Women Warriors Tracey-Ann Knight,2017-08-15 Explores the compelling lives of the extraordinary women who rebelled against constraints placed upon their sex to become warriors **Forgotten Hero of Bunker Valentin** Michèle

Callan,2017-03-01 In 1943 thirty two Irish POWs refused a Gestapo request to work for Germany They were sent to a labour camp where they were starved beaten and forced to dig the foundations for a Nazi super structure codenamed Bunker Valentin an immense U boat factory Thousands of the camp s prisoners perished including five of the Irishmen bodies fell into the foundations and were never recovered The surviving Irishmen were saved by the goodwill of decent Germans Among them was Harry Callan a Catholic boy from Derry who went to sea at sixteen as a British Merchant Navy seaman His ship had been captured by a German raider two years before he ended up at the labour camp Harry was unable to speak about the brutality he experienced for decades after he was liberated When he finally began to tell his story his family were shocked by what they heard In his eighties Harry agreed to revisit the site of his incarceration He found local historians had no evidence of the Irish prisoners they had disappeared from official records Determined to give his comrades recognition he began working to preserve their memory This is the gripping story of Harry s capture resistance and liberation But above all it is the final chapter in his quest to honour the forgotten heroes of Bunker Valentin **Forgotten Patriot** Brian

Murphy,2016-09-01 It had been a busy few days for Adolf Hitler but Douglas Hyde had not slipped his mind On 25 June 1938 Douglas Hyde became the first President of Ireland His values stood in stark contrast to those of the continental dictator As a Protestant nationalist and a leading figure in the language revival he made the office an inclusive one and determined to be a president for all the people of Ireland He also played a highly significant but previously unheralded role in the state s policy of neutrality during the Second World War Hitler s fleeting fixation with Hyde was that the new presidency significantly

diluted Ireland's bonds with the British Empire The accepted wisdom is that Hyde's transition to the presidency was a seamless process but new research shows it only came about on foot of a late political compromise He may have been a compromise candidate but with his non-partisan background he was also an inspired choice Forgotten Patriot shows Hyde's considerable impact on the development and perception of the office of President of Ireland **STIRRUP STORIES and LAMBS' TALES** Anne Holland, 2022-06-30 Step right in and enjoy the journey Brough Scott The myth of pretty lambs gambolling around in spring sunshine is exploded as the would-be farmers struggle through the worst spring for decades with a mix of humour and ill-temper, sorrow and occasionally joy Life in the saddle on the farm and with the pen is told in diverse tales of orphan lambs, runaway racehorses, pigs in the bath, dead and lambs in the Rayburn alive Amusing anecdotes encountered by the first girls to ride under National Hunt Rules are also portrayed in a miscellany of country life, race riding and farming in this appealing 1970s memoir The individual characters of the all too many orphaned lambs are at times uncannily human as they suffer trials, triumphs and tragedies in a reflection of life in general The landscape around them is minutely observed and intertwined are the forays in point to points and a mix of experiences as a local newspaper reporter The author's story combines pathos with humour, a sense of adventure and above all an over-riding love of animals and life About the Author Anne Holland is the author of more than twenty-five books including the best-sellers Steeplechasing A Celebration of 250 Years Grand National The Official Celebration of 150 years Arkle The Legend of Himself and The Secret of Kit Cavenaugh A Remarkable Irishwoman and Soldier Anne lives in a beautiful part of Wiltshire beneath the Marlborough Downs with her elderly Golden Retriever, a young Beagle, her beloved pony cob Sailor and two new hips Author praise Wonderful tales Ann Hussey QC
