including Defoe's and Swift's. This analogy provides appropriate means of identifying important links within as well as between the two authors' works since both focused on snares in the political and human constitutions. The part of the study devoted to the snare in human nature mainly considers the fictional works. Much attention has been given in this regard to the contrasting ways in which both authors have dealt with those snares and the interaction between the human and the political constitutions. *East European Accessions List*, 1956 *The Athenaeum*, 1899 *The Athenaeum* James Silk Buckingham, John Sterling, Frederick Denison Maurice, Henry Stebbing, Charles Wentworth Dilke, Thomas Kibble Hervey, William Hepworth Dixon, Norman Maccoll, Vernon Horace Rendall, John Middleton Murry, 1868 **The Phonetic Journal**, 1890 *The Publishers' Circular and Booksellers' Record*, 1911 **The Bookman**, 1892 **International Who's Who in Poetry 2004** Europa Publications, 2003 Provides up to date profiles on the careers of leading and emerging poets
