## **The Secret Of The Cross:**

The Secret of the Cross Andrew Murray, 2014-09-13 The question often arises how it is with so much church going Bible reading and prayer that the Christian fails to live the life of complete victory over sin and lacks the love and joy of the Lord One of the most important answers undoubtedly is that he does not know what it is to die to himself and to the world Yet without this God s love and holiness cannot have their dwelling place in his heart He has repented of some sins but knows not what it is to turn not only from sin but from his old nature and self will Yet this is what the Lord Jesus taught He said to the disciples that if any man would come after Him he must hate and lose his own life He taught them to take up the cross That meant they were to consider their life as sinful and under sentence of death They must give up themselves their own will and power and any goodness of their own When their Lord had died on the cross they would learn what it was to die to themselves and the world and to live their life in the fullness of God

### **The Secret Behind the Cross and Crucifix**

Nwaocha Mind Ogechukwu, 2010-07-17 What do you think of when you look at the cross and the crucifix Do they hold sacred and religious value for you After reading this book your perception may change the church s use of these symbols has for centuries concealed facts regarding their true origins The author reveals these findings in this stunning expose His research includes historical accounts of Christianity s conspiracy and divulges the true meaning of the cross as a satanic symbol The author states For centuries after Christ the church and other religions that use cruciform symbols have misrepresented the physical

**Secret of the Cross** Andrew Murray, 2020-02-19 The question often arises how it is with so much church going Bible reading and prayer that the Christian fails to live the life of complete victory over sin and lacks the love and joy of the Lord One of the most important answers undoubtedly is that he does not know what it is to die to himself and to the world Yet without this God s love and holiness cannot have their dwelling place in his heart He has repented of some sins but knows not what it is to turn not only from sin but from his old nature and self will Yet this is what the Lord Jesus taught He said to the disciples that if any man would come after Him he must hate and lose his own life He taught them to take up the cross That meant they were to consider their life as sinful and under sentence of death They must give up themselves their own will and power and any goodness of their own When their Lord had died on the cross they would learn what it was to die to themselves and the world and to live their life in the fullness of God Our Lord used the Apostle Paul to put this still more clearly Paul did not know Christ after the flesh but through the Holy Spirit Christ was revealed in his heart and he could testify I am crucified with Christ I live no longer Christ liveth in me In more than one of his Epistles the truth is made clear that we are dead to sin with Christ and receive and experience the power of the new life through the continual working of God s Spirit in us each day As the season of Lent approaches each year our thoughts will be occupied with the sufferings and death of our Lord Emphasis will be laid in the preaching on Christ for us on the cross as the foundation of our salvation Less is said about our death with Christ The subject is a deep and difficult one yet every Christian needs to consider it It is my

earnest desire to help those Christians who are considering this great truth that death to self and to the world is necessary for a life in the love and joy of Christ In *The Secret of the Cross* Andrew murray seeks to explain the chief words of our Lord and of His disciples on this subject He offers these two points to the reader First take time to read over what you do not understand at once Spiritual truth is not easy to grasp But experience has taught that God s words taken into the heart and meditated on with prayer help the soul by degrees to understand the truth And secondly be assured that only through the continual teaching of the Holy Spirit in your heart will you be able to appropriate spiritual truths The great work of the Holy Spirit is to reveal Christ in our hearts and lives as the Crucified One who dwells within us Let this be the chief aim of all your devotion complete dependence on God and an expectation of continually receiving all goodness and salvation from Him alone Thus will you learn to die to yourself and to the world and will receive Christ the Crucified and Glorified One into your heart and be kept through the continual working of the Holy Spirit

practitioners of mysticism William Walker Atkinson was a prominent figure in the early 20th century metaphysical movement known for his deep interest in the occult and spiritualism His extensive background in various philosophies including yoga and New Thought fueled his fascination with mystical traditions Atkinson often writing under pseudonyms sought to make esoteric knowledge accessible to the general public reflecting a broader cultural enthusiasm for spirituality during his time For readers intrigued by mysticism spirituality and the hidden teachings of influential societies Atkinson's *The Secret Doctrines of the Rosicrucians* is an indispensable volume It not only enriches the understanding of Rosicrucian thought but also encourages readers on their own spiritual journeys inviting them to uncover the secrets that lie within *The Secret Teachings of All Ages* Manly P. Hall, 2010-01-01 Acclaimed by Publishers Weekly as a classic reference dizzying in its breadth this volume explores the themes underlying ancient mythology philosophy and religion Hundreds of entries range from esoteric elements of Islamic and Christian history to arcane rituals practiced by Druids Freemasons alchemists and other secret societies 16 pages of color plates 100 black and white illustrations *The Secret Life of Jesus the Essene* Raymond W. Bernard, 1997-09 A remarkable revelation concerning the true character life and crucifixion of Jesus by eye witnesses who knew him based on the Safer Alexandrian Essene Scrolls **The Secret Teachings of All Ages** Manly Palmer Hall, 2020-09-28 NUMEROUS volumes have been written as commentaries upon the secret systems of philosophy existing in the ancient world but the ageless truths of life like many of the earth's greatest thinkers have usually been clothed in shabby garments The present work is an attempt to supply a tome worthy of those seers and sages whose thoughts are the substance of its pages To bring about this coalescence of Beauty and Truth has proved most costly but I believe that the result will produce an effect upon the mind of the reader which will more than justify the expenditure Work upon the text of this volume was begun the first day of January 1926 and has continued almost uninterruptedly for over two years The greater part of the research work however was carried on prior to the writing of the manuscript The collection of reference material was begun in 1921 and three years later the plans for the book took definite form For the sake of clarity all footnotes were eliminated the various quotations and references to other authors being embodied in the text in their logical order The bibliography is appended primarily to assist those interested in selecting for future study the most authoritative and important items dealing with philosophy and symbolism To make readily accessible the abstruse information contained in the book an elaborate topical cross index is included I make no claim for either the infallibility or the originality of any statement herein contained I have studied the fragmentary writings of the ancients sufficiently to realize that dogmatic utterances concerning their tenets are worse than foolhardy Traditionalism is the curse of modern philosophy particularly that of the European schools While many of the statements contained in this treatise may appear at first wildly fantastic I have sincerely endeavored to refrain from haphazard metaphysical speculation presenting the material as far as possible in the spirit rather than the letter of the original authors By assuming responsibility only for the mistakes which may appear herein I hope to escape the accusation of

plagiarism which has been directed against nearly every writer on the subject of mystical philosophy Having no particularism of my own to promulgate I have not attempted to twist the original writings to substantiate preconceived notions nor have I distorted doctrines in any effort to reconcile the irreconcilable differences present in the various systems of religious philosophic thought The entire theory of the book is diametrically opposed to the modern method of thinking for it is concerned with subjects openly ridiculed by the sophists of the twentieth century Its true purpose is to introduce the mind of the reader to a hypothesis of living wholly beyond the pale of materialistic theology philosophy or science The mass of abstruse material between its covers is not susceptible to perfect organization but so far as possible related topics have been grouped together

*David Jimmy Swaggart, 2012* David is without a doubt one of the most striking characters in the entirety of the Bible He was a man who saw higher heights and deeper lows possibly more than any other human being at least one used by God has ever seen It was through his family that the Messiah of Israel and the Saviour of the world would come That is the reason the New Testament begins with The Book of the Generation of Jesus Christ the Son of David the Son of Abraham Mat 1 1 In fact David is the first human name given in the New Testament and the last human name given in the New Testament Rev 22 16 I believe this book will take you through the life of this great man and that it will speak to your own experience with the Lord As stated there was none quite like David We begin to realize how great this man was when we hear the statement as it refers to our Lord Jesus Christ the Son of David Nothing could be higher than that The Secret of the Cross Edmond Holmes, 1919

**Knowing God's Secrets** John Hunter, 2011-03-01 It is sad indeed that there are so many true and earnest believers who think of a victorious Christian life as a super deluxe version instead of normality and in the words of the author are so busy enduring their failure that they have no time to enjoy their faith The mystery of how to be what as Christians we have been born again to become is now an open secret in Jesus Christ that the secret of a changed life is an exchanged life
