The Scarlet Letter novel by Nathaniel Hawthorne published in 1850. It is considered a masterpiece of American literature and a classic moral study. The novel is set in a village in Puritan New England. The main character is Hester Prynne, a young woman who has borne a child out of wedlock. Hester believes herself a widow, but her husband Roger Chillingworth arrives in New England very much alive and conceals his identity. He finds his wife forced to wear the scarlet letter A on her dress as punishment for her adultery. After Hester refuses to name her lover, Chillingworth becomes obsessed with finding his identity. When he learns that the man in question is Arthur Dimmesdale, a saintly young minister who is the leader of those exhorting her to name the child's father, Chillingworth proceeds to torment him. Stricken by guilt, Dimmesdale becomes increasingly ill. Hester herself is revealed to be a self-reliant heroine who is never truly repentant for committing adultery with the minister; she feels that their act was consecrated by their deep love for each other. Although she is initially scorned, over time her compassion and dignified silence win many of her critics. In the end, Chillingworth is morally degraded by his monomaniacal pursuit of revenge. Dimmesdale is broken by his own sense of guilt and he publicly confesses his adultery before dying in Hester's arms. Only Hester can face the future bravely as she prepares to begin a new life with her daughter Pearl in Europe. Years later, Hester returns to New England where she continues to wear the scarlet letter. After her death, she is buried next to Dimmesdale, and their joint tombstone is inscribed with: ON A FIELD SABLE THE LETTER A GULES. The Scarlet Letter Nathaniel HAWTHORNE, 2021-10-05. The Scarlet Letter opens with a long preamble about how the book came to be written. The nameless narrator was the surveyor of the customhouse in Salem, Massachusetts. In the customhouse's attic, he discovered a number of documents among them a manuscript that was bundled with a scarlet gold embroidered patch of cloth in the shape of an A. The manuscript, the work of a past surveyor, detailed events that occurred some two hundred years before the narrator's time. When the narrator lost his customs post, he decided to write a fictional account of the events recorded in the manuscript. The Scarlet Letter is the final product. The story begins in seventeenth-century Boston, then a Puritan settlement. A young woman, Hester Prynne, is led from the town prison with her infant daughter Pearl in her arms and the scarlet letter A on her breast. A man in the crowd tells an elderly onlooker that Hester is being punished for adultery. Hester's husband, a scholar much older than she, sent her ahead to America but he never arrived in Boston. The consensus is that he has been lost at sea. While waiting for her husband, Hester has apparently had an affair as she has given birth to a child. She will not reveal her lover's identity, however, and the scarlet letter along with her public shaming is her punishment for her sin and her secrecy. On this day, Hester is led to the town scaffold and harangued by the town fathers, but she again refuses to identify her child's father. American Madonna John Gatta, 1997-11-27 This book explores a notable if unlikely undercurrent of interest in Mary as mythical Madonna that has persisted in American life and letters from fairly early in the nineteenth century into the later twentieth This imaginative involvement with the Divine Woman verging at times on devotional homage is especially intriguing as manifested in the Protestant writers who are the focus of this study Nathaniel Hawthorne Margaret Fuller Harriet Beecher Stowe Harold Frederic Henry Adams and T S Eliot John Gatta argues that flirtation with the Marian cultus offered Protestant writers symbolic compensation for what might be culturally diagnosed as a deficiency of psychic femininity or anima in America He argues that the literary configurations of the mythical Madonna express a subsurface cultural resistance to the prevailing rationalism and pragmatism of the American mind in an age of entrepreneurial conquest
