The Spirit Connection:

Spiritual Connection Within W. Ruben Exantus, 2023-09-07 A few words about the origin of this book and why it was written will help the reader to understand its teaching This book is the outcome of a series of Bible studies I taught on prayer at Grace Baptist Church of Apopka a church I pastored for nearly twelve years in Orlando Florida The idea came to me while putting into practice what I taught the congregation concerning prayer according to God's will A great number of people go to church every week across America and around the world but unfortunately they never have a personal time with God in prayer The only time they spend in prayer is when they gather with the congregation for corporate worship Can you imagine a Christian who only prays to God once or twice a week Prayers addressed with others practically means there is nothing personal about it Don't get me wrong I believe in corporate prayer and I think it creates an atmosphere of worship and fellowship where many believers get together to pray It is essential to the life of a church The true church of God will not go without it In addition there are those who pray to God often and alone They seek times of silence in their lives to be with God alone and pray However there is an important question that must be addressed if we want God to answer our prayers Do we pray according to God's will I believe deep in my heart that there is a great misinterpretation among Christians in regard to the subject of prayer which leads to a lack of spiritual power in many followers of God I think it's time for you to find out what might be the cause of that spiritual weakness

The Spirit Within Paul Pacific, 2012-04-27 The Spirit Within is a treasure map that will illuminate a path for the reader to travel on an inner journey of spiritual self discovery It is not our physical self that was created in the image and likeness of God but our Soul or Spirit Within Learning how to connect with your Spirit Within or True Self is a treasure far beyond any riches you could ever imagine Get quiet focus within and ask yourself Is this book for me You will know the answer from a subtle feeling or knowing within you Whether you choose to read on or not as long as you are heeding the advice or your own Spirit Within you can never lose your way True intuition is a brief consciously aware connection with God through your Spirit Within IT is never wrong True Inspiration is the consciously aware ability to access and maintain this same connection at deeper levels and for longer periods of time Great Masters of all disciplines demonstrate this connection at the highest of levels Anyone who performs at a much higher level than their peers have a deeper or stronger level connection Within compared to those below them There are many levels and durations of this connection some are stronger or deeper than others Occasionally someone will display a once in a lifetime feat or performance never to be duplicated by them again Everyone has this innate ability within themselves When someone learns how to access this connection at deeper levels miracles can and DO happen Each and every one of us can consciously learn how to develop and use this God force because we are eternally connected to IT As an inspirational and motivational speaker Paul Pacific relays all true dramatic encounters and profound moments from tears of joy and sadness to circumstances which witnesses stated bordered on the miraculous From a variety of personal stories the latest scientific evidence and a host of

In the Spirit Candace L. Kohli,2024-11-14 How does the Christian produce good works in service of her neighbor after justification In Martin Luther's famous 1520 treatise *The Freedom of a Christian* the Reformer claimed that Christ's love springs spontaneously from the Christian's soul as good works In Luther's late medieval theological context however this statement was incoherent with philosophical theories of moral action which required an interplay between the soul and body This problem persists in Lutheran theology today where human passivity in justification is extended over the Christian's entire

temporal life Yet Luther seemed to find solutions to this question in his late controversies with Johann Agricola over law and gospel This study looks to pneumatological developments in that controversy for resources that support a more coherent view of moral action in the Christian life **Connected Spirits** Andrew J. The Kingdom Is At Hand Jason R. Harris, 2014-05 The kingdom of God was a major topic of discussion between Jesus and His disciples. Much of Jesus' teachings were built upon the foundation of kingdom truths and spiritual realities. Jesus on many occasions spoke of doing the will of the One who sent Him. The will of His Father was the driving force of His purpose in the flesh. He came to do the Father's will. Jesus' primary goal was the establishment of the Father's will on the earth. As Jesus would move and act and speak on behalf of His Father, the kingdom of heaven through His life would be in full advance, made obvious by the supernatural demonstrations of the Spirit. Strongholds were smashed, prisoners were set free, and the kingdom of darkness was falling. Jesus, by the authority given Him from the Father, walked this earth in the liberty of the kingdom of heaven and put into motion the Father's plan to reconcile all things back to Himself. But the message does not end there. The same things that Jesus taught and did throughout His ministry, He would later pass on to His disciples. At the close of Jesus' earthly ministry, He would bestow upon them the mandate of His Father to preach the Gospel of the kingdom to every nation, tribe, and tongue. They were to do what He did. They were not going to be alone in this endeavor but would have with them living in them the Holy Spirit, the Helper, on the Day of Pentecost, the kingdom had come in power and had transformed their lives. Through the release of God's kingdom into the earth, the disciples went about turning the world upside down. This same transformative power, the power of the kingdom of God, is still here today. God is in the process of restoring a kingdom paradigm, a kingdom mindset, back to the church. In *The Kingdom Is At Hand*, Pastor Jason R. Harris gives us his own unique perspective on the nature of the kingdom of God. In this book, you will learn such truths as: the kingdom is the will of the king; the king is a direct reflection of His kingdom; the edicts of the king are the rights of the citizens; and many more. Join Pastor Harris in discovering the kingdom of God and begin to walk in the truths revealed in this book.

The Evolution of Spirits Bahram Esmailzadeh M. Sc., 2012-03-15 *The Evolution of Spirits: What is the Reason for Being Here in This Creation?* By Bahram Esmailzadeh M. Sc. What is the reason for being here? Unlock the answer in *The Evolution of Spirits*. In this intriguing follow-up to his first book, *Understanding the Creation*, Esmailzadeh introduces a general theory for the creation, evolution, and destiny of all spirits. *The Evolution of Spirits* directly deals with a variety of spiritual phenomena, and yet it is not related to any of the religions or philosophies. It reveals the author's curiosity, his extensive research, and persistent personal contemplations on various spiritual phenomena. This book raises the most important question: What is the reason for being here? Esmailzadeh sheds light on this very matter. In this comprehensive blueprint, he demonstrates how everything began, the objectives that must be met, and how spirits may eventually accomplish their ultimate and common task. He begins by explaining the creation of the physical and the spiritual worlds and the specific laws that govern them. He follows with a discussion on how spirits evolve as they go through their evolutionary path. He tells

what will eventually become of all spirits the physical world and the spiritual world By applying the proposed theory Esmailzadeh also provides consistent explanations for a variety of spiritual phenomena such as overlapping past lives power of thought spiritual healing states of dreaming trance and coma sleep paralysis spiritual guides wandering and escorting spirits evil eye and witchcraft prophesying and fortune telling sexuality animal languages psychopaths seizures cravings multiple personalities possessions and exorcism ghosts and apparitions astrology as well as inspiration imagination intelligence instincts curiosity memory conscience and of course the source of the ever growing number of human spirits Thought provoking and thoroughly engaging The Evolution of Spirits clarifies issues that have challenged mans intelligence since the beginning of time
