## **The Sense Of An Ending:**

**The Sense of an Ending** Julian Barnes, 2011 Includes poems of thwarted love and disappointment of raw desire of the stalking beast eye teeth and muzzle coated with blood poems that recognise we have too much to gain from the gods and this is why they fail to love us poems that tell of an obsessive lover coming to grief in a sequence that echoes the old murder ballads

**The Sense of an Ending** Frank Kermode, 2000-04-06 Frank Kermode is one of our most distinguished critics of English literature Here he contributes a new epilogue to his collection of classic lectures on the relationship of fiction to age old concepts of apocalyptic chaos and crisis Prompted by the approach of the millennium he revisits the book which brings his highly concentrated insights to bear on some of the most unyielding philosophical and aesthetic enigmas Examining the works of writers from Plato to William Burrows Kermode shows how they have persistently imposed their fictions upon the face of eternity and how these have reflected the apocalyptic spirit Kermode then discusses literature at a time when new fictive explanations as used by Spenser and Shakespeare were being devised to fit a world of uncertain beginning and end He goes on to deal perceptively with modern literature with traditionalists such as Yeats Eliot and Joyce as well as contemporary schismatics the French new novelists and such seminal figures as Jean Paul Sartre and Samuel Beckett Whether weighing the difference between modern and earlier modes of apocalyptic thought considering the degeneration of fiction into myth or commenting on the vogue of the Absurd Kermode is distinctly lucid persuasive witty and prodigal of ideas

**Sense of an Ending** Julian Barnes, 2011-08-04 A monumental novel capturing how one man comes to terms with the mutable past A masterpiece I would urge you to read and re read Daily Telegraph Winner of the Man Booker Prize for Fiction Tony Webster and his clique first met Adrian Finn at school Sex hungry and book hungry they would navigate the girl less sixth form together trading in affectations in jokes rumour and wit Maybe Adrian was a little more serious than the others certainly more intelligent but they all swore to stay friends for life Now Tony is retired He s had a career and a single marriage a calm divorce He s certainly never tried to hurt anybody Memory though is imperfect It can always throw up surprises as a lawyer s letter is about to prove

**Cultures and Literatures in Dialogue** Elena Bollinger, 2022-12-30 This book addresses the narrative construction of Russian cultural memory in the work of Julian Barnes It investigates how Barnes s texts tend to display a memory process as a transcultural mode of the creation of English and Russian national identities Examining a need to revisit Russian canonical works the detailed discursive analysis of the selected English texts exposes an intertextual remembering by duplication thus contributing to the prevention of forgetting through the recuperation of still misrecollected cultural meanings By creatively incorporating Russian intertextual elements into his work as a novelist the author seems to insist on sweeping across and beyond national boundaries revealing how frail the invention of tradition is when leading to the illusion of a solid collective memory and its political legitimization The book considers not only a

constructive dialogue between Barnes's fiction and Russian classical literature but also this writer's interpretative mostly imaginative integration of Russian literature and culture into his work as a novelist Exploring the double meaning of a literary metaphor as a mnemonic image of memory and a product of imagination it offers a comprehensive analysis of Barnes's texts which play with intertextuality as an efficient tool of displacement of official memory providing a deeper understanding of historical and cultural processes related to the constantly moving architecture of transcultural memory

in a discussion of literature and laughter The fifth edition has been revised throughout and includes four new chapters Feelings Wounds Body and Love to incorporate exciting recent developments in literary studies In addition to further reading sections at the end of each chapter the book contains a comprehensive bibliography and a glossary of key literary terms A breath of fresh air in a field that can often seem dry and dauntingly theoretical this book will open the reader's eyes to the exhilarating possibilities of reading and studying literature
