# **The Shape Of Sola Scriptura**

Ronald M. Rothenberg

#### The Shape Of Sola Scriptura:

The Shape of Sola Scriptura Keith A. Mathison, 2001 In what shape do we find the doctrine of sola Scriptura today Many modern Evangelicals see it as a license to ignore history and the creeds in favor of a more splintered approach to the Christian living In the past two decades Roman Catholic and Eastern Orthodox apologists have strongly tried to undermine sola Scriptura as unbiblical unhistorical and impractical But these groups rest their cases on a recent false take on sola Scriptura The ancient medieval and classical Protestant view of sola Scriptura actually has a guite different shape than most opponents and defenders maintain Therein lies the goal of this book an intriguing defense of the ancient and classical Protestant doctrine of sola Scriptura against the claims of Rome the East and modern Evangelicalism The issue of sola Scriptura is not an abstract problem relevant only to the sixteenth century Reformation but one that poses increasingly more serious consequences for contemporary Christianity This work by Keith Mathison is the finest and most comprehensive treatment of the matter I ve seen I highly recommend it to all who embrace the authority of sacred Scripture R C Sproul The Obscurity of Scripture: Disputing Sola Scriptura and the Protestant Notion of Biblical Perspicuity Ligonier Ministries Casey J. Chalk, 2023-03-07 Turn on Christian radio anywhere in the United States and see how long it takes before someone declares that Scripture clearly teaches fill in the blank There's a reason for that and it has to do with the very origins of Protestant Christianity more than five hundred years ago The Protestant Reformation coalesced around five core doctrines sola scriptura sola fide sola gratia solus Christus and soli Deo gloria But another founding principle served as bedrock for all of them the doctrine of clarity or perspicuity According to this doctrine which was upheld in various forms by all the major Reformers and remains central to Protestantism today the Bible is clear enough so that any Christian relying on the Holy Spirit will be able to determine at least what is necessary for salvation if not much more The Obscurity of Scripture Disputing Sola Scriptura and the Protestant Notion of Biblical Perspicuity catalogues and analyzes the historical theological and philosophical dimensions of perspicuity and finds the doctrine not only confused but erroneous destructive and self defeating The Obscurity of Scripture exposes the hopeless dead ends of clarity and through a consideration of Catholic teaching on the Bible offers the only way out Sola Scriptura, 2017-11-06 Sola Scriptura offers a multi disciplinary reflection on the theme of the priority and importance of Scripture in theology from historical biblical theological and systematic theological perspectives aiming at the interaction between exegesis and dogmatics Brian Brock and Kevin J Vanhoozer offer concluding reflections on the theme bringing the various contributions together Five Models of Scripture Mark Reasoner, 2021-08-24 To relish the feast that is Scripture we need to use multiple models A Christian never gains all that Scripture offers by reading it with just one approach Yet too often this is attempted whether through an academic obsession with the historical critical method or through a consumerist approach that seeks only the motivation of the moment Mark Reasoner broadens the options for scriptural engagement by describing five models of Scripture documents stories prayers

laws and oracles To illustrate each he uses examples from throughout the history of interpretation While he concedes that certain books of the Bible will naturally lend themselves to particular models Reasoner shows how an appreciation for all five will enrich one s scriptural insights while also bridging divides between the various branches of the Christian family In addition to the five models Reasoner surveys Catholic Orthodox and Protestant constructions of the biblical canon and addresses specific issues relevant to their respective interpretations of Scripture including scriptural metanarratives the use of the Bible in Christian worship and the principle of sola Scriptura Through it all Reasoner remains unequivocally focused on his goal to help readers grow in their love for Scripture in ways that will help them plant this love in those to whom they **The Virtual Church-And How to Avoid It** Peter C. Glover, 2004-03 **Solving the Immigrant Church** Crisis Ronald M. Rothenberg, 2016-08 Solving the Immigrant Church Crisis The Biblical Solution of Parallel Ministry Acts 6 1 7 addresses the crisis of the immigrant church in which complex cultural and linguistic factors create a reticence on the part of immigrants to transfer financial and decision making authority to succeeding generations and this results in a culturally irrelevant ministry to those generations an exodus of believers from the church a spiritually immature remnant and an inability to reach the lost The thesis of this book is that parallel ministry based on Acts 6 1 7 is the biblical solution to the crisis in the immigrant church While there are at least two main aspects of this crisis a spiritual relational and an ecclesiastical aspect this book focuses on the ecclesiastical aspect of defining the biblical structure of church government Specifically this book is for immigrant churches primarily in the United States and offers them a biblical and practical solution to the problem plaguing them for over two centuries of how to minister effectively to the succeeding generations

Psychology and Spiritual Formation in Dialogue Thomas M. Crisp, Steven L. Porter, Gregg A. Ten Elshof, 2019-01-22 Can the phenomena of the human mind be separated from the practices of spiritual formation Research into the nature of moral and spiritual change has revived in recent years in both the worlds of psychology and theology Rooted in a year long discussion held by Biola University's Center for Christian Thought CCT this volume bridges the gaps caused by professional specialization among psychology theology and philosophy The Christian Case against Contraception Bryan C.

Hodge, 2010-01-01 Evangelicals often give little thought to the morality of contraception but when they do serious studies of the subject are scarce if not non existent The Christian Case against Contraception seeks to fill this gap by evaluating the practice not from personal preference or mere experience but from the four major theological disciplines of Christianity Historical Biblical Systematic and Practical Theology and Ethics The book begins with a contrastive analysis between secular and ecclesiastical culture and thought concerning the subject of contraception and the purpose of the sexual act The claims of the Church that contraception is morally unacceptable is examined further as the book takes the reader on a journey through biblical systematic and practical arguments which establish the foundations of the Historic Church's claim Opposing arguments are evaluated as to their strength and validity In fact Hodge stirs the debate with a challenge that he has yet to

see Christians set forth a valid biblical argument in support of contraceptive practices For the reader seeking to place procreative ethics under the lordship of Christ The Christian Case against Contraception offers a bold and clear way forward

On Classical Trinitarianism Matthew Barrett, 2024-10-01 Motivated by the longstanding need to retrieve the classical doctrine of the Trinity theologian Matthew Barrett brings together over forty Protestant Roman Catholic and Eastern Orthodox scholars in one ecumenical volume demonstrating that Nicene orthodoxy can endure in the modern world and unite Getting Real Gary Tyra, 2018-02-08 Some reputable sociological research indicates that a surprising number of evangelical churchgoers are living out a version of the Christian life that s more informed by the values of the surrounding culture than by the discipleship teachings of Jesus and his apostles Viewing the cause of this disturbing trend in the church to be a discipleship deficit that s exacerbated by a pneumatological deficit Gary Tyra has written a book that addresses both In this work Tyra encourages evangelical Christians of all stripes to become more fully aware of the tremendous difference it makes when the Holy Spirit is experienced in ways that are real and existentially impactful rather than merely theoretical conceptual and or ritualistic Intended to be read by church leaders as well as by students in Christian colleges and seminaries the message here is that the cure for the ministry malady currently confronting us is the recovery of a robust fully Trinitarian doctrine of the Spirit A pneumatological realism says Tyra combined with an understanding of just how important a spiritual moral and missional faithfulness is to a genuine Christian discipleship can revitalize the lives of individual Christians and churches making it possible for them to reach their post Christian peers for Christ **Exodus** Douglas Beaumont, 2016-01-06 Over the course a single decade dozens of students alumni and professors from a conservative Evangelical seminary in North Carolina Southern Evangelical Seminary converted to Catholicism These conversions were notable as they occurred among people with varied backgrounds and motivations many of whom did not share their thoughts with one another until this book was produced Even more striking is that the seminary s founder long time president and popular professor Dr Norman Geisler had written two full length books and several scholarly articles criticizing Catholicism from an Evangelical point of view What could have led these seminary students and even some of their professors to walk away from their Evangelical education and risk losing their jobs ministries and even family and friends to embrace the teachings they once rejected as false or even heretical Speculation over this phenomenon has been rampant and often dismissive and misguided leading to more confusion than understanding The stories of these converts are now being told by those who know them best the converts themselves They discuss the primary issues they had to face the nature of the biblical canon the identification of Christian orthodoxy and the problems with the Protestant doctrines of sola scriptura scripture alone and sola fide faith alone Solus Jesus Emily Swan, Ken Wilson, 2018-07-10 If you read one book this year about the future of Christianity then choose this book Five hundred years ago the Protestant Reformation claimed the Bible as the authoritative guide for Christian living Sola Scriptura Only Scripture In this groundbreaking work Emily Swan and Ken

Wilson claim the authority of the church is shifting back to where it should be in Jesus Solus Jesus As co founders of Blue Ocean Faith Swan and Wilson are pioneering what it means to be post evangelical post Protestant even in a time when such re imagining is desperately needed Solus Jesus not only grapples with the authority guestion in Christianity but also provides a massive re think of traditional atonement theories Leaning on the work of Ren Girard they conclude that the life death and resurrection of Jesus together reveal a completely good non violent God who is on the side of the oppressed and scapegoated of this world As a work of queer theology the book is intersectional in its understanding of justice and invites readers to reconsider our understanding of what it means to follow Jesus This book is timely to say the least For Christians looking for guidance on how to address distressing issues of injustice for help understanding how they can faithfully follow Jesus and love their neighbors as themselves and for practices for how to experience the living Jesus and his Spirit of love Solus Jesus is the book for you Born in a cauldron of faith and pain Solus Jesus A Theology of Resistance is a highly original deeply provocative first stab at a post evangelical post gay debate pastoral theology writes David P Gushee author of Changing Our Mind and Director of the Center for Theology and Public Life at Mercer University Drawing from personal experience and those who have long carved out theologies far from power Swan and Wilson show how Solus Jesus can open a portal to the divine communion that is possible between all people writes Deborah Jian Lee author of Rescuing Jesus How People of Color Women and Queer Christians are Reclaiming Evangelicalism Ken and Emily's book is loving and courageous compelling and convicting scholarly and personal all at once This book held up a mirror to my heart asking me to forsake my anxious need for certainty to repent of all the rivalries that cripple me and to rest again like a child at the breast of a God in whose fierce and fearless love there is home for us all writes the Rev Susan K Bock of Grace Episcopal Church in Mount Clemens Michigan Solus Jesus challenges us to see the authoritative Jesus in a fresh light so that his life message death and rising summon us to live in a new way as individuals and congregations writes Brian D McLaren author of The Great Spiritual Migration Around the world tension and conflict are signaling a shift in our socio political conditions To remain relevant Christianity must have a response to this moment Grounding themselves in their lived experience Ken and Emily are leaning into the conversation and offering a powerful response to the travails of our time A must read for Christians looking to discern where the Spirit is leading us in the 21st Century writes Rev Mariama White Hammond AME Church Planter Boston

The Continuing Relevance of Wesleyan Theology Nathan Crawford,2011-06-01 What does the Wesleyan message have to say to the greater theological world This is a question that Laurence Wood has taken up as his concern throughout his career In order to honor his work this collection takes up this question through a series of essays designed to show how Wesleyan Theology while distinctive has a continued relevance to the wider world of theological scholarship This collection does this in two ways First by showing how the Wesleyan distinctives have been present throughout the history of theology And secondly the collection brings the Wesleyan distinctives into conversation with various contemporary theological

conversations ranging from theological hermeneutics and the science religion dialogue to the practice of preaching and spirituality The result is a volume that puts Wesleyan theology into continued dialogue with the broader theological world showing its vitality and importance for the contemporary situation **Engaging with Thomas Aguinas** Leonardo De Chirico, 2024-05-16 The influence of Thomas Aguinas on Western theology is beyond dispute yet his is a contested legacy In current evangelical studies there is an emerging infatuation with Thomas especially as far as his theological metaphysics is concerned On the occasion of the eighth centenary of Thomas Aguinas Engaging with Thomas Aguinas is a thoughtful introduction aimed at presenting the main contours of the doctor's complex legacy and critically evaluating it especially in areas where the Roman Catholic Thomas eclipses the classical theology which is attracting renewed attention in evangelical circles Engaging with Thomas Aguinas contributes a thoughtful analysis from an evangelical viewpoint offering answers to complex questions such as Is the thought of Thomas and Thomism s the same What strengths and dangers does the legacy of Thomas Aguinas present to evangelical thought How can Rome's chief doctor be at the same time a reference point for evangelical theology In this book De Chirico offers an evangelical a framework to think through this contested thinker s legacy as well as an invitation to the inquiring reader to consider an alternative The Artificiality of Christianity M. B. Pranger, 2003 In The Artificiality of Christianity the author's primary goal is to distill from monastic literature a poetical tool that can be used to decipher the literary structure of religious texts a secondary goal is to show the centrality of monasticism to the specific experiences of Christian reading The Complete Guide on Preterism Roderick Edwards, 2024-11-06 This is the complete 5 book series on preterism written by Roderick Edwards between 2017 2024 PRETERISM simply defined is the belief that most if not all of the end times prophecies related in the Bible were fulfilled by the year AD70 at the destruction of the Jewish Temple in Jerusalem The Case for Catholicism Trent Horn, 2017-11-29 This is the most up to date comprehensive and thorough defense of the Catholic Church against Protestant objections in print This book is especially relevant as the 500th anniversary of the Protestant Reformation draws near and discussion of the arguments made against the Church during that time in history receive renewed interest The Case for Catholicism answers arguments put forward by early Reformers like Luther and Calvin as well as contemporary defenders of Protestantism like Norm Geisler and R C Sproul It provides a meticulous defense of the biblical and historical nature of Catholic doctrines from Scripture and church history Finally in both answering Protestant objections to Catholicism and in providing evidence for the Faith The Case for Catholicism cites modern Protestant scholars who question Reformation assumptions and show how evidence from Scripture and church history support aspects of Catholic theology This book is divided into four sections with each answering a key question Christians have asked about the nature of their faith Those key questions are What is my authority What is the Church How am I saved Who belongs to the body of Christ The Case for Catholicism will become a reliable resource for any Catholic who desires a well researched readable and persuasive answer to Protestant arguments made against the Catholic

faith Canonical Theology Peckham, 2016 What are the roles of canon and community in the understanding and articulation of Christian doctrine Should the church be the doctrinal arbiter in the twenty first century In Canonical Theology John Peckham tackles this complex ongoing discussion by shedding light on issues surrounding the biblical canon and the role of the community for theology and practice Peckham examines the nature of the biblical canon the proper relationship of Scripture and tradition and the interpretation and application of Scripture for theology He lays out a compelling canonical approach to systematic theology including an explanation of his method a step by step account of how to practice it and an example of what theology derived from this canonical approach looks like God's Word in Human Words Kenton L. Sparks, 2008-03 A highly regarded Old Testament scholar argues that evangelicals can embrace biblical criticism without House Church - Simple, Strategic, Scriptural Steve Atkerson, 2021-07-17 Lead a small church New losing their faith Testament Church Dynamics is perfect for you Unlike many church growth books we present proven Biblical strategies to grow your church both spiritually and numerically These are not theories cooked up in an ivory tower Our network of churches lives these principles out in multiple cultures and countries around the globe By following Scriptural strategies our unity participation purity community size love and evangelistic fervor have grown dramatically Our joy is helping leaders of small churches follow Christ's model for church practice and planting

This is likewise one of the factors by obtaining the soft documents of this **The Shape Of Sola Scriptura** by online. You might not require more become old to spend to go to the book opening as well as search for them. In some cases, you likewise realize not discover the publication The Shape Of Sola Scriptura that you are looking for. It will entirely squander the time.

However below, bearing in mind you visit this web page, it will be thus unconditionally simple to acquire as without difficulty as download lead The Shape Of Sola Scriptura

It will not bow to many time as we run by before. You can pull off it though law something else at house and even in your workplace. therefore easy! So, are you question? Just exercise just what we pay for below as well as evaluation **The Shape Of Sola Scriptura** what you when to read!
