Andreasen,2014-03-24 The book of Hebrews appeared during a critical time in the history of the early church The destruction of Jerusalem was impending and many of the believers believed the end of the world was near However Paul warned the church against entertaining a false hope for he knew they were misguided with their beliefs It was a critical time the apostles were passing away and soon the church would be left alone It was in this hour of perplexity that the book of Hebrews appeared with needed light and comfort The people needed a clear conception of the work Christ was doing for them in the courts above and this book explained the delay in His return and restored their wavering faith The conditions and problems which the church then had to meet are not unlike those facing the church today While the early church was living at the time of the fulfillment of the first part of Christ s prophecy the destruction of the city of Jerusalem and the temple we are living at the time of the fulfillment of the second part of the prophecy the coming of the Lord Jesus in the clouds of heaven As there was misconceptions of Christ s work in the sanctuary then so there are those now who likewise err There is as much need today of a thorough study of the Scriptures as there was then and more so The book of Hebrews was a great factor in stabilizing the apostolic church in the crisis hour before the fall of Jerusalem and it is hoped that a discussion of the mighty themes of the book of Hebrews will be of some help to the church of God today All need to have their eyes fastened on our great High Priest and the work He is doing in the sanctuary above And may it be the blessed privilege of many with boldness to enter into the holiest by the blood of Jesus by a new and living way which he hath consecrated for us through the veil that is to say his flesh Heb 10 19 20 This was the prayer and hope of the author of Hebrews and this also is the hope of the author of this volume **Miracles Are for Today** Troy Edwards,2010-11 For centuries the place of miracles in the church has been debated This controversy remains in our day Numerous views and theological positions are advocated in defense or rejection of miracles for today There are some who believe they are for today some who outright deny their validity for today and some who remain unsure Even among those who believe that God has never ceased working miracles there are a number of perspectives ranging from the idea that they are rare that they are

spontaneous and happen only at God's sovereign whim and then there are those who believe that a faith-filled group of Christians who believe God's promises can experience them frequently. In his book *Miracles Are For Today* Pastor Troy J. Edwards refutes the idea that God's miracles are only for a past generation and explains from Scripture how God's people can experience frequent miracles in their corporate worship as well as within their personal lives. Get ready to believe God for a miracle today.

The Churchman, 1880 The Principles of Powerful Prayer Richard T.R. Sullivan, 2011-10-14 This is a book on prayer that is simple but most of all practical. All the aspects of prayer are covered and broken down into a series of easy-to-follow steps. This book is easy to use; it's just like following a recipe of prayer.

Just Like Jonah Jarod Gordon, 2023-07-21 In this book Jarod paints a vivid picture to help us see how we act and think like Jonah. I'll give you a fair warning: it's more often than we might want to admit Jarod has the heart of a pastor and he desires to help us see beyond the obvious to the not-so-known parts of the story. When we do that, we'll see that Jonah's story is one we can relate to at every level.
