## **The Saint Bids Diamonds The Saint Series:**

**The Saint Bids Diamonds** Leslie Charteris, 2013-08-29 The Saint's holiday in Tenerife comes to a dramatic end when he rescues an elderly Dutch diamond cutter and his daughter from a vicious attack. It seems the old man is a reluctant member of a jewel smuggling gang and naturally Simon offers to help him out for just a small share of the boodle. But things get complicated when the Saint learns the old man had a lottery ticket worth 2 million which has now gone missing. As the plot gets more complex, Simon struggles to play a winning hand. [The Saint](#) Burl Barer, 2003-05-30 The now legendary

character created by Leslie Charteris has survived nearly three quarters of a century of perilous action and narrow escapes with nary a hair out of place nor the slightest jolt to his jauntily tipped halo. From his earliest days battling crooks, blood suckers, traders in vice and damnation and cracking the occasional safe on the side, the Saint has captured the imaginations of millions. Using the voluminous correspondence and writings of author Leslie Charteris and examining the many incarnations of Simon Templar, alias The Saint, in other media, a detailed history emerges. Includes plot synopses of the radio and television programs with air dates and production credits, descriptions of the movies and their credits, a bibliography, reviews of the books, and quotes from the principals. **The Saint in Action** Leslie Charteris, 2013-08-29 The Saint never asks for adventures but they will keep happening to him, and these three classic stories force him into action once more. In *The Spanish Civil War*, a 10 debt leads to a dead body, a large quantity of bearers' bonds, and another tussle with Inspector Teal. *The Unlicensed Victuallers* sees Simon get involved with liquor smuggling in Dorset and a dangerous femme fatale while *The Beauty Specialist* entangles him with film stars and movie moguls and a particularly unpleasant blackmailer. [Saint Overboard](#) Leslie Charteris, 2013-08-29 How could the

Saint possibly resist the chance of a treasure hunt? When his sailing trip along the French coast is interrupted by gunfire and shouting, naturally he gets curious. The cause of the commotion is a group of men pursuing a young woman, and once Simon steps in to help the damsel in distress, he soon finds himself on the trail of a group of modern-day pirates and searching for a huge amount of gold. **The Saint on the Spanish Main** Leslie Charteris, 2014-01-30 The Saint is a traditionalist; he knows

what a good pirate story needs: Gold, hidden treasure, smugglers, dastardly villains, and damsels in distress. From Bimini to Nassau, via Jamaica and Haiti, the Saint travels the Caribbean, interrupting his holidays to settle disputes, solve murders, overthrow governments, and hunt for treasure. Wherever he lands, you can be sure that the Ungodly will get what's coming to
