The Saint Goes On The Saint 14:

The Superstitious Mind Judith Devlin, 1987-01-01 This intriguing book examines popular religion traditional medicine witchcraft apparitions demonology and magic in nineteenth century rural France Devlin demonstrates that many of the impulses and mental processes now considered superstitious constituted a wholly reasonable response to the pressures of a harsh and impoverished life Far from the product of a primitive mentality many of these beliefs have survived in modern culture and can even illuminate the nature of modern mass politics Sharing God's Good Company David Matzko McCarthy, 2012-06-19 Explores the role and significance of the saints in Christians lives today While examining the lives of specific saints like Martin de Porres Therese de Lisieux and Mother Teresa McCarthy especially focuses on such topics as the veneration of martyrs realism and hagiography science and miracles images and pilgrimage and why the saints continue to captivate Christians and inspire devotion **State and Locality in Mughal India** Farhat Hasan, 2004-11-11 This book presents an exploratory study of the Mughal state and its negotiation with local power relations By studying the state from the perspective of the localities and not from that of the Mughal Court it shifts the focus from the imperial grid to the local arenas and more significantly from form to process As a result the book offers a new interpretation of the system of rule based on an appreciation of the local experience of imperial sovereignty and the inter connections between the state and the local power relations The book knits together the systems and action theoretic approaches to power and presents the Mughal state as a dynamic structure in constant change and conflict The study based on hitherto unexamined local evidence highlights the extent to which the interactions between state and society helped to shape the rule structure the normative system and the moral economy of the state English Church Dedications Nicholas Orme, 1996 Church dedications are as widely used as they are little studied yet their histories are often obscure and complicated Frequently forgotten after the Reformation they were revived on the eighteenth and nineteenth centuries with many guesses and mistakes resulting in numerous alterations Church history cannot safely be based on the dedication in use today Part One of the book surveys their history in England from roman ties to the present day Part Two is detailed list of all 800 ancient parish churches and religious houses in Cornwall and Devon It shows when their dedications first occur the changes and misunderstandings that have happened and the dates of parish feast days Cornwall is a country of Celtic church dedication whilst Devon s resemble this of the rest of England so the book will be helpful in understanding dedications in both traditions **Saints' Legends in Medieval Sarum Breviaries** Sherry L.
