*The Seven Poor Travellers* Charles Dickens, 1898      **The Seven Poor Travellers** Charles Dickens, 2021-06-20 The story starts in a charity hospice in Rochester a place that Dickens himself was familiar with from his own childhood According to the will of the founder Richard Watts at Christmas the hospice must provide lodgings and entertainment for one night as well as some money to six poor people an amount that is substantial enough to allow the travelers to buy a hearty meal On Christmas Eve there are six people in the inn and the novel is composed from the six stories of the travelers who find shelter in the hospice plus the narrator himself The stories told by the travelers and the meal shared create a kind of harmony and a sense of community between the seven people they all leave the inn the following day and life will probably take them to different places but they will all cherish the memory of this one serene evening      The Seven Poor Travellers Charles Dickens, 2019-08-22 Strictly speaking there were only six Poor Travellers but being a Traveller myself though an idle one and being withal as poor as I hope to be I brought the number up to seven This word of explanation is due at once for what says the inscription over the quaint old door RICHARD WATTS Esq by his Will dated 22 Aug 1579 founded this Charity for Six poor Travellers who not being ROGUES or PROCTORS May receive gratis for one Night Lodging Entertainment and Fourpence each It was in the ancient little city of Rochester in Kent of all the good days in the year upon a Christmas eve that I stood reading this inscription over the quaint old door in question I had been wandering about the neighbouring Cathedral and had seen the tomb of Richard Watts with the effigy of worthy Master Richard starting out of it like a ship s figure head and I had felt that I could do no less as I gave the Verger his fee than inquire the way to Watts s Charity The way being very short and very plain I had come prosperously to the inscription and the quaint old door      *The Seven Poor Travellers* Charles Dickens, 2021-03-24 Dickens wrote the whole of *The Road* but in 1867 when he decided to separate his contribution to *The Seven Poor Travellers* from the rest of the Christmas number and reprint his share in an edition of his Christmas stories he left out or rewrote those passages which referred to segments not by him Editions of the Collected Works have reprinted these writings usually under the title Christmas Stories in their 1867 form      **The Seven Poor Travellers** Charles Dickens, 2021-02-11 The story starts in a charity hospice in Rochester a place that Dickens himself was familiar with from his own childhood According to the will of the founder Richard Watts at Christmas the hospice must provide lodgings and entertainment for one night as well as some money to six poor people an amount that is substantial enough to allow the travelers to buy a hearty meal On Christmas Eve there are six people in the inn and the novel is composed of the six stories of the travelers who find shelter in the hospice plus the narrator himself The stories told by the travelers and the meal shared to create a kind of harmony and a sense of community between the seven people they all leave the inn the following day and life will probably take them to different places but they will all cherish the memory of this one serene evening      **The Seven Poor Travellers (Annotated)** Charles Dickens, 2020-05-03 Differentiated book It has a historical context with research of

the time *The Seven Poor Travelers* by Charles Dickens Starting with the Christmas bonus number for 1854 *The Seven Poor Travelers* Dickens put the stories into a general framework by adding special openings and endings and providing brief links between the segments Dickens himself usually wrote two of the segments although he did write one sometimes three He always set the general theme and usually wrote the entire framework At first the setting was sober and utilitarian although the dramatic situation was often whimsical The typical strategy was to gather a group of strangers and have them out of their time telling stories the dramatic situation generally required such fun In the latest Christmas issues Dickens paid more attention to the setting and creating a realistic and sometimes suspenseful situation for the narrative *The Seven Poor Travelers* takes place on Christmas Eve in Rochester at the charity hospice founded in 1579 by Richard Watts a royal hospice that Dickens knew well from his childhood days According to Watts's will his hospice was to provide six poor travelers provided they were not rogues or supervisors with free accommodation and entertainment for one night and four pence In the opening section of *The Seven Poor Travelers* titled *The First* the narrator he brings travelers up to seven

**The Seven Poor Travellers** Charles Dickens, 2017-07-26 How is this book unique Font adjustments biography included Unabridged 100% Original content Illustrated About The Seven Poor Travellers by Charles Dickens A short and inspirational work by Charles Dickens written as a Christmas story Outshined by Dickens' much more well-known Christmas story this story has received scant notice Written in the first person Dickens tells of being a poor traveller and discovering a humble inn during his travels Set up as a charitable hostel by a gentleman deceased over a century previously the inn offers to six poor travellers true in heart free lodging for one night plus enough money to purchase a simple meal After satisfying himself of the bona fides of this charitable work the seventh poor traveller as Dickens refers to the narrator determines to contribute his own gift to his fellow travellers it being Christmas Eve Securing a sumptuous meal for the holy occasion and preparing his own secret recipe of wassail he shares a most satisfying

Christmas Eve meal with his fellows topping off the night with a personal story that befits a Christ like life of humble service to the meanest among us The story told and following activities serve to illustrate well the concept Dickens wishes to drive home which is that at best we are all poor travellers together in this life and make the best of it all by sharing with a true heart whatever good and honest fare comes our way Without the burden of judging harshly those whom we encounter who seem beneath our station true happiness may be achieved before we too depart this veil of tears      **The Seven Poor**

**Masterpieces of British Literature** Horace Elisha Scudder, 1895      *The Seven Poor Travellers* Charles Dickens, 2021-03-27 The Seven Poor Travellers is one of Charles Dickens's Christmas stories that was first published in the 1854 Christmas issue of the Victorian Novelist's periodical Household Words It follows the adventures of six travelers in addition to the story of the seventh traveler who is none but the narrator himself The narrative is divided into three chapters In the first chapter entitled In the Old City of Rochester the seven heroes meet at the old Richard Watts's Charity and start telling stories to each other at a Christmas dinner In the second and most important chapter entitled The Story of Richard Doubledick the narrator entertains his companions by telling a story within a story whose hero is a strange twenty-two year old man who comes to Rochester to fall in love enlist in the military and become the most dissipated and reckless soldier in Chatham Barracks The final chapter of the booklet is entitled The Road It speaks about the narrator's journey home the following morning as each of the seven travelers goes his own way Dickens's conclusion of the story is skillfully woven in a way to let the readers long for more Christmas dinners and for more Christmas stories

*The Seven Poor Travellers/ the Lamplighter* Charles Dickens, 2015-09-07 Strictly speaking there were only six Poor Travellers but being a Traveller myself though an idle one and being withal as poor as I hope to be I brought the number up to seven This word of explanation is due at once for what says the inscription over the quaint old door
