Second Thoughts about the Second Coming Joe Reeves, 2011-10 In the book Second Thoughts About The Second Coming teacher author and systems engineer Joe Reeves deals with many aspects of the idea of Jesus second coming that are seldom considered by modern Christians but he does so from the standpoint of asking several critical questions The basic questions he asks and answers in this book are can a book of scripture at some later date come to mean what it never meant Can a scriptural text at a later date come to mean what the author obviously did not intend it to mean to those of his original envisioned recipients to whom he wrote and a meaning that the first recipients simply would not have understood Then based on those answers he asks and answers several questions about Jesus resurrection His resurrected nature and His ascension Then based on the biblical answers to those questions asks and answers the question about whether or not Jesus and the biblical writers predicted a second coming Using those questions and the question of specifically what would those first century Christians have understood about what modern interpreters call Jesus second coming as the basis for study Joe uses his training and experience in systems thinking Bible history cultural anthropology and logic and philosophical realism to formulate a system of thinking that challenges many of the modern assumptions upon which the four most common doctrines about Jesus second coming are based For the person who wishes to learn more about how the first Christians would have used and understood

the writings they received about Jesus and His life after His resurrection this book is a must read The Certainty of the Second Coming Ernest Edward Zinke,2000 The Second Coming of Jesus is the capstone of Scripture But how does it relate to other teachings of the Bible In what way are doctrines that launched the Protestant Reformation foundational to the certainty of the Advent Ed Zinke connects the dots to reveal not only a coherent system of truth we can trust but a reliable God we can love He shows that doctrine is not an end in itself but a means of understanding the One who is coming for us This is a full message book Foreword Introduction Is Christianity Christian The Authority of the Bible and the Certainty of the Second Coming Creation and the Certainty of the Second Coming Of Relative Truths and Redemptive Symbols The First Coming Prepares for the Second Coming Salvation and the Certainty of the Second Coming The Sanctuary and the Second Coming Such a Cloud of Witnesses and the Second Coming The Witness of the Remnant and the Second Coming Should Our Nineteenth Century Prophetic Schema Be Revised The Certainty of the Second Coming The Millennium the Destruction of the Wicked and the New Earth God Reveals His Righteousness **I Believe in the Second Coming of Jesus** Stephen Travis,1982 **The Second Coming** Joel D. Anastasi,2008-09 Two thousand years ago the Archangel Gabriel announced the coming of a new age with the birth of Jesus the Christ Now Gabriel is proclaiming a new 2 000 year age one of man s spiritual unity This New Age was born January 23 1997 when planets aligned to form a six point star the same configuration that announced Jesus birth 2 000 years ago In this New Age humans will follow the pattern of self mastery that Jesus demonstrated to awaken the soul This Gabriel says is the Second Coming It is not The Christ the man coming to rescue and save you What he was telling you was that the Christ lies within you You are the Christ The time in evolution has come for the Christ Consciousness the soul to awaken in all humankind We come to give you the step by step process for the awakening of the Christ Consciousness in all humanity In this in depth and intriguing interview Joel D Anastasi has transcribed wisdom received from the Archangel Gabriel who communicated to Joel through trance channel Robert Baker his spiritual advisor Working from hundreds of pages of interviews Anastasi not only shares Gabriel s wisdom on great spiritual themes but also provides Energizing Exercises to prepare you for the awakening of the soul **Have We Missed the Second Coming?** Kenneth L. Gentry,2016-07-19 A new and growing aberration in evangelical prophecy circles is the view that the Second Coming of Christ occurred at the destruction of the Jewish Temple in AD 70 Many Christians are being confused because of the similar language used in Scripture to refer to Jesus s return at the end of history which also applies to the temple s destruction This new movement has developed a cult like zeal and is causing trouble in many local churches and confusion among numerous Christians This book demonstrates the error of the Hyper preterist viewpoint This error teaches that 1 Christ returned at the judgment of the temple 2 the resurrection occurred at that time and there is no future bodily resurrection 3 that AD 70 was the Final Judgment spoken of by Christ and the Apostles and 4 that history will never end **Discovering the Events of the Second Coming** Paul Bortolazzo,2018-08-14 WHAT EVENTS WILL TAKE PLACE

DURING THE SECOND COMING OF CHRIST Discovering the events Jesus will fulfill during His Second Coming is the key to understanding The Revelation of Jesus Christ Paul Bortolazzo As we edge toward the Coming of our Lord the Holy Spirit is sending forth Watchmen teaching The Revelation of Jesus Christ Believers keeping the things written in this book are being blessed There is also a warning not to take away from the words of this prophecy For those who do God will take away their part in the Book of Life and the Holy Jerusalem If anyone takes away from the words of the book of this prophecy God shall take away his part from the Book of Life from the holy city and from the things which are written in this book Revelation 22 19 Today many believe the Second Coming is a single event Sadly when you begin with a false premise you always end with a false conclusion His Coming having a beginning and an ending is a profound revelation John wrote down the events Jesus will fulfill during His Second Coming The coming of The Son of Man The return of The Holy One The appearing of The Word of God The descent of The Lamb of God Why is this so important Discovering the events taking place before during and after the Second Coming will prepare you to overcome during the future Great Tribulation of the saints

The Second Coming Daniel F. Lamb, 2014-11-07 This is the story of Bobby McGee a young man growing up in a rural Florida Panhandle town as seen through the eyes of Bobby himself We witness through his eyes how his father the Reverend McGee leads his flock of followers to hope and ultimately religious ecstasy in the promise of the Second Coming and then we witness their plunge into the anguish of defeat We follow Bobby's innocent humor as he zeroes in on the human condition and adult hypocrisy We also witness Bobby's own loneliness and despair in his desire for a young woman he cannot have We listen to the stories of his savior Jorje Carlyle and follow his wanderings as a runaway fleeing the disaster of lost hope We are left nearly breathless as he seeks shelter with another savior the hobo Joey Kline in a North Dakota blizzard Then we enter the theater of the absurd as we witness his encounter with the evangelist in Seattle We then witness his lowest ebb homeless with Bubba on the streets of San Francisco But finally we meet Stephanie and witness their romantic love for each other as well as their ecstatic date with eternity And then there is the professor and the nude beach

The Jewish Messiah and the Second Coming John P. Schwulst, 2024-12-30 The book carefully shows the Jewishness of the Revelation text and how it is directed to the Jews living in last days Israel Unlike other commentaries on the Revelation John is writing to these last days Jews warning them to be watching and waiting for their Messiah's return to them in the last day

The Second Coming Roué Hupsel, 2014-04-11 From the dark shadows of Neptune and Pluto suddenly an unknown planet emerges which after a

cycle lasting thousands of years has returned to our solar system visible from Earth at night as a small star With her arrival Nibiru as the ancients in pre historic times called her brings a horror that will afflict the earthlings as never before Those whom our ancestors considered gods have returned to reclaim their legacy No weapon can withstand this invasion which is not of material nature and will mercilessly strike the non physical part of man his soul An American scholar specialized in ancient languages discovers an obscure inscription and image on a clay tablet from ancient Sumer where mention is made of the return of the gods who stood at the beginning of the birth of humanity This discovery opens his eyes to the indescribable terrifying truths leading to an on madness bordering cognizance that takes its toll and leads to his death His son assisted by a wise Indian shaman begins an almost impossible battle against unknown sinister threatening powers that attack humanity in the core Thousands of humans are being evicted from their corporeal body When these completely unknown entities approach the inhabitants of the White House and attack the president one fears the worst A possible salvation of mankind is hidden in mysterious images and petroglyphs on the Gateway of the Sun in Tiahuanaco Bolivia A journey full of strange and terrifying events leads the two men to bewildering unfathomable answers to questions far beyond their intellect In Siloam Springs a little town in the United States a fierce battle takes place in which a small boy with incredible psychic powers hopefully can turn the tide provided that both men could wrest the truth from the darkness of oblivion the unknown past of mankind
