The Strange Laws Of Old England Nigel

Cawthorne, 2015-11-05 Did you know that It s against the law to check into a hotel in London under assumed names for the purpose of lovemaking Under a statute of Edwards II all whales washed up on the shore belong to the monarch Under a Tudor law Welshmen are not allowed into the city of Chester after dark In THE STRANGE LAWS OF OLD ENGLAND Nigel Cawthorne unearths an extraordinary collection of the most bizarre and arcane laws that have been enacted over the centuries Some of the laws incredibly are still in force It is still illegal to enter the Houses of Parliament in a suit of armour

This elegant and amusing book is perfect for everyone fascinated by the eccentric history of these islands **The Sex**

Secrets Of Old England Nigel Cawthorne, 2018-09-06 Once again Nigel Cawthorne takes the reader on a fascinating journey through the strange hidden sexual history of England The history of sex in Britain has been largely glossed over by proper historians Nigel Cawthorne has burrowed deep into the archives to reveal exactly what our ancestors got up to in bed and out of it There are chapters on the ancient arts of seduction adultery brothels the English vice contraception defloration and many more from the torrid Tudors to the supposedly strait laced Victorians **The Curious Cures Of Old England**

Nigel Cawthorne, 2018-08-02 Did you know that a child can be cured of the whooping cough by passing it under the belly of a donkey The history of medicine in Britain is filled with the most bizarre and gruesome cures for many common ailments Although enthusiastically supported by doctors of the time many of these cures were often useless and often resulted in the death of the patient But strange and alarming though many of the cures may seem some of them did in fact work and provide the basis of much of the medicine we take for granted nowadays The use of herbs by medieval monks was remarkably effective and still is today This highly entertaining and informative book will fascinate anyone who has ever wondered whether doctors really know what they are talking about just don t try any of the cures mentioned at home Or that weak eyes can be cured by the application of chicken dung or alternatively be large draughts of beer taken in the morning Or that the juice extracted from a bucketful of snails covered in brown sugar and hung over a basin overnight was once used to cure a sore throat

The Boleyns Amanda Harvey Purse, 2022-10-15 Starting with Anne Boleyn wife of Henry VIII Amanda Harvey Purse looks at significant Boleyns through history shining a spotlight on how their story has been entwined with that of the British monarchy for almost 500 years *The Friend* , 1842 **A Catalogue of Twenty-five Thousand Volumes of**

The Beastly Battles Of Old England Nigel

Cawthorne, 2011-10-06 Throughout history the English have been a warlike lot Often we fight among ourselves there have been a good few civil wars and when we were not slaughtering each other we practiced on our neighbours the Scots the Irish the French When that got too easy we set off around the world to find other people to fight This was usually done with a hubris that invited some ludicrous pratfall In THE BEASTLY BATTLES OF OLD ENGLAND Nigel Cawthorne takes us on a

darkly humorous journey through some of our ill advised military actions From the war over a severed ear to a general seeking out his rival s mistresses to even the score it is a miscellany of insufferable arrogance reckless gallantry stunning stupidity massive misjudgements and general beastliness
