Ardmuir,1877 *The Shepherd* Robert Payne,1959 The Shepherd is Yeshua of Nazareth son of the wealthy landowner and builder Yusuf and his young second wife Meriam Although in outward form young Yeshua s life is not different from that of his contemporaries the handsome boy who fights a panther to protect his flock composes mystical psalms debates with the rabbis and has a new concept of the glory of God is obviously not like other mortals At 17 when Yusuf dies Yeshua obeying his father s last wish seeks to learn more of the world and himself by traveling He learns the Greek way of life as an apprentice to a great actor the ways of Egypt by studying in the temple of Isis and when in the desert he rises from the grave where Arab robbers placed him Yeshua is ready through this mystical renewal to join the contemplative order of the Essenes for a time Returning to his mother s house a man of 30 knowing now that he is the Chosen One he seeks out his cousin Yona is baptized by him and revealed to Yona s followers as the Messiah A curious mixture of the archaeological and the mystical in tone context and style this unusual novel is if not always credible consistently interesting Kirkus Cumulative List of Organizations Described in Section 170 (c) of the Internal Revenue Code of 1986 ,1988 *Cumulative List of Organizations Described in Section 170 (c) of the Internal Revenue Code of 1954* United States. unconscious air of one long used to a position of conspicuous power and influence and while his well kept hair and beard were strongly touched with white the brown clear lighted eyes that looked from under their shaggy brows told of an intellect unclouded by the shadows of many years It was a face marked deeply by pride pride of birth of intellect of culture the face of a scholar and poet but it was more it was the countenance of one fairly staggering under a burden of disappointment and grief
