The Sheriff A Satilla County Novel:

The Sheriff: A Satilla County Novel Oscar Patton, 2014-12-16 This is a work of fiction inspired by a true story Sheriff George Winters is caught in the middle of a long running feud between south Georgia neighbors He senses the conflict is coming to a head but he does not suspect nor can he imagine the horror that erupts In arresting and helping to prosecute those accused of a double murder the sheriff agonizes over questions of duty and friendship and his agony only increases once the trial is over Meanwhile he must deal with the insecurity and jealousy threatening his relationship with the beautiful Viola Fletcher

The Doctor Oscar Patton, 2015-11-20 Love Hate Redemption Satilla County doctor Elias Lott must contend not only with the 1918 19 Spanish flu epidemic but also with ignorance prejudice and his own questions about love and faith This is the fifth novel in the Satilla County series Other titles are When the Bough Breaks Riding the Fantastics A Place to Call Home and The Sheriff The County Court Note-book, 1927 **Magazine** Huxford Genealogical Society, 2003

Serpent in the Pines Oscar Patton, 2016-08-27 A way of life is threatened as the conflict between North and South rages on long after Lee's surrender at Appomattox Combatants include a saw mill superintendent murdered in his home a hot headed but fair minded sheriff who must bring the killer or killers to justice the superintendent's pretty blond widow who carries a gun and knows how to use it a river raftsman who works both sides and a cold blooded assassin These and others speak in their own voices to tell this story

Kill Your Masters Jaap van der Doelen, 2024-12 All the unwritten rules of rap say it doesn't happen like this Yet Killer Mike a Black man from Atlanta Georgia and El P a white man from Brooklyn New York have transformed what should have been the twilight of their careers as rappers into their biggest spotlight yet Known as the hip hop duo Run The Jewels they have headlined festivals worldwide become action figures and Marvel comic book characters spearheaded a worldwide countercultural movement and played a significant role in the last two presidential elections This is the buddy movie like story of how they got there It is a tale that parallels the incredible changes the music industry has gone through over the past twenty five years charting a course from the highs around the turn of the century to the collapse of the CD format and the eventual rise of streaming media while also mapping the evolution of both pop culture and its sociopolitical climate From the surging popularity of afrofuturism and the fall of the Twin Towers to the rise of the Black Lives Matter movement and the kneeling of Colin Kaepernick such events all tie into how their budding bromance transformed Killer Mike and El P from solo artists in underground hip hop to pop cultural icons recognized all over the globe

Twenty Dollars and Change Clarence Lusane, 2022-11-22 Twenty Dollars and Change places Harriet Tubman's life and legacy in a long tradition of resistance illuminating the ongoing struggle to realize a democracy in which her emancipatory vision prevails America is in the throes of a historic reckoning with racism with the battle for control over official narratives at ground zero Across the country politicians city councils and school boards are engaged in a highly polarized debate about whose accomplishments should be recognized and whose point of view should be included in the telling of America's history

In *Twenty Dollars and Change* historian Clarence Lusane author of the acclaimed *The Black History of the White House* writes from a basic premise Racist historical narratives and pervasive social inequities are inextricably linked changing one can transform the other Taking up the debate over the future of the twenty dollar bill Lusane uses the question of Harriet Tubman vs Andrew Jackson as a lens through which to view the current state of our nation s ongoing reckoning with the legacies of slavery and foundational white supremacy He places the struggle to confront unjust social conditions in direct connection with the push to transform our public symbols making it plain that any choice of whose life deserves to be remembered and honored is a direct reflection of whose basic rights are deemed worthy of protection and whose are not Engaging and insightful *Twenty Dollars and Change* illuminates the grassroots effort to have our national currency reflect the diversity of America and all of its citizens those ordinary and extraordinary people who have stood up and demanded freedom equality and justice A must read Kate Clifford Larson author of *Bound for the Promised Land Harriet Tubman Portrait of an American Hero* **Georgia's Public Libraries** ,1978 [The Darien Journal of John Girardeau Legare, Ricegrower](#) John Girardeau Legare,2010 Originally published Darien Ga B Sullivan 1997 **Georgia Genealogical Magazine** ,1962 **The International Year Book and Statesmen's Who's who** ,1963 **Railroad Age Gazette** ,1879 **Railroad Gazette** ,1879 [Park's Annotated Code of the State of Georgia, 1914](#) Georgia,1916 [The Houston Port Book](#) ,1949 **Families of Southeastern Georgia** Jack N.
