From Secrets With Men To Romance With Him Victor Bell,2022-08-01 At five years old Victor Bell s thoughts came in contact with a very taboo inclination While watching a passionate scene on a soap opera at his babysitter s house Victor immediately had a desire to be the woman in the scene Yes At five years of age Victor developed a carnal desire to feel everything that a woman does to be loved like a woman He even developed a desire to be a girl and then trauma happened To feel the void from verbal bullying and physical abuse from a member of his family Victor s desire to attach more to what felt good grew stronger Along the way Victor became deeply insecure angry fearful prideful and lustful These attributes would shape the next eighteen years of Victor s life up to the point where Victor accepted being a down low homosexual In addition to use of alcohol marijuana and womanizing Victor consistently embarked on secret nights with men The surface life and the secret life gave Victor great joy and satisfaction but he would soon find out the satisfaction was only temporary At the peak of Victor s euphoria he had an insatiable desire for material things He had massive highs and gripping lows along with a growing cavity of emptiness Victor was doing everything he could to feed the beast of his flesh But nevertheless his actions could never hide the mountain of inadequacy that he felt buried deep inside After falling in love with a beautiful woman that truly had his best interest at heart yet while leaning toward just coming out fully as a homosexual Victor had to make a choice Was he born this way Was the decision to be with men inevitable Would Victor ever find the kind of love he sought after did this love exist or was the love right before him all along
