Lofholm reveals the simple but powerful strategy he's taught to tens of thousands of students that anyone can use to improve their sales performance. Eric's message is that those who are not good at sales can become good and those who are already good can become great simply by making small continuous improvements in four key areas: self improvement, sales skills, product and service knowledge, and technology. He gives readers a game plan for making improvements in each of these areas and provides hundreds of detailed strategies, practical exercises, and actionable instructions to use immediately to begin improving sales results. Each chapter includes a convenient at a glance summary and there's a quick review guide so that readers can easily use Continuous Sales Improvement as an ongoing reference. Continuous Sales Improvement includes case studies from legendary figures in the history of sales plus interviews with some of today's top performers. It also includes tips for selling in specific industries including real estate, insurance, financial services, and network marketing. Those who are a salesperson, a sales trainer, or just a business owner who wants better sales results, Continuous Sales Improvement is a must have.
