*The Secret Circus of Pain and Degradation* Fulani, 2010-06-23 BDSM Erotica When a circus sets up camp outside their small town Amy and Paula are immediately drawn to its exotic allure However this is not your typical spectacle of acrobatics wild animals and zany circus clowns The two young women are surprised to find trapeze artists wearing nothing but thongs and tattoos and an equestrian act with human females as ponies complete with bridles harness and tails fixed to rumps that bear the marks from a trainer s whip Even the clowns have contrived to lose most of their clothing Had this circus camped inside the town limits it would have been shut down as an offense to the public morals in their small minded community But for the na ve Paula and Amy the unusual circus is a titillating adventure and they hunger to see more After the main show Amy and Paula are given a handbill for a special late night performance that sounds too enticing to ignore Explicit and revealing enactments of the most depraved and terrifying human appetites Witness the truly debauched excesses of famous emperors kings and queens through history Also presenting the unexpurgated reenactment of Scenes from the Inquisition Although the shocking performances are beyond the girls wildest imaginings they tap into secret sexual fantasies they both share Bondage whips and riding crops abound and as advertized the reenactments portray the most depraved scenes of female ravagement for gawking eyes to relish Little do the two realize that the mesmerizing ringmaster has a talent for hypnotism and before the night is over they will find themselves performing degrading acts under the man s skillful manipulation After a long and bewildering night Amy and Paula awaken in the morning with vague recollections of being dumped in a wagon Kidnapped and bound the two jostle about in a circus cart as they are carried off to a new life and the grueling training that life requires This sexy and adventurous duo will soon become professional performing submissives in the S M world of the circus folk Though there are perils and dangers along the way this is a fate they ll come to embrace This wildly captivating story is filled with startling twists and numerous strong scenes of S M and rough sex

**The Importance of Being Different** Chris Foss, 2025-04-18 Understanding Oscar Wilde's characteristically unique approach to writing difference Over the course of his remarkable career Oscar Wilde published two volumes of fairy tales *The Happy Prince and Other Tales* and *A House of Pomegranates* Both collections feature numerous stories with protagonists who may be said to be disability aligned owing to their pronounced physical differences In *The Importance of Being Different* Chris Foss explores the way that Wilde's stories problematically replicate many of the Victorian era's typical responses to disability but also the ways they diverge offering a more progressive orientation both through more sympathetic identifications with disability aligned characters and through a self-conscious foregrounding of the mechanisms of pity and the consumption of pain The first ever monograph to examine Wilde's work through a disability studies lens this groundbreaking book encompasses all of his fairy tales as well as his writings during and after imprisonment Even though Wilde unflinchingly represented the extent to which these peculiar bodies suffered rejection by society he encouraged his readers to embrace them and to advocate for emotional responses that engage love and kindness toward both individual transformation and social change
