they were friends and because they were magical everywhere they went Stardust was beautiful to look at with his bright horn and hair His hooves left a line of stardust behind them and his laughter sounded like bells When put together they stood for the extraordinary They laughed and went on adventures during the day People in the town where Barbie and Stardust lived were friendly and warm but they were aware that something strange always seemed to be present with them In the mornings they would explore the fields In the afternoons they would have picnics by the creek and at night they would look up at the stars A gust of wind blew across the field one beautiful morning while Barbie and Stardust were having a picnic in their favorite spot under the shade of an old oak tree A sheet of paper was carried by the wind Barbie ran outside and grabbed the flying piece of paper with wide eyes When she unfolded the paper it showed a strange map The complicated lines and symbols on it looked like the universe was just ready to be found Barbie looked at the map with a racing heart Stardust gave her a soft kiss because she could tell she was ready for an adventure Barbie told Stardust quickly We need to follow this map It s a chance to explore the unknown and uncover the secrets of our world Stardust agreed with a nod and his eyes were shining with excitement With the map in hand they left the meadow they loved and set out on a new journey The map led them up steep hills through dense woods and across sparkling streams Every step was full of magic and wonder Along the way they met strange animals like talking squirrels and glowing lights that led them deeper into the unknown Barbie and Stardust felt like they were in a fairy tale Their friendship grew stronger every day as the magic in the woods seemed to come to life There was a time when Barbie and Stardust found a secret glade as the sun was going down and the stars started to shine A pretty tree with bright shiny apples hanging from its branches stood in the middle of the glade They saw a beautiful charm with a realistic unicorn design under the tree When Barbie picked up the charm her hand felt warm and tingly Stardust gave her a soft kiss as if to beg her to wear the charm There was a pleasant singing voice in the glade that seemed to come to life as she moved Barbie and Stardust looked at each other puzzled as the Enchanted Tree sang Barbie dear child you have awakened me The Tree then said I am the keeper of secrets and wonders and you are the chosen one Barbie and Stardust accepted their fate and set out to find the lost unicorn as the Tree sang In the depths of this forest lies a hidden realm and within it resides a unicorn who has lost its wand On their journey they will face both difficult situations and breathtakingly beautiful scenes They crossed interesting suspended bridges talked to animals that were full of wisdom and even found a singing grove of flowers whose harmonies led them to a beautiful waterfall To find the lost unicorn so rare seek the waterfall pure and fair where moonbeams dance and stars alight your friend awaits bathed in silver light the flowers said Barbie gave Luna a sweet smile and said Don t worry Let us help you get back to your realm With Luna by their side Barbie Stardust and Luna s magic worked together to make a portal that led them back to the village Thank you for finding me dear friends When I was following a shooting star I got lost My name is Luna I ve been here ever since unable to find my way back home the voice of the Enchanted Tree told them As soon as they stepped through the portal they were back

in their familiar village When the lost unicorn was found everyone was thrilled and there was a lot of laughter Barbie was additionally thrilled to learn that Luna had returned home The unicorn Stardust had a beautiful horn that sparkled like the night sky and a mane that shimmered like silver His hooves left a trail of stardust wherever he went and his laughter sounded like bells He and Barbie had been together since Barbie was a little girl Barbie and Stardust were very close She met him when she saw him as a little boy with big eyes Their love was stronger than words and when The Time of the Missyl Cheryl Scott Norman,2009-09 Ali's mother Jane tells her daughter of her own time in the land of Isshuay Isshuay's border has been breached by a Missyl a mysterious shape changing creature from a neighbouring land Hopelessly lost in a hostile environment the lonely Missyl is unwittingly contaminating the inhabitants of Isshuay as it searches for the way home As the years pass the land's goodness is slowly disappearing through the breach in the border Anger and despair have replaced the happiness that once filled the land Jane is selected by the fabulous Silver Ones as the one person who has the knowledge and skills to heal their land Happily accepting the challenge she travels with young Nestor across the Shimmering into Isshuay to begin her task of seeking the elusive Missyl and sending it home Joined by Old Marje and other intriguing characters she discovers the dangers and the wonders of Isshuay
