*Shakespeare Authorship Question* Keir Cutler, 2013-03-16 The Shakespeare Authorship Question A Crackpot s View is a quick fun read that will leave you wondering why schools and colleges aren t teaching both sides of the Shakespeare story Author and performer Keir Cutler is a crackpot More accurately he has a psychological aberration He is also ignorant a snob and a publicity hound He has a poor sense of logic refuses to accept evidence and is possibly certifiably mad Who calls him and people like him by those terms The Shakespeare Birth Trust in Stratford upon Avon England Why Because he questions whether the man from Stratford wrote the famous plays and poems And even crazier he contends that to many teachers and professors Shakespeare has become a religion and most schools would no more question Shakespeare s authorship than the Vatican would question Jesus Christ s divinity There exists an impressive army of crackpots who doubt the traditional story of Shakespeare Mark Twain Sigmund Freud James Joyce Orson Welles John Gielgud Derek Jacobi Michael York Vanessa Redgrave Jeremy Irons Mark Rylance former U S Supreme Court Justices John Paul Stevens and Sandra Day O Connor and the great writer and critic Henry James who wrote I am haunted by the conviction that the divine William is the biggest and most successful fraud Whether the man from Stratford did or did not write the famous plays and poems all students have a right to know as Smithsonian Magazine has stated There are no original manuscripts Not so much as a couplet written in Shakespeare s own hand has been proven to exist In fact there s no hard evidence that Will Shakespeare of Stratford upon Avon 1564 1616 revered as the greatest author in the English language could even write a complete sentence A Crackpot s View is one man s attempt to bring critical thinking to an important subject Strange that one has to be a crackpot to do it This work is an absolute must for all lovers of Shakespeare and believers in critical thinking [www.keircutler.com](http://www.keircutler.com)

Shakespeare's Unorthodox Biography Diana Price, 2001 It successfully argues that William Shakespeare was the pen name of an aristocrat and that William Shakespeare of Stratford upon Avon was a shrewd entrepreneur not a dramatist

BOOK JACKET *Shakespeare's Authorship Question. A Short Input to a Long Discussion* Lore Li, 2015-06-30 Pre University Paper from the year 2015 in the subject English Language and Literature Studies Literature grade 15 NP language English abstract William Shakespeare was born in 1564 and died in 1616 in Stratford upon Avon farther writing plays like Romeo and Juliet Othello Macbeth A Midsummer Night s Dream and others He was a brilliant playwright creating nearly 40 productions and 154 sonnets while dwelling in London This is at least the majority opinion taught in schools There is however reason for doubt While dealing a bit deeper with Shakespeare you unavoidably will come to the point that opinions differ in the question if he truly was who he pretended to be Imagine the magnificent bard was not the author of all the dramas comedies history plays and poems Or could it be possible that this famous name was just a pseudonym And if it was then the question is why Which clues for and against are existing In the English lessons we learned the prevailing aspects along with the common view about the grand composer and his plays After a rough contribution into the authorship debate more questions emerged

and the foundation of this term paper was laid To come to one of many answers this work will be structured at first in a short biography of Shakespeare and an overview of his time concerning the theatre and authorship in general Afterwards I would like to explore positions that assume Shakespeare not to be the man who is thought to be the drafter Shakespeare On the other hand also the opposing view will be presented and explained To forge an own profound opinion it is significant to have a review about this complex of themes A detailed presentation of my own view regarding arguments for and against Shakespeare from Stratford as the writer will be followed by a final synopsis and prospect of the issue So the focus in this work is more on investigate the Stratford man than on other theories even though these will come up for discussion Because of their multifacetedness it would go beyond the scopes of this term paper **Carolina Israelite** ,1963 Shakespeare and His Authors William Leahy,2015-03-17 The Shakespeare Authorship question the question of who wrote Shakespeare s plays and who the man we know as Shakespeare was is a subject which fascinates millions of people the world over and can be seen as a major cultural phenomenon However much discussion of the question exists on the very margins of academia deemed by most Shakespearean academics as unimportant or indeed of interest only to conspiracy theorists Yet many academics find the Authorship question interesting and worthy of analysis in theoretical and philosophical terms This collection brings together leading literary and cultural critics to explore the Authorship question as a social cultural and even theological phenomenon and consider it in all its rich diversity and significance *The Shakespeare Authorship Question* Craig Huston,1978 *Los Angeles Magazine* ,2003-11 Los Angeles magazine is a regional magazine of national stature Our combination of award winning feature writing investigative reporting service journalism and design covers the people lifestyle culture entertainment fashion art and architecture and news that define Southern California Started in the spring of 1961 Los Angeles magazine has been addressing the needs and interests of our region for 48 years The magazine continues to be the definitive resource for an affluent population that is intensely interested in a lifestyle that is uniquely Southern Californian **Maclean's** ,1953 Canada s national magazine Arts & Humanities Citation Index ,1994 **The Times Index** ,2008 Indexes the Times and its supplements **Unisa English Studies** University of South Africa. Department of English,1989 **Necessary Mischief** Bonner Cutting,2018-08-17 For more than two hundred years the authorship of the works known as the Shakespeare canon has been called into question Each chapter in this book explores an issue that has not been closely investigated bringing new depth to the Shakespeare Authorship Question For example the man from Stratford upon Avon was rich he owned five houses Yet he fails to support his wife in her widowhood all he could bring himself to leave her in his will was his second best bed In the chapter on his Last Will and Testament he leaves nothing to the Stratford Grammar School something that a local lad who was an important person in London if the story was true would surely have done No school classmate recalled him No teacher that he might have had remembered him The Stratford man s daughters were illiterate as were his wife and his parents No writer or educated person records meeting him No one loaned

him a book he makes no mention of books in his will No one paid tribute to him when he died In short there is no hard evidence to show that he even had a cultivated mind or led a cultured life But if this man from Stratford did not write the great literary masterpieces attributed to him then who did When people have searched for a better candidate they have looked at historical figures with memorable biographies Edward de Vere the 17th Earl of Oxford was forgotten His name was extracted from the dustbin of history by a Shakespearean profile De Vere called Oxford was discovered because a few of his short poems survived There was according to a 19th century editor an atmosphere of graciousness and culture about them that is grateful About the author he noted that somehow a shadow lies across his Oxford s memory As we have learned more about Oxford s unusual life we find that he fits the Shakespeare profile with startling specificity

**The Shakespeare Controversy** Warren Hope, Kim Holston, 2009-07-15 Theories stating that plays attributed to Shakespeare were in fact written by other authors have existed for more than 200 years some theories have been ridiculed and reviled while some have gained growing popular and scholarly support The history of the Shakespeare controversy is presented in this revised edition of the 1992 work with much new information and three additional chapters Part I documents and critically assesses the most important theories on the authorship question Part II is an annotated bibliography arranged chronologically of the many works that deal with the controversy from its vague beginnings to the present

**What's in a Name? The Shakespeare Authorship Question Explored over a Two-Hundred-Year Period** John Lawrence Toma, Delyse Ann Huntley, 2023-10-30 This book illustrates the diverse and simultaneous happenings in the varied and complex Europe of the 1500s and 1600s AD mainly focusing on England and Italy the two major protagonists of this most fascinating period of history when military interventions literature art and religious philosophies formed the Europe which we have inherited today The book is enriched with more than 1000 illustrations and a 100 year calendar of historical events in addition to references to 1 168 important contemporaries who lived in England Italy and Europe during the Elizabethan and Jacobean periods This book also delves in depth into the fascinating mystery of the authorship question in relation to who wrote the Shakespearean works

Four Essays on the Shakespeare Authorship Question Mike A'Dair, 2012-04-01 Now in its third edition Four Essays on the Shakespeare Authorship Question is an introduction to the authorship issue The first essay examines the evidence for why William Shakspeare the man from Stratford cannot have been William Shakespeare the author of the Works The second essay offers 48 arguments for why Edward de Vere the Seventeenth Earl of Oxford was Shakespeare The third essay explores the secret identity of Edward de Vere and explains why the timeless works of the

aristocratic courtier poet and playwright were attributed to the journeyman actor and businessman from Stratford not just during de Vere s life but for three centuries after his death These essays draw upon the research and insights of many authors who have been investigating the authorship question since 1859 including Charles Wisner Barrell Charlton and Dorothy Ogburn Hank Whittemore Mark Twain John Thomas Looney Charlton Ogburn Jr Elisabeth Sears Paul Streitz John Hamill and others Four Essays on the Shakespeare Authorship Question is both a primer on the authorship question and a sophisticated treatise on the Prince Tudor theory In teasing out the evidence for de Vere s true relationship to Queen Elizabeth A Dair offers a new theory on his parentage In postulating a romantic love relationship between de Vere and his son Henry Wriothesley the Third Earl of Southampton A Dair may have illuminated the most shocking truth of all about the greatest poet in the English language
