The Sensuous Woman:

The Sensuous Woman Joan Terry Garrity, Terry Garrity, 1971 **The sensuous woman**, 1970 **The Sensuous Woman** J, 1982-10-01 The book that fired the first shot in the sexual revolution Not too long ago only bad girls had a good time in bed Good girls endured and wondered what they were missing Then along came J and suddenly everything was different She opened the eyes and minds of millions of American women with her explicit step by step account of her pursuit of the ultimate in sexual pleasure Now here s the book that has set off fireworks in bedrooms across America the book that will teach every woman how to free her body train her senses and tap her own hidden sensual resources The book designed to make you the woman every man yearns to make love to the woman you yearn to be **THE SENSUOUS WOMAN** J, 1969

The Sensuous Woman Joan Theresa Garrity, 1972 **How To Become The Sensuous Woman**, 2006-07-01 The Sensuous Woman distils her experience and sets it out in an easy how to do it manner The success of this book is quite unique Within three months of its publication in America it was on every bestseller list and achieved the astonishing total of 250 000 copies sold before it was six months old The author is not particularly pretty She is not the type a man would automatically notice in a crowd or whistle at in the street Yet a lot of men consider her to be sexy Having completed the long trip from unsatisfactory sex to sexual happiness she has had the courage and the candour to reveal to other women how they can learn to have a really joyous and fulfilling sex life *The Sensuous Woman* J, Sweeney, Joan Theresa Garrity, 1969 A systematic guide to developing sensuality through organized exercises and practiced techniques **The Sensuous Woman**, 1969 **Early Modern Japanese Literature** Haruo Shirane, 2008-04-21 This abridged edition of Haruo Shirane s popular anthology Early Modern Japanese Literature retains the essential texts that have made the original volume such a valuable resource The book introduces English speaking readers to prose fiction genres including dangibon kibyoshi satiric picture books sharebon books of wit and fashion yomihon kokkeibon books of humor gokan bound books and ninjobon books of romance and sentiment It also features poetic genres such as waka haiku senryu and kyoka and plays ranging from Chikamatsu s puppet plays to nineteenth century kabuki Readers will continue to benefit from the anthology s selection of significant essays treatises literary criticism folk stories and other noncanonical works as well as the numerous prints that accompanied these works They will also find Shirane s introductions and critical commentary which guide the reader through the allusive and often elliptical nature of these incredible selections *The Way to Become the Sensuous Woman*, 1969

How to Become the Sensuous Woman Joan Terry Garrity, 1969 *How to become the sensuous woman* Lyle Stuart, 1970 *The Sensuous Woman Reborn* Dot Patterson, 1976 The Sensuous Lie Celia Haddon, 1983 **A Challenge to the Sensuous Woman Or how to be Sensuous Without Really Trying** Dot Kreibich, 1972 *New Millennial Sexstyles* Carol Siegel, 2000 New Millennial Sexstyles questions the twin feminist orthodoxies that the 1960s sexual revolution failed women and that the sexual attitudes most prominent in current youth cultures are deplorably

regressive Comparing the American sexscape she inhabits to the vision of contemporary culture produced by feminist theorists Carol Siegel considers whether the sexual revolution may have succeeded but in ways not recognized by current academic studies of gender and sexuality In discouraging undomesticated heterosexuality academic feminism ignores the connection between mainstream opposition to all unrestrained sexual expression and the growth of new forms of homophobia in our times At the same time the youth subcultures challenges to these views of sexuality and gender have been dismissed as insignificant or misunderstood as sexist In this book they receive more respectful attention Siegel draws on her own experience as a college student to create a personal history of academic feminism s early sympathy with bourgeois values She looks at the development of American sex advice literature and at the reception of such transgressive popular films as *Basic Instinct* *Thelma and Louise* and *Natural Born Killers* to demonstrate that the most profoundly capitalist feminist theories have always been the most culturally authoritative A more encouraging vision emerges in the book s second half where a record of conversations about sex and gender with young people and of their responses to products designed for their consumption takes the reader through some of today s most radical youth cultures and suggests new directions for gender studies
