The Sixth Baye:

The Sampler Platter: A Little Bit of Everything Susan Skylark, 2015-03-26 This disparate gathering of books and stories has as little in common as the varied contents of a sampler platter of appetizers at a restaurant and serves the same purpose if you don't know what exactly you are hungry for at least in a literary sense why not try a little of everything Within you will find a book of fairy tales and verse Over the Hills and Far Away two short and humorous tales The Foibles two volumes of longer tales The Greylands and several works from the Chronicles of the Brethren series including the starter volume The Serpent and the Unicorn Book I and II a collection of short stories Legends and the first of a trilogy within the series Shadow of the Unicorn Enjoy Over the Hills and Far Away Fairy tales like music and poetry are a language known to every soul no matter the culture time or place Travel over the hills and faraway with these varied tales of Faerie and for a little while reclaim the wonder and joy peculiar to a childlike heart The Foibles If you are looking for a serious tale with a redeeming moral find another book This is a foible not a fable thus it has no intrinsic value whatsoever save to make you smile These stories should be used with caution not taken internally and avoided by those who have a congenital lack of humor who take themselves and the world too seriously and those looking for something serious to read So take a detour through the fickle world of Foible where a sense of humor is your only weapon against incomprehension These stories are a silly and hopefully entertaining romp through the land of Faerie poking fun at everything you love about fairy tales geek culture and very possibly things that have very little to do with either The Greylands There are more things in heaven and earth Horatio than are dreamt of in your philosophy Hamlet William Shakespeare A land of shadows of mystery of obfuscated Truth Welcome to the Greylands that strange world within the bounds of Time peopled by mortal men We cannot see truly only as through a glass darkly There are things that move and have their being completely beyond our ability to perceive them There are things beyond our mortal ability to comprehend There are hints and glimmers hidden within the body of revealed Truth but there is much we do not know cannot yet understand and could never dare dream These stories are mere fancy with a seed of Truth at their core They play with the ideas of mortality and Eternity Time and things beyond it and of course the epic battle of Good against Evil Each stands alone and though there are common themes threads names and concepts each story is an entity unto itself and should not be seen as occurring in the same world or mistaken for installments of a series These are random musings not Gospel Truth and should not be taken as such Joy hope and encouragement are hopefully a byproduct but certainly not sound Theology If you would know more of the true world beyond these Greylands one must be a careful student of the Scriptures not of silly stories such as these Chronicles of the Brethren What if the Myth were real and everything else mattered not What if your very soul hung in the balance Enter a land where the Myth is real but many have forgotten or scorn the Truth and those who fight to uphold it The adventure is about to begin for even those who fight for justice are about to rediscover why

Shadow of the Unicorn Susan Skylark,2015-01-23 Astoria home of the Brethren a place of legend learning and Truth and secrets that cannot be told The Lady thought she knew everything that passed within the walls of Astoria and most of that which happened in the wider world but there are some secrets to which even she is not privy What must be hidden at any cost Why must she remain ignorant of mysterious happenings within her own keep Can she trust those who would intentionally hide things from her Discover a boy with a destiny he refuses to accept a servant that dares defy the Lady to her face a book of tales few can read inexplicable comings and goings and adventures beyond count Unicorns dragons griffins and other fantastic creatures all have their part while the Truth lies within grasp waiting only to be discovered *Report on Canadian Archives* Public Archives of Canada,1884 *Report on Canadian Archives* Anonymous,2024-02-28 Reprint of the original first published in 1883 **Report on Canadian Archives and on the System of Keeping Public Records** Public Archives of Canada,1884 *The African Charter on Human and Peoples' Rights Volume 2* Nat Rubner,2023 Landmark study of the African Charter on Human and Peoples Rights Documents on one side the international community s inability to foist a human rights system upon Africa and on the other the process within the OAU now African Union that eventually brought it into being and determined its content The African Charter on Human and Peoples Rights ACHPR which was proposed in 1979 adopted in 1981 and came into effect in 1986 was the first non Western declaration of human rights and the first official statement of an African human rights perspective With Africa largely absent in 1948 when the Universal Declaration of Human Rights UDHR was adopted it stands in stark historical reproach to the Western conception of universal human rights as a pivotal document in the decolonisation of the continent This book for the first time presents a comprehensive account of the development of the ACHPR which is key to a proper understanding of its fundamental nature Through documenting its process of construction it becomes possible to understand how Africans themselves understood the process and the issues involved and how the ACHPR became a political text asserted by African leaders and not a continuum of a so

called universal human rights tradition The result is a radical repositioning of the underlying context of the ACHPR one of the most important documents in modern African history of how it came to be and how it should therefore be understood Volume 2 describes the process through which the ACHPR came into being Analysing the role of Western governments the UN and NGOs it shows that contrary to the prevailing view of African human rights commentators their influence was limited and at times counter productive That in fact the formulation of the ACHPR was a profoundly political process that was primarily a product of an African desire to instigate its own human rights perspective as a counter to the human rights universalism advanced by the Western post war human rights tradition

The African Charter on Human and Peoples' Rights [2 Volume Set] Nat Rubner,2023 A landmark study of the African Charter on human and peoples rights one of the most important documents in modern African history that positions it within the African Lives Matter struggle to assert an African identity rather than as simply a human rights document This set describes its underlying African origins and how the principles of the OAU influenced its path and content
