Dream of the Red Chamber Riccardo Moratto, Kanglong Liu, Di-kai Chao, 2022-12-15 This edited volume contains an excellent collection of contributions and presents various informative topics under the central theme literary and translation approaches to China's greatest classical novel Honglouloumeng Acclaimed as one of the Four Great Classical Novels of Chinese literature Honglouloumeng known in English as The Dream of the Red Chamber or The Story of the Stone epitomizes 18th century Chinese social and cultural life Owing to its kaleidoscopic description of Chinese life and culture the novel has also exerted a significant impact on world literature Its various translations either full length or abridged have been widely read by an international audience The contributors to this volume provide a renewed perspective into Honglouloumeng studies by bringing together scholarship in the fields of literary and translation studies Specifically the use of corpora in the framework of digital humanities in a number of chapters helps re address many issues of the novel and its translations from an innovative angle The book is an insightful resource for both scholars of Chinese literature and for linguists with a focus on translation studies

Changing Chinese Masculinities Kam Louie, 2016-06-01 It is now almost a cliché to claim that China and the Chinese people have changed Yet inside the new clothing that is worn by the Chinese man today Kam Louie contends we still see much of the historical Chinese man With contributions from a team of outstanding scholars Changing Chinese Masculinities studies a range of Chinese men in diverse and most importantly Chinese contexts It explores the fundamental meaning of manhood in the

Chinese setting and the very notion of an indigenous Chinese masculinity In twelve chapters spanning the late imperial period to the present day *Changing Chinese Masculinities* brings a much needed historical dimension to the discussion Key aspects defining the male identity such as family relationships and attitudes toward sex class and career are explored in depth Familiar notions of Chinese manhood come in all shapes and sizes Concubinage reemerges as the taking of second wives in recent decades Male homoerotic love and male prostitution are shown to have long historical roots The self images of the literati and officials form an interesting contrast with those of the contemporary white collar men Masculinity and nationalism complement each other in troubling ways China has indeed changed and is still changing but most of these social transformations do not indicate a complete break with past beliefs or practices in gender relations *Changing Chinese Masculinities* inaugurates the Hong Kong University Press book series *Transnational Asian Masculinities* Produced by a group of outstanding scholars this volume offers important insights into little known aspects of Chinese masculinity An indispensable reference for those with an interest in Chinese sexuality social history and contemporary Chinese culture Anne McLaren professor of Chinese studies University of Melbourne In this book scholars of late imperial and contemporary China gather to define and critique masculinity in both periods explore its complexities and map continuities and discontinuities What are the traditional models and to what degree do they still maintain a grip today Is there a masculinity crisis in China and what does it mean to be a Chinese man today These are some of the daring topics the authors explore Keith McMahon professor of Chinese language and literature University of Kansas

Living the Good Life Elif Akçetin, Suraiya Faruqi, 2017-10-02 Eighteenth century consumers of the Qing and Ottoman empires had access to an increasingly diverse array of goods from home furnishings to fashionable clothes and new foodstuffs While this tendency was of shorter duration and intensity in the Ottoman world some urbanites of the sultans realm did enjoy silks coffee and Chinese porcelain By contrast a vibrant consumer culture flourished in Qing China where many consumers flaunted their fur coats and indulged in gourmet dining *Living the Good Life* explores how goods furthered the expansion of social networks alliance building between rulers and regional elites and the expression of elite urban and gender identities The scholarship in the present volume highlights the recently emerging material turn in Qing and Ottoman historiographies and provides a framework for future research Contributors Arif Bilgin Michael G Chang Edhem Eldem Colette Establet Antonia Finnane Selim Karahasanoglu Lai Hui min Amanda Phillips Hedda Reindl Kiel Martina Siebert Su Te Cheng Joanna Waley Cohen Wang Dagang Wu Jen shu Yld z Ylmaz and Yun Yan

Style, Wit and Word-Play Tao Tao Liu, Chan Sin-wai, Laurence Wong, 2011-12-08 This collection of essays is dedicated to the memory of David Hawkes 1923 2009 who is remembered as a pre eminent translator and interpreter of Chinese literature into English his most famous work being the translation of the classic eighteenth century Chinese novel *the Hongloumeng* or *The Story of the Stone* The first part of the collection consists of studies on him and his works the second part on the art of translation into English from Chinese literature All the essays

are written by scholars in the field from Britain America Australia and Hong Kong

Men and Women in Qing China Edwards, 2021-09-13 Men and Women in Qing China is an analysis of Chinese prescriptions of gender as represented in Cao Xueqin's famous eighteenth century Chinese novel of manners The Red Chamber Dream or The Story of the Stone Drawing on feminist literary critical methods it examines Qing notions of masculinity and femininity including themes such as bisexuality motherhood virginity and purity and gender and power Its central aim is to challenge the common assumption that the novel represents some form of early Chinese feminism by examining the text in conjunction with historical data The book will be especially important to those interested in issues of gender in China the history of Chinese literary criticism and the application of feminist theory to the Asian text

The Cambridge Companion to Global Literature and Slavery Laura Murphy, 2022-12-22 The Cambridge Companion to Global Literature and Slavery reveals the way recent scholarship in the field of slavery studies has taken a more expansive turn in terms of both the geographical and the temporal These new studies perform area studies driven analyses of the representation of slavery from national or regional literary traditions that are not always considered by scholars of slavery and explore the diverse range of unfreedoms depicted therein Literary scholars of China Central Asia the Middle East and Africa provide original scholarly arguments about some of the most trenchant themes that arise in the literatures of slavery authentication and legitimation ethnic formation and globalization displacement exile and alienation representation and metaphorization and resistance and liberation This Cambridge Companion to Global Literature and Slavery is designed to highlight the shifting terrain in literary studies of slavery and collectively challenge the reductive notion of what constitutes slavery and its representation

Living with Separation in China Charles Stafford, 2003-09-02 First Published in 2004 Separation for example the process of leaving behind temporarily or permanently individuals to whom we are attached is something experienced by humans in all societies In the case of China the rituals and practices associated with separation and with its corollary reunion are especially elaborate They are crucial elements within the Chinese cultural tradition In addressing through the use of case studies the central theme of separation this book also provides a good general introduction to many of the classic debates within anthropological and historical analyses of China It will therefore prove an interesting and useful resource to students of Asian studies and anthropology as well as the general reader with an interest in the Chinese cultural tradition

The Lost Book of Sun Yatsen and Edwin Collins Patrick Anderson, 2016-11-25 Sun Yatsen 1866 1925 occupies a unique position in modern Chinese history he is equally venerated as the founding father of the nation by both the mainland Communist government and its Nationalist rival in Taiwan The first president of the Republic of China in 1911 12 the peasant born yet Western trained Dr Sun was also a dedicated political theorist constantly in search of the ideal political and constitutional blueprint to underpin his incomplete revolution A decade before the public emergence in Japan of his Three Principles of the People and weeks before even his first slim publication in 1897 Kidnapped in London Sun was already hard at work in the Reading Room of the British Museum

planning his most ambitious book yet a comprehensive political treatise in English on the tyrannical misgovernment of the Chinese nation by the Manchus of the Qing Dynasty Started then abandoned twice over destined never to be completed let alone published we can only conjecture what title this revolutionary book might have had The Lost Book of Sun Yatsen and Edwin Collins is the first study of this lost work in all scholarship Western or Chinese It draws its originality and its themes from three primary sources all presented here for the first time The first is a series of interconnected lost writings co authored by Sun Yatsen between 1896 and 1898 The second is the mass of lost political interviews with and articles dedicated to Sun Yatsen and his politics first published in the British press in the aftermath the dramatic world famous rescue of Sun from inside the Chinese Legation in London in 1896 The third source is the Apostle of the Simple Life for Children the Anglo Jewish Rabbi Edwin Collins 1858 1936 a devotee and practitioner of Jean Jacques Rousseau s mile and the New Education movement it inspired who became Sun s writing collaborator of choice during his years of political exile from China Drawing on this wealth of neglected material Patrick Anderson s book offers a genuinely fresh perspective on Sun Yatsen and his political motivations and beliefs *The Secret Life of Literature* Lisa Zunshine,2022-03-15 An innovative account that brings together cognitive science ethnography and literary history to examine patterns of mindreading in a wide range of literary works For over four thousand years writers have been experimenting with what cognitive scientists call mindreading constantly devising new social contexts for making their audiences imagine complex mental states of characters and narrators In *The Secret Life of Literature* Lisa Zunshine uncovers these mindreading patterns which have until now remained invisible to both readers and critics in works ranging from *The Epic of Gilgamesh* to *Invisible Man* Bringing together cognitive science ethnography and literary studies this engaging book transforms our understanding of literary history Central to Zunshine s argument is the exploration of mental states embedded within each other as for instance when Ellison s *Invisible Man* is aware of how his white Communist Party comrades pretend not to understand what he means when they want to reassert their position of power Paying special attention to how race class and gender inform literary embedments Zunshine contrasts this dynamic with real life patterns studied by cognitive and social psychologists She also considers community specific mindreading values and looks at the rise and migration of embedment patterns across genres and national literary traditions noting particularly the use of deception eavesdropping and shame as plot devices Finally she investigates mindreading in children s literature Stories for children geared toward different stages of development she shows provide cultural scaffolding for initiating young readers into a long term engagement with the secret life of literature
