Erica Silver will do whatever it takes to build a life for her and the young son she's raising alone. As a single mother, she's paying her way toward her degree as an exotic dancer, and she won't let anyone tell her how to live her life, especially not some handsome, conceited Greek stranger. Billionaire entrepreneur Tito Makris needs to fulfill his best friend's last wish of taking care of his illegitimate son. When he finds out his friend's son is being raised by an exotic dancer, it's clear to Tito there's only one option: The boy needs to move to Greece and claim his multi-billion euro inheritance. But the trustees of his friend's estate are sticklers for propriety. While they'll accept the boy, his unmarried British pole dancing mother isn't going to be welcomed. Erica can't deny her son his legacy, but a marriage of convenience to a conceited billionaire is a little unconventional, even for her. The chemistry between them is off the charts, but chemistry isn't enough to build a relationship where there's no trust.
