The Soft Power Of Construction Contracting Organisations Spon Research:

The Soft Power of Construction Contracting Organisations Sai On Cheung, Peter Shek Pui Wong, Tak Wing Yiu, 2015-01-09

Across the AEC industry the non technical skills possessed by organisations are key to their overall performance In this study the particular importance of optimising the so called soft power of organisations is addressed Things like organisational culture responsible corporate behaviour and building trust based relationships with other stake holders are seen as facets of a broader organisational capability and the advantages of this strength are also explored The internationally conducted research behind this book will provide readers with new insights into effective management from both inter and intra organisational perspectives This unique and important book is essential reading for researchers and advanced students of construction management

The Soft Power of Construction Contracting Organisations Sai On Cheung, Peter Shek Pui Wong, Tak Wing Yiu, 2015-01-09 Across the AEC industry the non technical skills possessed by organisations are key to their overall performance In this study the particular importance of optimising the so called soft power of organisations is addressed Things like organisational culture responsible corporate behaviour and building trust based relationships with other stake holders are seen as facets of a broader organisational capability and the advantages of this strength are also explored The internationally conducted research behind this book will provide readers with new insights into effective management from both inter and intra organisational perspectives This unique and important book is essential reading for researchers and advanced students of construction management

Target Cost Contracting Strategy in Construction Daniel W.M. Chan, Joseph H.L. Chan, 2016-10-14 The problems inherent in the traditional design bid build procurement method often lead to the adversarial working relationships within the construction industry Target cost contracts accompanied by a gain share pain share arrangement serving as a cost incentive mechanism have emerged in the United States the United Kingdom Australia and Hong Kong with the aim of achieving better value for money and more satisfactory overall project performance under a collaborative working relationship This book presents the underlying principles practicalities and a series of short case studies of applying the target cost contracting strategy Principles begin with the fundamentals then cover the development of target cost contracting in major countries cities definitions of target cost contracting perceived benefits potential difficulties and critical success factors for implementation Practices include the target cost contracting approach and process in general the key risk factors risk assessment model risk allocation and risk mitigation measures for target cost contracts in particular together with a conceptual framework for the performance measurement of target cost contracts Several short real life case studies from the United Kingdom Hong Kong Australia and New Zealand are provided for further illustration The book will appeal to a wide spectrum of readers from industrial practitioners to undergraduate students researchers and academics interested in construction contracts and procurement methods

Making Sense of Innovation in the Built Environment Natalya Sergeeva, 2019-01-15 This book offers a new understanding of innovation in

the built environment The ways meaning of innovation is constructed has important implications for policymakers project managers academics and students Through a longitudinal research study into innovation in firms and projects the book addresses some key themes challenges and concerns that practitioners face when managing innovation in the built environment It examines the key drivers for innovation in the construction engineering and infrastructure firms and projects In particular the questions of how and why innovation becomes recognised and sustained over time are explored Different theoretical perspectives are considered to explain different aspects of innovation This includes sensemaking organisational and individual identity storytelling and narration The book has practical implications for how organisational activities become labelled as innovation and for what purpose It shares some lived stories of innovation as mobilised by practising managers The connectivity between the formal narratives of innovation at the policy level and the lived narratives of innovation articulated by practitioners is explored Combining the theory with practice this book presents an insightful view on the implications of innovation in the business world today

Sustainable Design and Construction in Africa Oluwaseun Dosumu, Clinton Aigbavboa, 2018-08-14 This book addresses some of the countless challenges faced by developing countries when adopting sustainable design and construction and offers suggestions for the way forward for African development projects The authors argue that the pervasive non consideration of the interrelationship between the elements of sustainable design and construction is the reason for the current failures in sustainable design and construction in developed countries By treating sustainability as a complex system the authors provide the missing link between the design and construction of projects in a sustainable way with a view to improving industry and project performance In doing so the book posits the need for improved sustainability practice in developing countries lessons for developing countries from the successes and failures of sustainability adoption by developed nations factors influencing adoption of sustainability and effects of sustainable designs and construction on productivity human health and the environment at large This book will be of interest to construction researchers practitioners professional bodies housing policy makers and government institutions as well as training and funding providers in these areas

Valuing People in Construction Fidelis Emuze, John Smallwood, 2017-08-09 Valuing People in Construction provides contemporary perspectives on the glue that binds the construction process together people The book addresses people issues in the construction industry where behavioural outcomes impact upon business and project performance The main proposition of the book is that as people continue to lead the completion of construction activities their health safety and well being should be seen as a priority and valued by stakeholders As employers and employees the role of people in construction must be to strive for the improvement of individual lives and society This edited collection which is the first book to focus specifically on placing value on people in construction focuses on people at work gender at work conditions at work and respect at work In addition to an editorial overview the book presents tested and refined empirical work and case studies by leading construction researchers from Africa Australia and Europe Essential

reading for researchers students and professionals interested in construction management the sociology of construction HRM in construction gender work and health studies **Funding and Financing Transport Infrastructure** Athena Rouboutsos,Hans Voordijk,Aristeidis Pantelias,2017-09-07 This book seeks to enhance understanding of the impacts of project setup and its implementation environment on project performance by leveraging information from the study of a rich set of European transport infrastructure project cases It puts forward a system s view of project delivery and aims to serve as a strategic tool for decision makers and practitioners The proposed approach is not limited to specific stakeholder views On the contrary it allows stakeholders to formulate their own strategies based on an holistic set of potential implementation scenarios Furthermore by including cases of projects that have been influenced by the recent financial crisis the book aims to capitalise on experiences and provide guidelines as to the design and implementation of resilient projects delivered both through traditional as well as Public Private Partnership PPP models Finally the book proposes a new Transport Infrastructure Resilience Indicator and a corresponding project rating system that can be assessed with an eye to the future ultimately aiming to support the successful delivery of transport infrastructure projects for all stakeholders involved

Work Stress Induced Chronic Diseases in Construction Imriyas Kamardeen,2021-04-30 This book aims to fill a gap in the current construction health and safety research and discover new knowledge about work stress induced chronic diseases among construction industry professionals In achieving these aims the book investigates the nature and extent of psychosocial stressors experienced by construction professionals stress management tactics applied and the impact on mental health the prevalence and occurrence patterns of serious chronic conditions such as insomnia obesity musculoskeletal disorders and vision impairment aetiological pathways from job stressors through chronic diseases to job performance While there are many studies policies and regulations aiming to look after the health of construction workers little attention is paid to construction professionals By applying advanced analytical methods to data collected in a national survey of construction professionals in Australia the author presents new scientific evidence which can be used to help establish equitable workers compensation treatments and outcomes for construction professionals in line with other professions Moreover the research and analysis are underpinned by theories and literature from public health and epidemiological disciplines in addition to literature from construction and work health safety and wellbeing domains It is essential reading for any health policy makers and researchers in the fields of health and safety and construction management Energy Research Abstracts ,1993 Semiannual with semiannual and annual indexes References to all scientific and technical literature coming from DOE its laboratories energy centers and contractors Includes all works deriving from DOE other related government sponsored information and foreign nonnuclear information Arranged under 39 categories e g Biomedical sciences basic studies Biomedical sciences applied studies Health and safety and Fusion energy Entry gives bibliographical information and abstract Corporate author subject report number indexes Bulletin of the Atomic Scientists ,1961-05 The Bulletin of the

The Soft Power Of Construction Contracting Organisations Spon Research Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading The Soft Power Of Construction Contracting Organisations Spon Research free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading The Soft Power Of Construction Contracting Organisations Spon Research free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-

friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading The Soft Power Of Construction Contracting Organisations Spon Research free PDF files is convenient, its important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but its essential to be cautious and verify the authenticity of the source before downloading The Soft Power Of Construction Contracting Organisations Spon Research. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether its classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading The Soft Power Of Construction Contracting Organisations Spon Research any PDF files. With these platforms, the world of PDF downloads is just a click away.
