## **The Shewolf The Accursed Kings :**

The She Wolf (The Accursed Kings, Book 5) Maurice Druon, 2014-04-10 This is the original Game of Thrones George R R Martin **The Accursed Kings: The she-wolf of France** Maurice Druon, 1960 The She-Wolf of France Maurice Druon, 1960 Memorialising Premodern Monarchs Gabrielle Storey, 2021-11-22 This book examines the legacies and depictions of monarchs in an international context focusing on both self representation and commemoration by others Spanning ancient India through to eighteenth century Russia this volume offers several case studies to demonstrate trends and patterns in how different societies chose to commemorate and remember their rulers in a variety of mediums Contributions highlight several lesser known rulers alongside more famous ones such as Henry VIII of England to develop a deeper understanding of how memory and monarchy functioned when drawn together Memorialising Premodern Monarchs brings to the fore the importance of memory and memorialisation when considering the legacies and records of past rulers and their societies and allows a deeper reflection on how these rulers live on through the historical record and popular culture **The Accursed Kings. (Translated by Humphrey Hare.).** Maurice Druon, 1956 **The She-Wolf of France** Maurice Druon, 1961 The She-Wolf of France Maurice Druon, Humphrey Hare, 1972-01-01 **The Accursed Kings: The lily and the lion** Maurice Druon, 1961 **She Wolf of France** Maurice Druon, 1988 **The Worlds of George RR Martin** Tom Huddleston, 2024-09-24 The Worlds of George RR Martin is a showcase of the huge variety of influences behind the legendary fantasy writer **Premodern Rulers and Postmodern Viewers** Janice North, Karl C. Alvestad, Elena Woodacre, 2018-02-01 Pop culture portrayals of medieval and early modern monarchs are rife with tension between authenticity and modern mores producing anachronisms such as a feminist Queen Isabel in RTVE's Isabel and a lesbian Queen Christina in The Girl King This book examines these anachronisms as a dialogue between premodern and postmodern ideas about gender and sexuality raising questions of intertemporality the interpretation of history and the dangers of presentism Covering a range of famous and lesser known European monarchs on screen from Elizabeth I to Muhammad XII of Granada this book addresses how the lives of powerful women and men have been mythologized in order to appeal to today's audiences The contributors interrogate exactly what is at stake in these portrayals namely our understanding of premodern rulers the gender and sexual ideologies they navigated and those that we navigate today **Adult Catalog: Authors** Los Angeles County Public Library, 1970 *THE LIGHT THAT SHINES THROUGH A PRISM* Reda Issa, 2017-06-29 Reda Issa is born in Dublin brought up in Ghana comes from Lebanon and lives in London 10 years ago on March 30th 2007 Reda was in a car accident and suffered a traumatic brain injury that left him in a deep coma for 2 months At a time when his survival seemed really bleak Reda woke up from the coma having to learn how to walk and talk all over again But he came back with a gift The gift of seeing reality through another perspective and the talent for writing which he cultivated over the years These two godsend gifts are what make his poetry unique This collection of poems main theme is all about how

someone can express and celebrate their individuality in the modern world of globalization The Light That Shines is every single person and the magical spirit within them The Prism is the world and the common reality we share This book is for every person who has ever felt lost stuck or alone to remind them of the light they have inside **Edward II** Kathryn Warner,2024-05-16 Edward II is one of the most unsuccessful and unconventional kings in English history and is well known for having passionate and probably intimate relationships with men In modern times he has often been considered an LGBT icon of sorts Edward II His Sexuality and Relationships looks at the men in the king s life and examines the relations he had with them in the context of medieval notions of sexuality and the famous albeit almost certainly mythical idea that he was murdered with a red hot poker as punishment for having sex with men It also investigates Edward s associations with women Though often thought of as a gay man it is more likely that Edward was bisexual he fathered an illegitimate son in his early twenties at the age of forty had an intimate encounter with a woman in London which is recorded in his household account and might even have had an incestuous relationship with his own niece Edward s marriage to the king of France s daughter Isabella arranged when they were children has often been depicted as a tragic disaster from start to finish Edward II His Sexuality and Relationships takes a detailed look at the royal marriage and at all the evidence that it was in fact a happy and mutually supportive partnership for many years and at Isabella s important though over romanticized association with the baron Roger Mortimer Because Edward is often assumed to have been solely attracted to men numerous modern authors have depicted him as a grotesque caricature of a camp weak foppish gay man Edward II His Sexuality and Relationships reveals him as he truly was as a chronicler puts it one of the strongest men in his realm **The Whole Story** John E. Simkin,1996 This work is the only comprehensive guide to sequels in English with over 84 000 works by 12 500 authors in 17 000 sequences **Collection Editions: Game of Thrones** Damien Buckland,2014-11-25 THE LANDS OF WESTEROS THE HISTORY OF WESTEROS AGES CHARACTER BIOS THE GREAT HOUSES INDEPENDENTS AND PEOPLES OF WESTEROS THE STORIES BEHIND THE BROTHERS WITHOUT BANNERS THE KINGSGUARD AND DOZENS MORE CUSTOMS LAWS OF THE SEVEN KINGDOMS THE SMALL COUNCIL FAITH OF WESTEROS DETAILED GUIDES TO EVERY EPISODE ACTOR BIOGRAPHIES STORIES OF THE GREAT BATTLES DIREWOLVES WEAPONS OF WESTEROS GREAT SWORDS COSTUMES MAPS AND LOCATIONS With more than 320 individual chapters and guides Collection Editions A Game of Thrones is by far the largest most detailed and comprehensive guide to the show yet giving the reader unparralled access and information on every detail of the series A must have for every fan of the show **Later Plantagenet and the Wars of the Roses** **Consorts** Aidan Norrie,Carolyn Harris,J.L. Laynesmith,Danna R. Messer,Elena Woodacre,2023-03-03 This book examines the lives and tenures of the consorts of the Plantagenet dynasty during the later Middle Ages encompassing two major conflicts the Hundred Years War and the Wars of the Roses The figures in this volume include well known consorts such as the She Wolves Isabella of France and Margaret of Anjou as well as queens who are often overlooked such as Philippa of Hainault and

Joan of Navarre These innovative and authoritative biographies bring a fresh approach to the consorts of this period challenging negative perceptions created by complex political circumstances and the narrow expectations of later writers and demonstrating the breadth of possibilities in later medieval queenship Their conclusions shed fresh light on both the politics of the day and the wider position of women in this age This volume and its companions reveal the changing nature of English consortship from the Norman Conquest to today

**Romance Fiction** Kristin Ramsdell, 2012-03-02 A comprehensive guide that defines the literature and the outlines the best selling genre of all time romance fiction More than 2 000 romances are published annually making it difficult for fans and the librarians who advise them to keep pace with new titles emerging authors and constant evolution of this dynamic genre Fortunately romance expert and librarian Kristin Ramsdell provides a definitive guide to this fiction genre that serves as an indispensable resource for those interested in it including fans searching for reading material as well as for library staff scholars and romance writers themselves This title updates the last edition of *Romance Fiction A Guide to the Genre* published in 1999 While the emphasis is on newer titles many of the important older classics are retained keeping the focus of the book on the entire genre instead of only those titles published during the last decade Specific changes include new chapters on linked and continuing romances a new section on Chick Lit in the Contemporary Romance chapter an expansion of coverage on the alternative reality subset This is THE romance genre guide to have

**World Historical Fiction Guide: an Annotated Chronological, Geographical and Topical List of Selected Historical Novels** Daniel D. McGarry, Sarah Harriman White, 1973 *Iron, Fire and Ice* Ed West, 2019-04-09 Have you read everything George R R Martin has ever written Do you know what in *Game of Thrones* is based in real history A young pretender raises an army to take the throne Learning of his father's death the adolescent dashing and charismatic and descended from the old kings of the North vows to avenge him He is supported in this war by his mother who has spirited away her two younger sons to safety Against them is the queen passionate proud and strong willed and with more of the masculine virtues of the time than most men She too is battling for the inheritance of her young son not yet fully grown but already a sadist who takes delight in watching executions Sound familiar It may read like the plot of *Game of Thrones* Yet that was also the story of the bloodiest battle in British history fought at the culmination of the War of the Roses George RR Martin's bestselling novels are rife with allusions inspirations and flat out copies of real life people events and places of medieval and Tudor England and Europe The Red Wedding Based on actual events in Scottish history The poisoning of Joffrey Baratheon Eerily similar to the death of William the Conqueror's grandson The Dothraki Also known as Huns Magyars Turks and Mongols Join Ed West as he explores all of Martin's influences from religion to war to powerful women Discover the real history behind the phenomenon and see for yourself that truth is stranger than fiction
