The Slave King:

The Slave-king: a Historical Account of the Negroes in St. Domingo Victor Hugo, 1833 *Slave King*, 1846 The Slave-King, from the Bug-Jargal of Victor Hugo Victor Hugo, 1833 **The Slave King, Or, The Triumph of Liberty** Joseph Holt Ingraham, 1846 The Diary of Antera Duke, an Eighteenth-Century African Slave Trader Stephen D. Behrendt, A.J.H. Latham, David Northrup, 2010-03-08 In his diary Antera Duke ca 1735 ca 1809 wrote the only surviving eyewitness account of the slave trade by an African merchant A leader in late eighteenth century Old Calabar a cluster of Efik speaking communities in the Cross River region he resided in Duke Town forty five miles from the Atlantic Ocean in what is now southeast Nigeria His diary written in trade English from 1785 to 1788 is a candid account of daily life in an African community at the height of Calabar's overseas commerce It provides valuable information on Old Calabar's economic activity both with other African businessmen and with European ship captains who arrived to trade for slaves produce and provisions This new edition of Antera's diary the first in fifty years draws on the latest scholarship to place the diary in its historical context Introductory essays set the stage for the Old Calabar of Antera Duke's lifetime explore the range of trades from slaves to produce in which he rose to prominence and follow Antera on trading missions across an extensive commercial hinterland The essays trace the settlement and development of the towns that comprised Old Calabar and survey the community's social and political structure rivalries among families sacrifices of slaves and witchcraft ordeals This edition reproduces Antera's original trade English diary with a translation into standard English on facing pages along with extensive annotation The Diary of Antera Duke furnishes a uniquely valuable source for the history of precolonial Nigeria and the Atlantic slave trade and this new edition enriches our understanding of it *The Slave-King, from the Bug-Jargal of Victor Hugo*. Victor Hugo, 1852 **Al-Hind, Volume 2 Slave Kings and the Islamic Conquest, 11th-13th Centuries** André Wink, 2021-10-25 During the early medieval Islamic expansion in the seventh to eleventh centuries al Hind India and its Indianized hinterland was characterized by two organizational modes the long distance trade and mobile wealth of the peripheral frontier states and the settled agriculture of the heartland These two different types of social economic and political organization were successfully fused during the eleventh to thirteenth centuries and India became the hub of world trade During this period the Middle East declined in importance Central Asia was unified under the Mongols and Islam expanded far into the Indian subcontinent Instead of being devastated by the Mongols who were prevented from penetrating beyond the western periphery of al Hind by the absence of sufficient good pasture land the agricultural plains of North India were brought under Turko Islamic rule in a gradual manner in a conquest effected by professional armies and not accompanied by any large scale nomadic invasions The result of the conquest was in short the revitalization of the economy of settled agriculture through the dynamic impetus of forced monetization and the expansion of political dominion Islamic conquest and trade laid the foundation for a new type of Indo Islamic society in which the organizational forms of the frontier

and of sedentary agriculture merged in a way that was uniquely successful in the late medieval world at large setting the Indo Islamic world apart from the Middle East and China in the same centuries Please note that *The Slave Kings and the Islamic Conquest 11th 13th Centuries* was previously published by Brill in hardback ISBN 90 04 10236 1 still available

The Slave Trade Hugh Thomas, 2015-11-12 The Atlantic slave trade was one of the largest and most elaborate maritime and commercial ventures Between 1492 and about 1870 ten million or more black slaves were carried from Africa to one port or another of the Americas In this wide ranging book Hugh Thomas follows the development of this massive shift of human lives across the centuries until the slave trade's abolition in the late nineteenth century *The Slave King* Joseph Holt Ingraham, 18?? *The Slave-king* Victor Hugo, 1833 *African Voices on Slavery and the Slave Trade: Volume 1, The Sources* Alice Bellagamba, Sandra E. Greene, Martin A. Klein, 2013-05-13 This book uses primary sources to capture the ways Africans experienced and were influenced by the slave trade *The Slave's Cause* Manisha Sinha, 2016-02-23 Traces the history of abolition from the 1600s to the 1860s a valuable addition to our understanding of the role of race and racism in America Florida Courier Received historical wisdom casts abolitionists as bourgeois mostly white reformers burdened by racial paternalism and economic conservatism Manisha Sinha overturns this image broadening her scope beyond the antebellum period usually associated with abolitionism and recasting it as a radical social movement in which men and women black and white free and enslaved found common ground in causes ranging from feminism and utopian socialism to anti imperialism and efforts to defend the rights of labor Drawing on extensive archival research including newly discovered letters and pamphlets Sinha documents the influence of the Haitian Revolution and the centrality of slave resistance in shaping the ideology and tactics of abolition This book is a comprehensive history of the abolition movement in a transnational context It illustrates how the abolitionist vision ultimately linked the slave's cause to the struggle to redefine American democracy and human rights across the globe A full history of the men and women who truly made us free Ira Berlin The New York Times Book Review A stunning new history of abolitionism Sinha plugs abolitionism back into the history of anticapitalist protest The Atlantic Will deservedly take its place alongside the equally magisterial works of Ira Berlin on slavery and Eric Foner on the Reconstruction Era The Wall Street Journal A powerfully unfamiliar look at the struggle to end slavery in the United States as multifaceted as the movement it chronicles The Boston Globe **Fear of slaves, fear of enslavement in the ancient Mediterranean** Anastasia Serghidou, 2007 Les intervenants analysent le couple du maître et de l'esclave au regard des schémas d'autorité et d'obéissance de liberté et de servitude de suprématie et de soumission et les incidences de ces problématiques sur les mouvements du corps social dans l'Antiquité **The History of India** Mrs. L. Handyside, 1861 *A Nation of Immigrants* Franca Iacovetta, Paula Draper, Robert Ventresca, 2017-06-22 This collection brings together a wide array of writings on Canadian immigrant history including many highly regarded influential essays Though most of the chapters have been previously published the editors have also commissioned original

contributions on understudied topics in the field The readings highlight the social history of immigrants their pre migration traditions as well as migration strategies and Canadian experiences their work and family worlds and their political cultural and community lives They explore the public display of ethno religious rituals race riots and union protests the quasi private worlds of all male boarding houses and of female domestics toiling in isolated workplaces and the intrusive power that government and even well intentioned social reformers have wielded over immigrants deemed dangerous or otherwise in need of supervision Organized partly chronologically and largely by theme the topical sections will offer students a glimpse into Canada s complex immigrant past In order to facilitate classroom discussion each section contains an introduction that contextualizes the readings and raises some questions for debate A Nation of Immigrants will be useful both in specialized courses in Canadian immigration history and in courses on broader themes in Canadian history
