The Publishers Weekly ,1992 **Fabulous After 50** Shirley W. Mitchell,2013-06-17 Faced with the constant barrage of a youth oriented culture many women today have developed a negative attitude toward the unpleasant reality of aging Author Shirley W Mitchell challenges women approaching fifty not to fear their futures but to embrace them Realize that going through physical emotional and spiritual changes can take you into a realm of amazing possibilities Among the topics Shirley covers are Overcoming midlife fears Coping with loss Creating and fulfilling dreams Shaping spiritual life Improving fitness and diet The quantity of years in your life does not need to decrease the quality of your life Here s dynamic proof that living longer can also mean living better **Germaine Greer: Untamed Shrew** Christine Wallace,2013-07-01 The story of one of the most intriguing people in a generation Germaine Greer is one of the opinion formers of our age her challenging views constantly provoking us in print and on the small screen The Female Eunuch her first book published in 1970 was

hailed by the women's liberation movement and influenced an entire generation Yet two years earlier Greer had argued that there is hardly a woman alive who is not deeply attracted to the notion of a husband of the kind extolled by Kate the rebellious wife subdued in *The Taming of the Shrew* Over 30 years later as Germaine Greer revises what one reviewer called one of the most eloquent pieces of anarchist propaganda that have appeared in this century it is fitting to assess the life and work of this complex compelling intellect Christine Wallace an Australian academic familiar with the background in which Germaine Greer grew up has drawn extensively from candid interviews with Greer's family friends and former colleagues as well as from her many autobiographical writings She reveals a courageous contradictory often tormented woman variously and often simultaneously scholar rock stars groupie bohemian lover of cats and gardening and a feminist who spurned and then yearned for motherhood An icon of women's liberation yet fiercely competitive and scathing of other women a swashbuckling adventuress yet often vulnerable and surprisingly passive in her dealings with men an inveterate self dramatist yet incorrigibly honest Greer has always lived by extremes and the risks she took have allowed shoals of moderate feminists to swim in her wake Many followers have been rebuffed by her reckless inconsistency a quality she shares with Byron her first literary love stemming from a rare determination to be true to the moment This biography puts into context the unhappy childhood the convent schooling and promiscuous but rigorous university years that shaped Greer's powerful personality and restless intelligence Child of the beat generation leader and victim of the 60s sexual revolution she continues to assail our complacency

The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is an exceptional and gripping novel that will keep you guessing until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.
