable changes remain in her life she is no longer alone in dealing with those problems *No Longer Alone through the Valley* seeks to help you find Jesus gifts to guide you through your challenges whatever they might be All you have to do is ask Wow! My Soul Cried Out...But I Could Not Weep Elisabeth Holyday,2011-12-13 A small town country girl from humble beginnings with a passion for music and church is trapped for decades with a traumatic secret that changed the direction of her life This playful happy go lucky little girl who once indulged in solving arithmetic that went far beyond her tender age and running home from school to get to the Wednesday night Prayer Meetings now gives a refreshingly tasteful view of life at home with her mother and siblings rich in love though shadowed with poverty The extent she went to spare her mother from more heartache when she faced her worst nightmare is a testament to her resounding strength to protect her mother at all cost but it wasn't enough to shield her from the effects of what her silence would cost her in the years ahead At times it's like a story out of a fiction movie unfortunately it's not It is the story of a real person a mother who is forced to share her story so her children can finally know the truth Tumultuous yet inspiring every ounce of this soul was put to the test but her faith withstood them all The courage to always get up and keep going despite obstacles and the determination to survive not so much for herself but for her children and her mother makes this a book for every mother daughter and sister It can only be concurred that the loving bond Elisabeth had with her Mom and the love she got in return along with everything she learned in Church and Sunday school shaped and moulded this precious soul for the unimaginable road she would walk ALONE And now twenty five years after her daughter said to her Mom of all the books you have read there's a book that has not been written and that's your book Elisabeth finally speaks
