Holmes of the Raj Vithal Rajan, 2011-12-12 It is 1888 As Central Asia reels under the intrigues of the Great Game Sherlock Holmes and Dr Watson sail to India on a secret mission in the service of Empire The accountant of a Hindu monastery has been brutally murdered and the head priest is the prime suspect But as both detective and doctor soon discover their Indian autumn has only just begun They are plunged into a series of adventures that take them from Madras and Pondicherry to the princely courts of Hyderabad the uncharted jungles of the Central Provinces pine scented Nainital and the bustling metropolis of Calcutta Even as Holmes unravels sinister plots Watson busies himself helping Ronald Ross track the malaria parasite and advising a schoolboy called Dhyan Chand on the finer points of hockey The six stories in Holmes of the Raj are delightful vignettes of life and politics in colonial India Vithal Rajan breathes life into historical characters as Holmes and Watson meet Lord Ripon Madame Blavatsky Francis Younghusband Kipling and Kim himself Vivekananda Aurobindo Ramanujan Motilal Nehru Tagore Jinnah and many many others Sprightly colourful and remarkably faithful to Conan Doyle this is an unforgettable collection The Scent of My Son, In God We Trust Adrienne Miranda, 2014-12-30 The Scent of My Son In God we Trust is a true story about a mother's quest for justice for her beloved son Joseph Miranda was brutally killed at the age of 19 while working for a landscaping company Adrienne Miranda his mother knew that after many meetings with police and other government entities in Maryland that nothing they were telling her made any sense She researched wrote numerous letters made countless phone calls and attended several meetings These public servants resisted Adrienne's efforts and valid questions. They lied repeatedly withheld crucial police reports withheld crime scene photographs from the Medical Examiners and ignored her Adrienne Miranda worked diligently and all she ever wanted was truth and justice for Joseph She vowed to be his voice and promised to never never give up never Once Adrienne was able to obtain the necessary reports and evidence needed she met with the Medical Examiners in Maryland They reviewed and examined everything and concluded Joseph's death was a homicide by assault Joseph's death certificate is recorded in vital records and confirms that a crime definitely occurred that took Joseph's young life However the opposition and adversity that Adrienne and her family faced from local and state prosecutors was and is unconscionable They committed despicable malfeasance and twisted and distorted tactics The local state prosecutor wrote in a letter to the Chief Medical Examiner and his Assistant that he did not agree with their conclusion of homicide and states Joseph's death was an accident Despite all of the physics evidence forensics and scientific proof the local and state prosecutors went against the highly qualified and exceptionally skilled coroners and their confirmed conclusion It will be eight years on July 20th since Adrienne and her family have survived this living nightmare The only thing that has kept Adrienne strong and moving forward is her undying love for Joseph and her love and unshakable faith in Almighty God She knows that with God all things are possible and that our Lord has called her to respond and to act She trust in the Lord with all of her mind heart body and soul Take the

journey with us The story is true compelling intriguing and inspiring You will be lifted up and feel hope love courage and an awakening Always and forever keep the faith Sermons from the Fount Dr Tommy Mthembu, 2013-09-26 CHAPTER 1 In the very first chapter a discussion is opened and titled open the eyes of my heart Lord This sets up the main running theme of the book that Gods guidance direction and path be every believers aim and focus God is shown as the final arbiter in all of mans affairs We are encouraged to seek the revealed truth in our lives Our prayer and wish should be that God directs all our ways The story of the prophet Elisha under attack is used to illustrate Gods providence for his children Because Elishas spiritual eyes are open he is not filled with fear and panic in light of his enemies but is reassured of Gods protective shield over his life God surrounds his children with his love God is a warrior and fights our battles CHAPTER 2 Nothing is too hard for the Lord Sarah and Abraham had been married for a long time and had no children They even tried to help God in this regard but their attempt was remiss Our faith in God helps us to get results that are otherwise impossible Sarah was rich had a large household servants and animals and all but lacked one thing a son she could call her own This became a source of misery and ridicule for her As rich as she was when people looked at her they just remembered her shortcoming and constantly reminded her about it Her faith gave birth to strength and power Through the faithfulness of God and her practicing faith principles she bore a son when all hope was lost Read her story to build your faith and see your trust in God soar CHAPTER 3 The book of James admonishes Christians to be glad when they face tough testing situations This results in patience a requisite believers virtue Temptations and trials may leave us broken dejected and discouraged We may be broken but not valueless because God sees value in us however our status as he is in the business of transforming our lives God is able to spring to life and guicken our spirit even after adverse experiences. The life of Paul the apostle is used to illustrate that we can endure all sorts of persecution to remain in focus on the right path and remain resolute in our faith Like a diamond we can withstand pressure in order to let our light shine through CHAPTER 4 God is powerful far beyond our imagination or comprehension there is no limit to what He can do Its only when we come to Him that we can reach our fullest potential God also possess all wisdom This is why it is not prudent to put ones trust in the help of man Gods wisdom does not fail The story of Noah teaches us that through Gods wisdom he an unlearned and unqualified engineer built maintained sailed and saved humanity and all animals all at once Can you begin to marvel at the plumbing and ablution feat this must have been Everything we are capable of counts for nothing if the source is not God He has the power to change the times and the seasons of our lives He can change your time of mourning into a time of joy God is all powerful everything on earth is under His control CHAPTER 5 Sometimes the troubles and tribulations that follow us cant seem to have an end They leave us feeling forsaken We may remove our eyes from God and focus on them An account of how the children of Israel were faced with their enemy on countless occasions but finally prevailed is given Gods leading through Moses and Aaron is expounded Against Pharaoh they had an indomitable ferocious stubborn adversary Time after time even after relenting he would be

oppressively behind the children of Israel I show in this account that no matter how many our enemies no matter how well armed no matter our humble unprotected lowly position God fights our battles for us We know we can prevail through him CHAPTER 6 The book of Ezra depicts a picture of a people who were heavily discouraged It speaks of people who were told they would never finish what God had commissioned them to do Zerubbabel is the leader at th Donahoe's Magazine, 1888
