Gangland Soho James Morton,2012-03-01 Behind the fashionable bars and clubs of Soho lies a fascinating history of criminal activity featuring some of London s most notorious gangsters From the razor gangs of the 1920s to the post war gangleaders Billy Hill and Jack Spot from the pre war French pimps and the Messina brothers to the Albanian gangs through to the thriving Soho of today the area has been a Mecca for thieves conmen drug dealers notorious pimps and crooked lawyers James Morton vividly portrays the crimes and criminals that have given Soho its infamous reputation including the vicious Kray Richardson gang a Second World War Jack the Ripper the shooting in the streets of Soho of gangster Jack Spot and the gangland murder of boxer Freddie Mills Behind the fashionable bars and clubs of Soho lies a fascinating history of

criminal activity featuring some of London's most notorious gangsters. From the razor gangs of the 1920s to the post war gangleaders Billy Hill and Jack Spot from the pre war French pimps and the Messina brothers to the Albanian gangs through to the thriving Soho of today the area has been a Mecca for thieves, common drug dealers, notorious pimps and crooked lawyers. James Morton vividly portrays the crimes and criminals that have given Soho its infamous reputation including The vicious Kray Richardson gang, A Second World War Jack the Ripper, The shooting in the streets of Soho of gangster Jack Spot, The gangland murder of boxer Freddie Mills. Gangland James Morton, 1993. The spectacular trial of the high profile Kray brothers blew the lid off the London Underworld of the 1950s and 60s. But what of the great city's gangland before and since? In this comprehensive and thoroughly researched history of London's secret life James Morton exposes some startling conclusions about exactly who lurked and still lurks in the powerhouses of the Underworld. From the Dover Road Gang of the 1880s to the era of the Krays and up to the Triads and Yardies of the present, GANGLAND reveals the people who ruled, robed and regulated vast areas of the capital and those who hold ominous power today. Fascinating accounts are recorded, many from contemporaries, of the controllers of vice in Soho, of contract killers, bank robbers, drug dealers, grasses and supergrasses and of the crooked police officers and lawyers who helped them perpetuate the Underworld structure. Gangland Bosses James Morton, Jerry Parker, Gerry Parker, 2012-03-01. In August 1955 two men fought on the corner of Frith Street and Old Compton Street, Soho. From the dreadful injuries they inflicted on each other it easily could have been a hanging matter but ironically it became known as The Fight that Never Was. It was however to have enormous repercussions in the battle for control of Soho and its clubs and for the bookmakers' pitches on the racecourses. It also led to the inexorable rise of the Kray twins. One of the men fighting was Jack Spot, the self-proclaimed defender of the Jewish community against Fascism. The other was the half-Italian Albert Dimes, the right hand man of Spot's one-time friend and later nemesis Billy Hill, rightly described as the nearest Britain has ever had to a mastermind. Meticulously researched, including interviews with the survivors of the era, this is the story of the rise and fall of Spot from an East End background and Hill from a criminal family in Holborn as well as that of their spiritual mentor Darby Sabini, the King of the Racecourses in the 1920s and 1930s and his successors Alf and Harry White. Mad Frank and Sons David Fraser, Patrick Fraser, Beezy Marsh, Pat Fraser, 2017. Drawing on exclusive final interviews with Frank and with unprecedented access to his closest relatives, Mad Frank and Sons follows his rise from a small kid stealing to put food on the table to a feared and respected West End crime lord and head of a legendary gangland family. It includes the story of Frank's beloved sister Eva who was a top class West End shoplifter and his sons David and Patrick who reveal in shocking detail the full extent of the family's network and the influences that shaped them. With sawn-off shotguns as toys, the Kray twins as family friends and a mother who urged them as teenagers to get out of bed and rob a bleeding bank, it is little wonder that the Fraser boys were heavily involved in organized crime by the time they were in their twenties. Packed with new information and featuring some of the most famous names in the London underworld, this is a

fascinating slice of gangland history seen through the eyes of Frank Fraser and his two renegade sons **The Untold Story** Ruthie Shelton,2016-04-11 The third in a series based on my true crime book Inside the Shelton Gang One Daughter s Discovery and my family known as the Shelton Gang This is the story that couldn t be told in non fiction even decades after the events which make up our history In The Untold Story series names have been changed but the history remains some scenes are true some embellished and some total fabrication It s up to you to decide what s real and what s fiction The box hidden away for decades in their childhood home buried for years before that held the secrets of their family Secrets important enough to conceal forever important enough to kill for important enough to die for Will these secrets once revealed help or destroy the remaining members of the Callahan family **Gangland** Tony Thompson,2010 The landscape of British organised crime has changed beyond all recognition over the last five years Youth violence the drug trade and rising levels of gun crime are rarely out of the news The country also continues to experience an influx of powerful foreign criminal syndicates who are establishing operations here in order to take advantage of Britain s global connections Beginning on the troubled streets of the inner cities Gang Land takes its readers on a journey up through the underworld hierarchy until it finally reaches the very highest levels occupied by elusive and shadowy Mr Big characters Written using a mix of personal experiences undercover work primary research and cutting edge investigation Gang Land sheds new light onto this highly secretive often terrifying and utterly fascinating world **The St. Valentine's Day Massacre** William J. Helmer,2004 *Reggie Kray's East End Stories* Reginald Kray,Peter Gerrard,2010 The name Reggie Kray remains synonymous with London s East End to this day and yet although much is known about Reg and his brother Ronnie s life of crime in the 50s and 60s to date precious little has been revealed about their formative years Reggie wrote his EAST END STORIES in the early 1990s but they haven t seen the light of day until now In the book he recalls the close knit East End community in which he and his brother grew up the characters in his family and neighbourhood and of course the many villains he worked with Filled with anecdotes about the area s most outlandish personalities and notorious criminals and offering a fascinating journey around the Krays manor including their favourite haunts and business enterprises the book paints a vivid portrait of a London that has long since disappeared
