Larson, 2001 SHAW 21 offers readers an eclectic perspective on Shaw his works and his contemporaries Basil Langton actor and director reminisces about his early development as an actor his meeting with Shaw and his career as director of many of Shaw s plays He focuses upon Shaw s stagecraft augmenting his views with those of Sybil Thorndike and Sir Lewis Casson whom he interviewed in 1960 Galen Goodwin Longstreth analyzes the correspondence between Shaw and Ellen Terry and argues that the exchange is itself a literary genre a dramatic performance that reveals their personal identities. The next two contributors Stanley Weintraub and Andrea Adolph examine the Shaw Virginia Woolf relationship Weintraub focuses on those occasions when their respective lives touched each other what their feelings for each other were and how those occasions were obliquely woven into Shaw s plays most notably Heartbreak House Professor Adoph argues that in Woolf's only dramatic text Freshwater A Comedy she was conforming to the traditional theatrical mode of the day dominated of course by Shaw but that she subverted his traditional literary depiction of paternity as for example the paternity dramatized in Major Barbara Sidney Albert and Bernard Dukore provide unique perspectives on reading Major Barbara Albert shows how John Bunyan s The Pilgrim s Progress serves as Shaw's source for Barbara's progress toward enlightened understanding Dukore focusing on the perspective of the familial relationship within the play concludes that Shaw's dialectic gives the kids the future and not the dad It will be the next generation not Father Undershaft who will determine where society will go next Julie Sparks and Martin Bucco approach Shaw from a comparative basis juxtaposing him with two American writers contemporaries of Shaw Mark Twain and Sinclair Lewis respectively Sparks explores the commonality that exists in Shaw s and Twain s thinking about evolution namely their heretical visions of a post Darwinian Eden Both viewed conventional Christianity iconoclastically but both arrived at different conclusions about human origin and destiny a view Sparks describes as emanating from the deist pessimist evolutionary determinist perspective versus the mystic optimistic creative evolutionist perspective or the Personal Godhead versus the Impersonal Force Professor Bucco enumerates the many references Sinclair Lewis makes to Bernard Shaw throughout his writings both prose and fiction to underscore the American novelist s admiration for the Irish playwright both recipients of the Nobel Prize for Literature The final two contributors to SHAW 21 Rodelle Weintraub and William Doan provide the readers with distinctive perspectives on John Bull's Other Island and The Doctor's Dilemma respectively Weintraub recasts the play into a dream sequence whereby Doyle's dream becomes an artifice for problem solving Implied within Father Keegan's lines in the play Every dream is a prophecy every jest is an earnest in the womb of Time is the resolution of Doyle's problem with Nora the girl he had left behind and of the dream of modernizing Roscullen Doan suggests that in The Doctor's Dilemma Shaw uses the idea of unconsummated adultery to argue for the

efficacy of art over science In the conflict between the artist and the scientist the latter plans to have the artist s muse In the end not only is he deprived of the wife but also of the works of art themselves and the spirit that animates them SHAW 21 also includes three reviews of recent additions to Shavian scholarship as well as John R Pfeiffer s Continuing Checklist of Shaviana The Football Fanatic's Essential Guide Part 2: 1978 to 2010 Novy Kapadia,2014-05-10 Football is not just a beautiful game but a global obsession Every four years football kicks off a frenzy with every match every player and every goal being analysed with fervour and recorded with vigour This essential guide is a companion volume for every football crazy fan who wants facts statistics and data right on hand The Football Fanatic's Essential Guide is jam packed with important and fascinating information on international matches and players and India's role in football history Put together by reputed sports broadcaster and columnist Novy Kapadia one of India's foremost football experts this compendium is invaluable for every passionate enthusiast of this legendary game "The Simpsons", The Alamo Frank
