The Slut List:

The Slut List Gabriella Luciano,2012-05-28 When the press got a hold of The Slut List that was being passed around at the pristine Ivy Glen Academy the secret world of teenage debauchery suddenly sprawled out into the lives of everyone involved The veil of female sexual innocence was torn to shreds All that was left was a bevy of young women whose desires demanded satisfaction Valentina never imagined her entire world would come to revolve around the list nor that her step mother would do everything in her power to keep her on it That was not at all how she imagined her senior year was going to turn out Then again she didn't really end up with much choice in the matter When Brittney Van Slauson handed her the list and she saw her name on top her fate had already been sealed The fact that her step mother and the principal made sure she took her place as Brittney's slut made it painfully clear that she would no longer be making any decisions at all In this raw story of unrestrained girl power the cult of the teenage slut is taken to its most extreme ends What starts out as rumors and gossip turns into a full fledged spectacle of the queen bee transforming her girls into real slaves humiliated in the most perverse ways imaginable

Revenge of the Sluts Natalie Walton,2021-02-02 Double standards are about to get singled out In this stunning debut author Natalie Walton tackles privacy and relationships in the digital age As lead reporter for The Warrior Weekly Eden has covered her fair share of stories at St Joseph Secondary And when intimate pictures of six female students are anonymously emailed to the entire school Eden is determined to get to the bottom of it In tracking down leads Eden is shocked to discover not everyone agrees the students are victims Some people feel the girls brought it on themselves Even worse the school's administration seems more concerned about protecting its reputation than its students With the anonymous sender threatening more emails Eden finds an unlikely ally the six young women themselves Banding together to find the perpetrator the tables are about to be turned The Slut Squad is fighting back

Rumped! Ian Wood,2017-01-20 We the government having been duly elected by a minority of the people hold these truths to be self evident that all real men are created straight and white it is the White House after all that they are endowed by their creator with certain n o n i m i g r a n t inalienable rights and that among these are Profit Privilege and the Pursuit of tax havens and also copping a feel of any woman you fancy regardless of what she wants Thus began the monkey business of government with a president always fearing the next election a hastily chosen cabinet holding the last of the personalized vodka and an agenda sitting on the desk of what would have been the ovum office for the first time in history had four million registered voters got off their asses and done what they'd registered to do but we get the government we deserve carrying on tradition and did it carry on They don't refer to it as govern mental for nothing

"Sluts" on the Small Screen Libbie Searcy,2024-02-06 Viewers spend years laughing crying celebrating and mourning

with their favorite TV characters but when those characters are promiscuous women different viewers may have very different reactions Both sexual freedom and sexual shame run deep in the cultural waters so as TV's promiscuous female characters navigate those choppy waters what unfolds onscreen reflects and ultimately shapes perceptions of promiscuous women as liberated and adventurous damaged and destructive or even sick and gross This work examines fifteen promiscuous female characters and identifies trends in those portrayals from what motivates their promiscuity to the reproaches they face the revelations they have and the redemption it seems they must undergo as a result of their slutty ways This book aims not to promote promiscuity but to fight against the stigmatization of promiscuous women which is a fight against puritanical patriarchy that benefits everyone
