## **The Story Benedicta In English:**

**The Oxford Book of American Short Stories** Joyce Carol Oates, 2013 Joyce Carol Oates has performed a full review of her acclaimed 1992 anthology *The Oxford Book of American Short Stories* and in this second edition embraces those authors who have come to define turn of the century American literature Jhumpa Lahiri Junot Diaz Richard Ford and David Foster Wallace are just a few of the authors whose stories are now represented Each story is accompanied by a brief introduction and there is also a fascinating introductory essay by Joyce Carol Oates that explains why these stories form the foundation of the American literary canon and the trends and innovations that have taken place in the last twenty years The Rule of Saint Benedict Benedictus (santo.), 2011-05-23 One of the most influential texts in the Middle Ages *The Rule of Saint Benedict* offers guidance about both the spiritual and organizational dimensions from the loftiest to the lowliest of monastic life This new Latin English edition has features of interest for first time readers of the Rule as well as for scholars of medieval history and language The Latin text is a transcription of manuscript 914 of the Abbey of St Gall Switzerland an early ninth century copy regarded as the version that most closely reproduces Benedict's style The saint's idiom was informal sometimes conversational and heavily influenced by the spoken Latin of the sixth century CE In the Rule his voice and thought processes come through in all their strength and humanity Readers will find background to the monastic life in the notes This volume also includes texts and translations of two letters that explain the origins of the St Gall version as well as an index to all the translated materials The Living Church, 2001-07 *The Rule of Benedict* Saint Benedict (Abbot of Monte Cassino.), 2008-01-31 Founder of a monastery at Monte Cassino between Rome and Naples in the sixth century St Benedict intended his Rule to be a practical guide to Christian monastic life Based on the key precepts of humility obedience and love its aim is to create a harmonious and efficient religious community in which individuals can make progress in the Christian virtues and gain eternal life Here Benedict sets out ideal monastery routines and regulations from the qualities of a good abbot the twelve steps to humility and the value of silence to such every day matters as kitchen duties care of the sick and the suitable punishment for lateness at mealtimes Benedict's legacy is still strong his Rule remains a source of inspiration and a key work in the history of the Christian church *The End of Burnout* Jonathan Malesic, 2022-11-29 Going beyond the how and why of burnout a former tenured professor combines academic methods and first person experience to propose new ways for resisting our cultural obsession with work and transforming our vision of human flourishing Burnout has become our go to term for talking about the pressure and dissatisfaction we experience at work But in the absence of understanding what burnout means the discourse often does little to help workers who suffer from exhaustion and despair Jonathan Malesic was a burned out worker who escaped by quitting his job as a tenured professor In *The End of Burnout* he dives into the history and psychology of burnout traces the origin of the high ideals we bring to our jobs and profiles the individuals and communities who are already resisting our cultural commitment to constant work In *The End of Burnout* Malesic traces his

own history as someone who burned out of a tenured job to frame this rigorous investigation of how and why so many of us feel worn out alienated and useless in our work Through research on the science culture and philosophy of burnout Malesic explores the gap between our vocation and our jobs and between the ideals we have for work and the reality of what we have to do He eschews the usual prevailing wisdom in confronting burnout Learn to say no Practice mindfulness to examine how our jobs have been constructed as a symbol of our value and our total identity Beyond looking at what drives burnout unfairness a lack of autonomy a breakdown of community mismatches of values this book spotlights groups that are addressing these failures of ethics We can look to communities of monks employees of a Dallas nonprofit intense hobbyists and artists with disabilities to see the possibilities for resisting a total work environment and the paths to recognizing the dignity of workers and nonworkers alike In this critical yet deeply humane book Malesic offers the vocabulary we need to recognize burnout overcome burnout culture and acknowledge the dignity of workers and nonworkers alike **The Rule of**

**English Prose Fiction, Including Juveniles and Translations** Brooklyn Public Library, 1894 A Unicorn Dies Paul S. Fiddes, 2019-09-30 Giles Questing an undergraduate student at the University of Oxford finds his life taking an unexpected turn after the suspicious death of a PhD student a death the police believe to be suicide He determines to solve the mystery by following a trail of artworks that depict a unicorn Travelling to museums and galleries he gradually discovers the truth

about whether the student has taken his own life or been murdered and who if anyone is guilty His quest immerses him in the world of the unicorn in medieval and Renaissance art and introduces him to the present day obsession with the unicorn in the media advertising and social networks All this enables him to crack the code of the unicorn that has been buried in the tradition of the Christian church for many years and to answer the questions he has about a death that deeply affects him personally and that finally threatens his own life

Race and Ethnicity in Anglo-Saxon Literature Stephen Harris, 2004-06-01 What makes English literature English This question inspires Stephen Harris's wide ranging study of Old English literature From Bede in the eighth century to Geoffrey of Monmouth in the twelfth Harris explores the intersections of race and literature before the rise of imagined communities Harris examines possible configurations of communities illustrating dominant literary metaphors of race from Old English to its nineteenth century critical reception Literary voices in the England of Bede understood the limits of community primarily as racial or tribal in keeping with the perceived divine division of peoples after their languages and the extension of Christianity to Bede's Germanic neighbours was effected in part through metaphors of family and race Harris demonstrates how King Alfred adapted Bede in the ninth century how both exerted an effect on Archbishop Wulfstan in the eleventh and how Old English poetry speaks to images of race

**Sanctity and Environment in Ethiopian Hagiography** Abate Gobena, 2023-10-04 The original forests of the central and northern highlands of Ethiopia are almost entirely confined to the sacred groves surrounding the churches and monasteries of the Ethiopian Orthodox Tewahido Church In Ethiopian tradition sanctity starts from the Tabot on the altar of the church and extends to the outer periphery of the compound Church forests serve as shade and shelter for the sacred and are seen as integral parts of the churchyard The Act of Gebre Menfes Qiddus GGMQ is an original Ethiopic hagiographic text It depicts the life and struggle of the saint in the wilderness of forests and mountains Hagiographic texts like GGMQ are in Ethiopia not mere historical records but texts linked to the daily liturgical services that shape and mould the perceptions and actions of their readers and listeners The aim of the thesis is to analyse how GGMQ presents the relation between the saint and the natural environment in order to see if there is a correlation with how the Ethiopian tradition has preserved the church forests and has considered these to be sacred spaces representing the wilderness The aim is achieved through a close reading of the text and its intertexts using four selected themes as analytical instruments ascetic estrangement coexistence with non human creation identification with the angels and reconciliation of opposites The analysis and the fact that the GGMQ is one of the most venerated texts read and heard with great liturgical solemnity show that there are good reasons to believe that the constant reading of GGMQ has made and makes a significant impact upon the readers' views on the mutual co habitation of human and

non human creation and the development of an awareness of the need to preserve the wilderness and non human creation
