

THE SECRET WORLD OF AMERICAN COMMUNISM

HARVEY KLEHR, JOHN EARL HAYNES, & FRIDRIKH IGOREVICH FIRSOV

The Secret World Of American Communism

Jeff Smith

The Secret World Of American Communism:

The Secret World of American Communism Harvey Klehr, John Earl Haynes, Fridrikh Igorevich Firsov, 1995-01-01 The hidden world of American communism can now be examined with the help of documents from the recently opened archives of the former Soviet Union Interweaving narrative and documents the authors of this book present a convincing new picture of the Communist Part of the the United States of America CPUSA providing proof that it was involved in espionage and other subversive activities 16 illustrations *The Soviet World of American Communism* Harvey Klehr, John Earl Haynes, Kyrill M. Anderson, 2008-10-01 The Secret World of American Communism 1995 filled with revelations about Communist party covert operations in the United States created an international sensation Now the American authors of that book along with Soviet archivist Kyrill M Anderson offer a second volume of profound social political and historical importance Based on documents newly available from Russian archives The Soviet World of American Communism conclusively demonstrates the continuous and intimate ties between the Communist Party of the United States of America CPUSA and Moscow In a meticulous investigation of the personal organizational and financial links between the CPUSA and Soviet Communists the authors find that Moscow maintained extensive control of the CPUSA even of the American rank and file The widely accepted view that the CPUSA was essentially an idealistic organization devoted to the pursuit of social justice must be radically revised say the authors Although individuals within the organization may not have been aware of Moscow s influence the leaders of the organization most definitely were The authors explain and annotate ninety five documents reproduced here in their entirety or in large part and they quote from hundreds of others to reveal the actual workings of the American Communist party They show that the USSR covertly provided a large part of the CPUSA budget from the early 1920s to the end of the 1980s Moscow issued orders which the CPUSA obeyed on issues ranging from what political decisions the American party should make to who should serve in the party leadership the CPUSA endorsed Stalin s purges and the persecution of Americans living in Russia **The Communist Experience in America** Harvey Klehr, 2017-07-28 Arguments about whether distinctive features of American society culture political structure economic system or population account for the relative weakness of American radicalism have engaged historians sociologists and political scientists for decades Influential concepts such as frontier theory have been linked with the absence of class conflict in America Other analysts have attributed the failure of the American Left to fierce repression giving red scares and the McCarthy era as illustrations Some have linked the American Left s failure to American immigration winner take all elections and the cultural values of individualism The Communist Party one of America s largest and longest lasting radical groups offers many lessons about how radical political groups can take advantage of or squander their opportunities Klehr focuses on the theme of American exceptionalism and problems that America s capitalist society raised for Marxism and other radical groups The Communist Experience in America deals with dissident communist formulations Such groups included a number of talented men who

went on to a variety of political and literary careers Klehr also deals with fellow travelers some of whom wrote fascinating essays on American exceptionalism and the decline of political extremism In part Klehr hopes to inspire the same moral outrage about Communism that fuels those dedicated to ensuring that Nazi crimes are never forgotten or obfuscated Communism in practice everywhere in the world also came at enormous human cost Regardless of their other virtues or qualities those who supported or defended Communism from the safety of the United States must be called to account This work does just that in detail and depth [Red Chicago](#) Randi Storch,2007 Realities of the street level American Communist experience during the worst years of the Depression **James P. Cannon and the Origins of the American**

Revolutionary Left, 1890-1928 Bryan D. Palmer,2010-10-01 Bryan D Palmer s award winning study of James P Cannon s early years 1890 1928 details how the life of a Wobbly hobo agitator gave way to leadership in the emerging communist underground of the 1919 era This historical drama unfolds alongside the life experiences of a native son of United States radicalism the narrative moving from Rosedale Kansas to Chicago New York and Moscow Written with panache Palmer s richly detailed book situates American communism s formative decade of the 1920s in the dynamics of a specific political and economic context Our understanding of the indigenous currents of the American revolutionary left is widened just as appreciation of the complex nature of its interaction with international forces is deepened **The Routledge Handbook of American Military and Diplomatic History** Christos Frentzos,Antonio Thompson,2013-08-29 The Routledge Handbook of U S Military and Diplomatic History provides a comprehensive analysis of the major events conflicts and personalities that have defined and shaped the military history of the United States in the modern period Each chapter begins with a brief introductory essay that provides context for the topical essays that follow by providing a concise narrative of the period highlighting some of the scholarly debates and interpretive schools of thought as well as the current state of the academic field Starting after the Civil War the chapters chronicle America s rise toward empire first at home and then overseas culminating in September 11 2001 and the War on Terror With authoritative and vividly written chapters by both leading scholars and new talent maps and illustrations and lists of further readings this state of the field handbook will be a go to reference for every American history scholar s bookshelf **America** William J. Bennett,2007-10-16 **Sleeper Agent** Ann Hagedorn,2022-06-28 Born in Iowa schooled in science at Columbia University and as American as baseball George Koval was the ultimate secret agent Because he had security clearances to the Manhattan Project he was able to pass invaluable classified information that helped Soviet scientists produce an atomic bomb years earlier than U S experts had expected The FBI only identified him several years after he had returned to the Soviet Union and in 2007 Vladimir Putin posthumously awarded him Russia s highest civilian honor for his contribution to the Soviet atomic bomb program As William J Board wrote in The New York Times Koval was one of the most important spies of the twentieth century but because of his success he is also the least known Sleeper Agent is his fascinating story a real life thriller as gripping as any spy novel Book jacket

Learning from the Left Julia L. Mickenberg, 2005-11-10 At the height of the Cold War dozens of radical and progressive writers illustrators editors librarians booksellers and teachers cooperated to create and disseminate children's books that challenged the status quo *Learning from the Left* provides the first historic overview of their work Spanning from the 1920s when both children's book publishing and American Communism were becoming significant on the American scene to the late 1960s when youth who had been raised on many of the books in this study unequivocally rejected the values of the Cold War *Learning from the Left* shows how radical values and ideas that have now become mainstream including cooperation interracial friendship critical thinking the dignity of labor feminism and the history of marginalized people were communicated to children in repressive times A range of popular and critically acclaimed children's books many by former teachers and others who had been blacklisted because of their political beliefs made commonplace the ideas that McCarthyism tended to call subversive These books about history science and contemporary social conditions as well as imaginative works science fiction and popular girls mystery series were readily available to children most could be found in public and school libraries and some could even be purchased in classrooms through book clubs that catered to educational audiences Drawing upon extensive interviews archival research and hundreds of children's books published from the 1920s through the 1970s *Learning from the Left* offers a history of the children's book in light of the history of the Left and a new perspective on the links between the Old Left of the 1930s and the New Left of the 1960s Winner of the Grace Abbott Book Prize of the Society for the History of Children and Youth

Deadly Farce Robert M. Lichtman, Ronald D. Cohen, 2004 The book traces the rise and fall of Harvey Matusow a wise guy professional informer witness of the McCarthy era whose dramatic recantation led to his own imprisonment but hastened the end of the era No issue so possessed the nation in the first half of the 1950s as alleged Communist subversion in the United States Communist Party member an undercover FBI informer inside the Party and then a leading witness for the government during the McCarthy era until he recanted his testimony His story illuminates a disturbing time in American history one with renewed relevance today Matusow was easily the most flamboyant of the professional ex Communists a celebrity informer who considered himself booked by Congressional committees not just to testify but to entertain He testified that Communists fostered loose sex taught politicized Mother Goose rhymes to small children and tried to infiltrate the Boy Scouts He also named more than 200 people as Communists and was a prosecution witness in major criminal cases transcripts personal interviews private papers and other primary sources most never before utilized to describe the unusual role of ex Communist informer witnesses during the McCarthy era The Justice Department kept several dozen political informers on the government's payroll to testify in hundreds of deportation sedition and contempt of Congress cases Some informers achieved celebrity as the result of high profile appearances at criminal trials and before Congressional committees But as the era continued instances of perjury began to appear Harvey Matusow's sensational recantation in 1955 gave him his biggest audience yet It led to the dissolution

of the Justice Department's informer stable and ended the public's infatuation with the group. Matusow's unrepentant and at times vaudevillian appearances before the Senate red hunting committee investigating his recantation followed by his prosecution for perjury for the recantation not his original testimony and prison sentence mark the climax of *Deadly Farce*. McCarran and Elizabeth Bentley among many others offers an inside entertaining and closely documented view of a largely untold part of McCarthy era history. The columnist Murray Kempton described Matusow as a truly remarkable witness in the opera bouffe sense demanded by inquisitions of the 1950s.

Red Conspirator Thomas L. Sakmyster, 2011 The author traces Peters's activities from his arrival in the United States to the dawn of the Cold War and his deportation back to Hungary. Known as the Hungarian man of mystery, Peters emigrated to the United States in 1924 after serving in the Austrian Army during World War I. In America he oversaw a false passport operation that facilitated the movement of Soviet agents to the United States and American communists to the Soviet Union. Working under a number of aliases he constructed a complex network of informants and spies that stole numerous State Department documents in the 1930s. After years of hiding underground he was arrested and deported in 1949. The author reveals Peters to be not just the influential leader of conspiratorial Communist activities but also an organizer in the open American Communist party. The author of a handbook on Communism, Peters also set up a program to infiltrate the armed forces in the United States.

American Labor and the Cold War Robert W. Cherny, William Issel, Kieran Walsh Taylor, 2004 The American labor movement seemed poised on the threshold of unparalleled success at the beginning of the post World War II era. Fourteen million strong in 1946, unions represented thirty-five percent of non-agricultural workers. Why then did the gains made between the 1930s and the end of the war produce so few results by the 1960s? This collection addresses the history of labor in the postwar years by exploring the impact of the global contest between the United States and the Soviet Union on American workers and labor unions. The essays focus on the actual behavior of Americans in their diverse workplaces and communities during the Cold War. Where previous scholarship on labor and the Cold War has overemphasized the importance of the Communist Party, the automobile industry and Hollywood, this book focuses on politically moderate conservative workers and union leaders, the medium-sized cities that housed the majority of the population and the Roman Catholic Church. These are all original essays that draw upon extensive archival research and some upon oral history sources.

Marxian Socialism in the United States Daniel Bell, 2018-10-18 First published in 1952 then out of print in recent years, this classic account of the American Left is once again available. In his introduction to the Cornell paperback edition, Michael Kazin reevaluates the book, viewing it in the context of subsequent work on the subject and of the recent history of the Left itself.

You Can't Kill a Man Because of the Books He Reads Brad Snyder, 2025-02-04 The story of a young Black Communist Party organizer wrongly convicted of attempting to incite insurrection and the landmark case that made him a civil rights hero. Decades before the impeachment of an American president for a similar offense, Angelo Herndon was charged under Georgia law with attempting to incite

insurrection a crime punishable by death In 1932 the eighteen year old Black Communist Party organizer was arrested and had his room illegally searched and his radical literature seized Charged under an old slave insurrection statute Herndon was convicted by an all white jury and sentenced to eighteen to twenty years on a chain gang You Can t Kill a Man Because of the Books He Reads chronicles Herndon s five year quest for freedom during a time when Blacks white liberals and the radical left joined forces to define the nation s commitment to civil rights and civil liberties Herndon s champions included the young Black Harvard Law School educated attorney Benjamin J Davis Jr the future historian C Vann Woodward who joined the interracial Herndon defense committee the white shoe New York lawyer Whitney North Seymour who argued Herndon s appeals and literary friends Ralph Ellison Langston Hughes and Richard Wright With their support Herndon won his freedom and reinvented himself as a Harlem literary star until a dramatic fall from grace A legal odyssey of Herndon s narrow escape from certain death because of his unpopular political beliefs You Can t Kill a Man Because of the Books He Reads explores Herndon s journey from Alabama coal miner to Communist Party organizer to Harlem hero and beyond Brad Snyder tells the stories of the diverse coalition of people who rallied to his cause and who twice appealed his case to the U S Supreme Court They forced the Court to recognize free speech and peaceable assembly as essential rights in a democracy a landmark decision in 1930s America as well as today *Film Criticism, the Cold War, and the Blacklist* Jeff Smith,2014-03-26 Film Criticism the Cold War and the Blacklist examines the long term reception of several key American films released during the postwar period focusing on the two main critical lenses used in the interpretation of these films propaganda and allegory Produced in response to the hearings held by the House Committee on Un American Activities HUAC that resulted in the Hollywood blacklist these films ideological message and rhetorical effectiveness was often muddled by the inherent difficulties in dramatizing villains defined by their thoughts and belief systems rather than their actions Whereas anti Communist propaganda films offered explicit political exhortation allegory was the preferred vehicle for veiled or hidden political comment in many police procedurals historical films Westerns and science fiction films Jeff Smith examines the way that particular heuristics such as the mental availability of exemplars and the effects of framing have encouraged critics to match filmic elements to contemporaneous historical events persons and policies In charting the development of these particular readings Film Criticism the Cold War and the Blacklist features case studies of many canonical Cold War titles including The Red Menace On the Waterfront The Robe High Noon and Invasion of the Body Snatchers **Dark Days in the Newsroom** Edward Alwood,2007-06-28 Dark Days in the Newsroom traces how journalists became radicalized during the Depression era only to become targets of Senator Joseph McCarthy and like minded anti Communist crusaders during the 1950s Edward Alwood a former news correspondent describes this remarkable story of conflict principle and personal sacrifice with noticeable Ian He shows how McCarthy s minions pried inside newsrooms thought to be sacrosanct under the First Amendment and details how journalists mounted a heroic defense of freedom of the press while others secretly enlisted

in the government's anti communist crusade Relying on previously undisclosed documents from FBI files along with personal interviews Alwood provides a richly informed commentary on one of the most significant moments in the history of American journalism Arguing that the experiences of the McCarthy years profoundly influenced the practice of journalism he shows how many of the issues faced by journalists in the 1950s prefigure today's conflicts over the right of journalists to protect their sources

War and Democracy David Richard McCann, Barry S. Strauss, 2001 Bringing together distinguished Classicists Koreanists and Americanists this book examines the cultural and political institutional dimensions of war's impact on society by comparing the effects of prolonged war on ancient Athens during the war with Sparta and on the United States and the two Koreas North and South during the Korean War Despite the very circumstances of the two conflicts and the radically different way each was viewed in its own time the contributors point to many underlying similarities between the two wars and put each in a fascinating and unique perspective

Reader's Guide to the Social Sciences Jonathan Michie, 2014-02-03 This 2 volume work includes approximately 1 200 entries in A Z order critically reviewing the literature on specific topics from abortion to world systems theory In addition nine major entries cover each of the major disciplines political economy management and business human geography politics sociology law psychology organizational behavior and the history and development of the social sciences in a broader sense

Many Are the Crimes Ellen Schrecker, 1998 Offers an analysis of the McCarthy phenomenon tracing the machinations of anticommunism in creating a culture of fear and suspicion

Dupes Paul Kengor, 2023-06-27 In this startling intensively researched book bestselling historian Paul Kengor shines light on a deeply troubling aspect of American history the prominent role of the dupe From the Bolshevik Revolution through the Cold War and right up to the present many progressives have unwittingly aided some of America's most dangerous opponents Based on never before published FBI files Soviet archives and other primary sources Dupes exposes the legions of liberals who have furthered the objectives of America's adversaries Kengor shows not only how such dupes contributed to history's most destructive ideology Communism which claimed at least 100 million lives but also why they are so relevant to today's politics

The Secret World Of American Communism Introduction

In today's digital age, the availability of The Secret World Of American Communism books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of The Secret World Of American Communism books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of The Secret World Of American Communism books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing The Secret World Of American Communism versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation.

Furthermore, The Secret World Of American Communism books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing The Secret World Of American Communism books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for The Secret World Of American Communism books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and

historical documents. In conclusion, The Secret World Of American Communism books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of The Secret World Of American Communism books and manuals for download and embark on your journey of knowledge?

FAQs About The Secret World Of American Communism Books

What is a The Secret World Of American Communism PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a The Secret World Of American Communism PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a The Secret World Of American Communism PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a The Secret World Of American Communism PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a The Secret World Of American Communism PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. **How do I compress a PDF file?** You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. **Can I fill out forms in a PDF file?** Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or

various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
