Witchcraft: Your Complete Guide to the Hidden Powers of Herbs (Discover the Power of Witchcraft With Spells and Herbal Magic for Healing and Transformation) Mikel Starcher, 101-01-01 This book is your ultimate resource guide on witchcraft as well as spells and rituals related to witchcraft and wicca. In this book, we start with the basics on witchcraft. We start off with the roots of it all: the history of witchcraft and wicca. Then we further move ahead by giving clarifications on what a witch really is. After which, we will provide you with the different gods and goddesses of witchcraft and wicca as well as different spells that you can use. If you are someone with minimal or no experience in witchcraft and wicca, this book is totally for you. We can help you get started really quick. You will learn: The eight sabbats of most pagan religions; The amazing power of a circle and what it has to do with witchcraft; Spells that will help to improve every area of your life; What rituals are and how you can use them in your practice; What paganism means and how it fits in with witchcraft and wicca; What wicca is and its beliefs system; The most common tools used within witchcraft; White magic spells that you can use to bring new things into your life; Household wickedness or witchcraft refers to malicious activities done by people closest to us. It is the betrayals, curses, pains, troubles, putdowns, afflictions, and setbacks we experience from the people we trust and rely on and often do not expect that they will be the ones to hurt us. The bible is filled with stories of in-house enemies who caused extreme damage to those who trusted and relied on them. Some were out of jealousy, while some were out of demonic influence.
