The Stone And The Song A Fairy Tale:

The Stone and the Song Ben Y. Faroe,2015-05-01 In a world where words are power and magic is song a voiceless girl must defeat the sorceress who betrayed her But soon she will find that the evil touches more lives than her own A sculptor of near living statues a fakir with the power of sight and a band of children chasing dreams in the desert all play their parts And at the center of it all lies a heart of stone that may hold the secret of unending life The Stone and the Song is a story of betrayal and of sacrifice of love and of dreams of strength in weakness and life beyond death Wrapped in lush imagery and poetic language it is a tale that will draw you in again and again Fathers Steven Henry,2021-11-22 When you strip away everything else what s left is the truth Life taught Joe Davidson not to believe in miracles A blue collar woodworker Joe is trying to build a future His father drank himself to death and his mother succumbed to cancer leaving a broken struggling family He and his brother and sisters are faced with failed marriages growing pains and lingering trauma Then a chance meeting at his local diner brings Mary Elizabeth Reynolds into his life Suddenly Joe finds himself reaching for something more a dream of happiness The woodworker and the poor girl from a trailer park connect and fall in love and for a little while everything is right with their world But suddenly Joe is confronted with a situation he never imagined What do you do if your fianc e is expecting a child you know isn t yours Torn between betrayal and love trying to do the right thing when nothing seems right anymore Joe has to strip life down to its truth and learn that in spite of the pain love can be the greatest miracle of all
